

Mike Nearman should be expelled from the House Of Representatives. Despite his pathetic attempts to claim otherwise he is clearly guilty of promoting mob violence by letting the mob into the Capitol and he clearly set this situation up in advance. Sadly he also represents those in the Republican Party who now see mob violence, instead of the rule of law and order, as the way they will act to get their way. He should be made an example that this attitude and dangerous behavior will not be tolerated at any level, whether in Oregon or at the Nations' Capitol.
