

I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office.

Nearman's actions amount to sedition. He has betrayed the people of Oregon and violated his oath of office. He is a vile coward and should not only be removed from office but also prosecuted for criminal behavior that put the lives of other legislators and staff in danger.

Such neo-fascist extremism must be purged from the Oregon Legislature.
