

SB 571 -2, -3 STAFF MEASURE SUMMARY

Senate Committee On Judiciary and Ballot Measure 110 Implementation

Prepared By: Gillian Fischer, Counsel

Meeting Dates: 2/24, 3/10, 3/24

WHAT THE MEASURE DOES:

Allows persons convicted of felony to register to vote, update voter registration and vote in elections while incarcerated. Specifies that person's residence is where person resided prior to incarceration. Directs the Secretary of State to establish, by rule, procedures to allow for persons convicted of felony to register to vote, update voter registration and vote in elections while incarcerated.

ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

-2 Replaces the measure. States that a person convicted of a felony and sentenced to a term of incarceration does not lose their right to register to vote, update a registration, or vote in any election in this state. Takes effect on the 91st day following sine die.

-3 Authorizes the Secretary of State, in consultation with the Department of Corrections, cities, and counties, that operate local correctional facilities, to establish, by rule, certain procedures to facilitate voting registration and participation as specified by measure. Directs the Secretary of State to establish by rule a process for identifying the last voluntary residence of the individual prior to the confinement for the purposes of the individual registering to vote or updating the individual's voter registration.

BACKGROUND:

Under ORS 137.281 a person convicted of any crime and serving a term of imprisonment in any federal correctional institution in this state is deprived of the rights to register to vote, update a registration or vote in any election in this state from the date of sentencing until: (a) The person is discharged or paroled from imprisonment; or (b) The person's conviction is set aside.

SB 571 removes the above voting restrictions for incarcerated individuals and allows those individuals to register to vote in their county of residence prior to incarceration.
