

Chair Prozanski, Vice-Chair Thatcher

Please accept this brief but deep OPPOSITION to SB554. I have been an Oregon resident for 73 years and currently reside in Wilsonville, Oregon. SB554 penalizes citizens who believe strongly in our 2nd amendment rights, while widening the door for those who choose to ignore the laws and moral responsibilities of law abiding citizens. It would NOT serve to protect, but to jeopardize the freedom and safety of those who seek nothing more than personal safety and the safety of their families. Thank you.
