

Please say yes to HB 2740

My name is Scott Farlow, I'm a liquor agent for store 1108 Coos Bay Oregon. Being an agent for the State for 16 years we have seen our fixed cost skyrocket, government mandated policy ie: minimum wage, paid sick leave, rents and insurance costs has taken a large bite out of our personal investment in our stores. The commission schedule to agents have not been updated for many years....

The time is NOW to adjust inequities that currently exist and preserve and grow revenue to the State of Oregon.

Please vote YES

Sincerely,

Scott Farlow
