

Dear Chair Prozanski, Vice-chair Thatcher,

My name is Robert Wagner and I've been a proud Oregonian for the past 20 years. I love this state, and I love this country. And because of that, I come before you in strong opposition to Senate Bill 554.

As clearly stated in the Second Amendment of our Bill of Rights:

"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed."

As clearly stated in your Oath of Office:

"I, \_\_\_\_, do solemnly swear that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God."

I strongly advise the committee to KILL the BILL.

Thank you, and may God bless the State of Oregon and these United States of America!
