

"Chair Prozanski, Vice-chair Thatcher",

My name is Roberta Goodnature.

I submit this testimony in opposition to Senate Bill 554.

Life, liberty, and property do not exist because of law. Life, liberty, property and my own personal and just pursuits exist naturally as part of my own human dignity and natural rights. These rights are mine and existed long before any human policy-makers came onto the scene.

I advise this committee to Kill The Bill SB 554!

Thank You,
Roberta Goodnature
