

VOTE NO!!

Supporting information can be found throughout the economic forecast, in particular on Page 4 & Page 20. **SEE OREGON ECONOMIC & REVENUE FORECAST, MAY 2021.**

Page 4

The economy has made a strong recovery. Anyone that would like a job can apply and likely be hired. It is a employee's job market. Several incentives are offered due to the low supply of workers that are available to fill many open jobs.

Page 20

Less than 1% of renters fear eviction. This does not indicate that there is current issue, with the legislation already in place, that there is a large spread fear of renter eviction. This supports that the eviction moratorium legislation is NOT Needed, and senators should vote NO.
