

Open Government Impact Statement

81st Oregon Legislative Assembly
2022 Regular Session

Measure: HB 4083 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 2/17/2022

SUMMARY

Requires individual and group health insurance policies, health care service contractors and multiple employer welfare arrangements to provide reimbursement for at least three primary care visits annually in addition to one annual preventive primary care visit covered without cost-sharing. Exempts commercial plans offered to public employees by Public Employees' Benefit Board and Oregon Educators Benefit Board.

Prohibits individual and group health insurance policies, health care service contractors, multiple employer welfare arrangements and, beginning January 1, 2024, state medical assistance program from denying coverage for services provided by behavioral health home and patient centered primary care home because services were provided on same day or in same facility. Limits copayments for services provided by behavioral health home and patient centered primary care home on same day or in same facility.

Prohibits individual and group health insurance policies, health care service contractors, multiple employer welfare arrangements and, beginning January 1, 2024, state medical assistance program from requiring prior authorization for specialty behavioral health services provided at behavioral health home or patient centered primary care home.
