

Chair Prozanski, Vice Chair Thatcher,

I am opposed to Bill SB554, Concealed Weapon Law. Lets not focus on more gun laws for law-abiding Citizens but on keeping fire arms from Criminals. What we need now and what the citizens of Oregon want to see happen:

*Open our schools

*End Lockdowns, open all businesses

*Vaccinations. People in groups 1A and 1B are still waiting.

*Protect our citizens and our Constitution

Thank you
