

I urge the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office. There is irrefutable video evidence of Rep. Nearman intentionally opening the door for armed hooligans to attack the Oregon Capitol and State Police. The state legislature's own investigation has found that he acted against the people of Oregon by going out of his way to serve the desires of a fringe group of racist and criminal nut jobs. Remove Rep. Nearman now.
