

I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office.

The members of this committee have a clear choice and a clear duty: Not only has Rep. Nearman been criminally charged for "unlawfully and knowingly" opening the door to armed and violent rioters, the legislature's own investigation found he acted INTENTIONALLY. That is unambiguously clear, as he was caught on video outlining the attack.

His actions on December 21st resulted in a riot that disrupted democratic governance, threatened lawmakers and Capitol staff, put people's lives at risk, and caused injury to police. The irresponsible and subversive Rep. Nearman must not remain in office.
