

Hello, As a citizen of Oregon for all of my 51 years I urge you to do whatever it takes to protect Oregonians right to defend themselves. Over just the last year we have seen things get dramatically worse to Oregon Tax payers and Families. We have gangs like Antifa and BLM destroying our cities and showing no regard for property or the lives of Oregonians. We see people like Ted Wheeler and BLM trying to defund our overworked police force. We see DA's letting these people committing acts of violence let go time after time and not being charged with crimes. We see convicted criminals being released from prison due to Covid-19. We see the state of Oregon allowing more drug use and making our streets even less safe for law abiding families.

We are responsible gun owners and deserve to keep our God-Given right to protect our families and ourselves from this very dangerous environment we are allowing to evolve in Oregon.

Please, Please do whatever it takes to defend the Law abiding citizens right to protect themselves and families. Do not allow these proposed infringements on our God-Given and Second Amendment rights to go though. Please stand strong!!!

Thank You,  
Daren Elliott
