

Hello Chair Prozanski and Vice Chair Thatcher,

I am shocked at how people have lost their critical reasoning skills. I am a CHL holder in Marion County. It was a stringent process to get that license. I am also a female and do not take the license lightly. Why are legislators conjuring up legislation for the wrong people? Were there no takeaways from the riots of 2020?

I oppose SB554.

Thank you,

Tina Herman
