##### BACKGROUND:

The right of homeless children and youth to have equal access to the same free, appropriate public education provided to other children is ensured under the federal McKinney-Vento Homeless Assistance Act, Subtitle VII-B, Education of Homeless Children and Youth Program, enacted in 1987. Students qualify for McKinney-Vento Homeless Program assistance when they reside in living situations that are not fixed, regular, and/or adequate. The ODHS Runaway and Homeless Youth (RHY) program is responsible for coordinating statewide planning for delivery of services to runaway and homeless youth and their families. Oregon's Runaway and Homeless Youth (RHY) Program began under the Oregon Commission on Children and Families (OCCF) in 2005, however OCCF was abolished in 2011 and the responsibility for the coordination and delivery of services to runaway and homeless youth was transferred to DHS. In 2015, the legislature directed DHS to enhance services for runaway and homeless youth, appoint an advisory committee and begin making annual reports related to the program. In July 2021, the Oregon State Legislature passed House Bill 2544, which allows ODHS to award two-year grants to organizations currently providing services to unaccompanied homeless youth through the RHY grant program.

House Bill 4013 expands the unaccompanied homeless youth grant program eligibility and creates a pilot program in the Department of Education to assist schools in preventing student homelessness.
