

Chair Prozanski, Vice Chair Thatcher:

My name is James V. Siano, Sr.

I come before you in opposition to Senate Bill 554.

This Bill, if enacted, would force the law abiding citizen to disarm and place his weapon in his or her vehicle. This loss of custody would expose the public at large to vehicle breakins to steal the weapon and put the public in extreme danger.

This proposed law is in direct violation of both the letter and spirit of Section 27 of the Oregon Constitution and the 2nd Amendment of United States Constitution.

I urge the committee to Kill the Bill!

Thank you for your consideration in this important matter.
