Re: [HB 2456]: "Makes corrections to and updates tax statutes."

I VEHEMENTLY OPPOSE [HB 2456] WITH EXTREME PREJUDICE.

The statement, "Makes corrections to and updates tax statutes" albeit truthful...It is also very deceptive.

The winners from the passage of [HB 2456] are the recipients of the non-equal tax credits.

Non-profit Corporations benefit greatly by not having to ay taxes.

ALL TAXES SHOULD BE LEVIED EQUALLY ON ALL PERSONS.

For example, both [HB 2456] as well as [HB 24338] confer property privileged tax forgiveness.

Where is my "property tax forgiveness?"

Where is the "property tax forgiveness' for all property owners in Oregon?"

EQUAL TREATMENT UNDER THE LAW??
