Savings of SERV-OR Volunteers

- Cost Saving Methods
 - HHS federal grant funds can be matched by hourly volunteer contributions
 - The value of a volunteer hour is on average \$28.54 per hour
 - Low administrative coordination overhead
- Hourly Savings
 - Most SERV-OR volunteers are Registered Nurses
 - In 2020, SERV-OR volunteers contributed 9,272.80 hours of emergency volunteer service.
- Efficiency and Mission Flexibility
 - Volunteers can fill intermittent and small mission assignments

Thank you!
