

SUBCOMMITTEE RECOMMENDATION

HB 4124

Relating to the collection of student data

To: Ways and Means Full Committee
From: Education Subcommittee
Carrier: Senator Frederick

HB 4124 requires the Oregon Department of Education to survey academic assessments administered by school districts, establish best practices related to district-level assessments, and make recommendations regarding the use of assessments. The measure requires the timely transfer of complete educational records in certain circumstances, as well as a report to the Legislature and to the State Board of Education by May 1, 2024 on the required elements of the survey.

The -A2 amendment appropriates \$193,482 General Fund to the Department of Education for one limited-duration position to conduct the survey and provide the required report.

The Education Subcommittee recommends HB 4124 be amended by the -A2 amendment and be reported out do pass, as amended.
