

"Chair Prozanski, Vice-chair Thatcher"

My name is David Sommers. I come before you today in opposition to senate Bill 554.

By enacting such a Bill you will be taking away the freedoms and rights of law abiding citizens. Our tax dollars. Our votes, put you in office to speak for "we the people" yet you are over reaching your authority and driving your own agendas. Not ours. You will NOT be protecting the people, as any criminal will not be abiding by this law anyway, so in affect you will just be penalizing the law abiding citizens, and put controls in place that mean nothing to a criminal. The criminals DO NOT CARE, they can get guns a plethora of places. This will not stop them, and they will still enter public places with them.

If you are afraid of guns, then perhaps you should spend our tax dollars on educating people about how to safely handle guns. Not take away their second amendment right, but educate.

This is a poorly written Bill and needs to be killed.

thank you.
