Analysis:

HB 4072 - 1 eliminates the one-day angling license administered by the Oregon Department of Fish and Wildlife (ODFW), and decreases the rates for a one-day angling and shellfish license from \$32.50 to \$23.00. This measure has no effective date so is assumed to take effect on January 1, 2023.

This change in the licensing structure is estimated to decrease ODFW revenues by \$113,850 Other Funds in the 2021-23 biennium, and \$475,887 Other Funds in the 2023-25 biennium, based on projections of the proportion of customers who would spend less money to include the shellfish license on an angling trip.

This measure warrants a subsequent referral to the Joint Committee on Ways and Means for consideration of its budgetary impact.
