

"Chair Prozanski, Vice-chair Thatcher"

My name is William Bumgardner and I come before you in opposition to Senate Bill 554. This bill would effectively enable local governing bodies to override the Constitution, Bill of Rights, and state law. By allowing each community to be independent and different, lawful citizens may unknowingly violate the law and risk criminal punishment just by traveling through a city or places like an airport.

This is not a common sense bill.

Please kill this bill.

Thank you for allowing me to submit my testimony.
