

Our founding fathers recognized certain unalienable rights, meaning those that were given to us by God and cannot be overridden by legislative bodies. Among those was the right to keep and bear arms and they were not to be infringed upon. Infringed means any law that would seek to eliminate or encroach upon in any way that would violate that right. They did not recognize this right so that we could hunt game. They recognized the need for a citizen to arm themselves to protect them against citizens who seek to do them harm or from tyranny by a government entity.

This proposal is tyranny, unconstitutional and must be stopped now. Oregon overwhelmingly opposes this measure and knows exactly why you would seek to push it through. The only thing this bill accomplishes is to turn law abiding citizens into felons and does nothing to the criminals who will never abide by it, as they have always done

Votes have consequences. Although you have defrauded the Oregon votes for years with your mail in ballots, your efforts, if passed, will not be unnoticed and you will be held accountable.

Stop this blatant attempt to strip us of our rights and leave us defenseless. You are misguided in your efforts and prove you no longer represent the citizens of Oregon and are only pushing you flawed opinions.
