

Chair Prozanski, Vice-chair Thatcher

My name is Ruth Priebes.

I come before you in opposition to Senate Bill 554

I have deep concerns about making in roads into crippling the second amendment of this country. Most CHL people have training and only wish to protect themselves and loved ones. The police usually arrive after the crime, not in time to stop it. Criminals do not follow laws and this will not stop them, this will only trap law abiding citizens. I ask the committee to Kill the Bill. Thank you.
