Dear House Committee on Economic Recovery and Prosperity,

I'm writing to urge you to **vote YES on HB 3010** pertaining to diversity, equity, and inclusion in incentivized Oregon media productions. It's important that the commitment to Diversity, Equity, & Inclusion be reflected in Oregon's policymaking.

I am a freelance filmmaker, local to Portland, who has worked on hundreds of sets all over the world over the last 10+ years, for various TV shows, movies, commercials and more. I believe that this bill would be a great step in the process of helping to make the film industry more inclusive for anyone who is interested in a filmmaking career.

Please **vote YES on HB 3010** to encourage diversity, equity, and inclusion in our local production industry. I look forward to witnessing the change that comes about when this bill passes!

Regards,

Kevin Dyer
