

I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office.

Rep. Nearman intentionally opened the door for violent, armed rioters to attack the Capitol and State Police while threatening lawmakers and Capitol staff. And he was caught on camera planning the whole thing!

The members of this committee have a clear choice and a clear duty: Not only has Rep. Nearman been criminally charged for "unlawfully and knowingly" opening the door to rioters, the legislature's own investigation found he acted intentionally.

The groups he let in have a long history of espousing racist, xenophobic and misogynistic views. Remove Rep. Nearman now.
