

Oregon State Representatives,

I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office.

Representative Nearman actively conspired to engage in sedition, and did in fact participate in that seditious act. Rep. Nearman literally assisted domestic terrorists in planning and executing an attack on the Oregon State Capitol and elected Representatives. Rep. Nearman engaged in domestic terrorism.

The rising tide of domestic terrorism in the United States is unmistakable. It must be confronted and met with swift justice. Not to do so is to embolden further acts of violence.

Rep. Nearman and any who would engage in such acts have no place in government. He must be expelled immediately.
