

My name is Ukiah Halloran-Steiner, I live in House District 23 and I am embarrassed to call Mike Nearman my representative. I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Mr. Nearman from office. In December of last year, my representative literally opened a door to the Capitol building, intentionally allowing violent rioters inside. They threatened lawmakers and staff and attacked the Capitol and State Police. Due to the clear evidence (videos from before and during the incident), it's obvious the entrance was planned and purposeful. Now, Mr. Nearman has been criminally charged for "unlawfully and knowingly" opening the door to rioters. As members of this committee, you have a responsibility to vote honestly. Please ignore the party lines, because this is clearly a non-partisan issue. Nearman's actions put people's lives at risk, injured the police, and caused distress in the Capitol. Please keep our Capitol safe, support this resolution, and move to expel Mike Nearman from office. Thank you.
