

Cow Creek Band of Umpqua Tribe of Indians

February 1, 2021

Committee Members,

The Education Department of the Cow Creek Tribe supports the establishment of a Tribal Hub for the ODE/ELD Preschool Promise Program.

Tribal families and their children face unique barriers to access quality early education. By establishing a Tribal Hub you create a network of providers, administrators, and other stake holders who are well informed and invested in removing these barriers.

Establishing this Tribal Hub will best serve the underserved in our Nine Tribes of Oregon.

Respectfully,

Sandy Henry
Director of Education
Cow Creek Band of the Umpqua Tribe of Indians
