

Chair Prozanski, Vice-Chair Thatcher, and Members of the Senate Committee on Judiciary and Ballot Measure 110 Implementation,

My name is Mason Drummond and I'm a student in Portland. I am writing today to urge you to support SJR 10.

Slavery should be totally abolished statewide and nationally. With slavery in the Oregon Constitution, we're saying that we value dehumanization, discrimination, violence, injustice, and racism. We must advance equity, and this proposed amendment is a crucial part of doing so.

I urge you to support and pass SJR 10.

Thank you,
Mason Drummond
