To Whom It May Concern,

My name is Anne Sellery and I am a local Portland, OR Professional Makeup Artist working in TV & Film.

I am writing to urge the passing of Bill SB43 - which is the +6 year extension bill for both the OPIF and GOLR programs.

Personally, I have been fortunate enough to work on both TV Series' and Features due to the success of these program(s). Without these program(s), I would not have been able to support myself or my family. Especially with the recent shutdown due to Covid-19, the need for a multi-year program to help future projects coming from within Oregon and being recruited from elsewhere is essential.

As a community, I feel that together, we can pass this extension as well as get an increase in our incentive and promote diversity, equity and inclusion in our industry.

Sincerely,
