

To Whom It May Concern:

I strongly support removing Representative Nearman from office. I not only question his Judgement; I would question his ability to serve The People of Oregon. His actions suggest that he supports a former seditious President (Trump) at all cost.

This great Country is on the precipice of loosing her Democracy for the lies and the actions of Trump and his sycophants. It is time to send a clear message that this will not be tolerated and will result in consequences to anyone including Representative Nearman. Thank you.
