

SUBCOMMITTEE RECOMMENDATION

SB 5543

Department of Transportation fee bill

To: Ways and Means Full Committee
From: Transportation and Economic Development Subcommittee
Carrier: Representative Gomberg

SB 5543 adopts fees instituted by the Department of Transportation and approved by the Department of Administrative Services during the 2019-21 interim.

The fees are for preliminary and final certification of short line railroad rehabilitation, and a \$30 fee for the issuance, renewal or replacement of a Real ID. The rail certification fees are anticipated to generate a combined total of approximately \$25,000 in the 2021-23 biennium, while Real ID fee revenue is expected to generate \$19.5 million, which supports costs associated with issuing the document.

The Transportation and Economic Development Subcommittee recommends SB 5543 be reported out do pass.
