

# HOUSING ALLIANCE

June 10, 2021

Joint Committee on Tax Expenditures  
Oregon State Legislature  
900 Court Street NE  
Salem, OR 97301

Dear Co-Chair Burdick, Co-Chair Nathanson, Vice-Co-Chair Boquist, Vice-Co-Chair Reschke, Vice-Co-Chair Pham, Members of the Committee:

I am writing to you today on behalf of the Oregon Housing Alliance to express our support for HB 2551A, which will extend the tax credit for the Oregon Individual Development Account (IDA) Initiative and will make technical changes to improve the Initiative.

The Oregon Housing Alliance is a coalition of ninety organizations from all parts of the state. We represent a diverse set of voices including housing developers, residents of affordable housing, local jurisdictions, and organizations working to meet basic needs in every corner of our state. We believe that all Oregonians need a safe, stable, and affordable place to call home.

In Oregon, three out of four households with extremely low incomes pay over half of their income towards rent. When people pay that much of their income towards rent, they have too few resources left over for food, medicine, or utilities. An emergency of a few hundred dollars may mean they end up experiencing homelessness.

The Oregon Individual Development Account, or IDA, Initiative, is a matched savings program that delivers economic opportunities to low-income individuals and communities of color, by extending the sunset on the IDA tax credit, and committing general fund resources to close the gap for the Initiative. IDAs offer a hope for a better future for people with low incomes, by supporting them to save for the purchase of an asset. IDAs allow someone to save, while taking financial education classes, with a goal in mind of purchasing an asset such as a home, an education, or supporting a small business. Their savings are matched from a state fund, which has been funded through a state tax credit.

The IDA Initiative has been fortunate to have the continued support of the Oregon State Legislature since 1999, through the continued reauthorization its funding mechanism, a credit on state and local taxes which are granted to taxpayers who contribute to the IDA Initiative. When taxpayers donate one dollar to the IDA Initiative, they receive a ninety-cent state tax credit that can be used to offset their Oregon income tax liability. The tax credit mechanism is efficient and effective, and we urge you to renew it.

Thank you very much for your time, and for your service to our state.

Sincerely,
