

I oppose this ridiculous power grab by the Democrats in this legislature.

I watched the video and rep Nearman did not engage in conduct warranting expelling him from office.

The politicians in this state along with the governor, have violated the Oregon constitution since March of 2020 time and time again.

Gov brown continues to abuse the power of her office while destroying the livelihood of thousands of Oregonians.

That is the behavior that should be met with removal from office
