Greetings Chair and Members of the Committee,

My name is Teresa Dinsmore, the Community Relations Director for Prestige Senior Living Southern Hills, on behalf of our entire Prestige Community we want to "Thank you" for recognizing such an amazing individual Gladys Pate for her 100th Birthday.

The day Gladys moved into our community she was adored by all. Gladys has a quick wit about her, she is the most genuine person one could ever hope to meet, she has an amazing soul and touches the lives of many. We are so happy to call Gladys one of our own, we love to get to interact with Gladys on a daily basis. She brings smiles to those around her.

Happy 100th Gladys let's make it through the tough times of 2021, just as we did in 2020.

We want to celebrate #101 with you!

Sincerely,

Teresa Dinsmore
Community Relations Director
