

I am in opposition of SB 554, I am a law abiding concealed carry citizen and a veteran. I can't understand the reasoning for some of the legislation in the Un-ited state of confusion (Oregon) wanting to attack the rights of the law abiding citizens of this state. First off the public is illegally locked out of the State office of the citizens of Oregon, so you can pass laws without opposition to the whims of some of the politicians who are afraid of standing up to Brown. Stop the insanity and listen to the law abiding citizens of Oregon.
