Summary of Revenue Changes

The General Fund appropriations made in HB 5202 are within resources available as projected in the March 2022 economic and revenue forecast by the Department of Administrative Services Office of Economic Analysis. General Fund resources forecasted for the 2021-23 biennium have increased \$2.6 billion over the level assumed in the 2021-23 legislatively adopted budget, including \$420.1 million from unexpended 2019-21 appropriations reverted to the General Fund.

Summary of Capital Construction Subcommittee Action

HB 5202 is the omnibus budget reconciliation bill for the 2022 legislative session and implements core components of a statewide budget plan that addresses changes in projected revenues and expenditures since the close of the 2021 session. The Subcommittee approved HB 5202 with amendments to reflect budget adjustments described in the subsequent narrative.

Statewide Adjustments

EMPLOYEE COMPENSATION DISTRIBUTION

The Subcommittee approved \$199.8 million General Fund in state agencies' budgets for employee compensation increases and pension obligation bond cost adjustments. The General Fund appropriation is expected to cover 100% of statewide cost estimates for compensation and benefit changes agreed to through collective bargaining or other salary agreements; it is almost fully supported by the release of a \$198 million special purpose appropriation to the Emergency Board set aside by the 2021 Legislature for this use. In addition to General Fund monies, the compensation adjustments include \$4.4 million Lottery Funds, \$144.8 million Other Funds, and \$69.6 million Federal Funds.

Section 467 of HB 5202 reflects the changes, as described above, for each agency. These adjustments are not addressed in the agency narratives, although they are included in the table at the beginning of the budget report.

OTHER STATEWIDE ADJUSTMENTS

Other statewide actions also include budget adjustments in multiple agencies to apply Other Funds balances generated through excess bond proceeds and interest earnings to debt service. Total net debt service savings are \$2.7 million General Fund and \$4.6 million Lottery Funds. New Other Funds expenditure limitations for the Department of Justice (\$52,430) and the Oregon Judicial Department (\$274,570) are established to accommodate the use of fund balances for debt service payments, while existing Other Funds expenditure limitations for a number of other agencies are collectively increased by \$7.7 million.

Sections 71, 78, and 466 of HB 5202 reflect the changes, as described above, for each agency. These adjustments are not addressed in the agency narratives, although they are included in the table at the beginning of the budget report.

The Subcommittee approved technical adjustments totaling \$6.7 million General Fund for Judicial Branch agencies and \$24.4 million General Fund for Legislative Branch agencies to recognize unexpended General Fund by those agencies from the 2019-21 biennium. Both the Judicial Branch and the Legislative Branch are allowed by statute to retain unexpended General Fund appropriations from the previous biennium.

Emergency Board

Emergency Board

As part of the 2021-23 biennium statewide rebalance plan, HB 5202 adjusts the Emergency Board's special purpose appropriations as outlined below; the general purpose emergency fund of \$50 million General Fund is not modified.

- Eliminates the special purpose appropriation for state employee compensation changes of \$198 million and made General Fund appropriations to various state agencies of \$199.8 million for employee compensation changes and related adjustments.
- Eliminates the \$20 million special purpose appropriation for compensation changes driven by collective bargaining costs of workers who are not state employees added it to the Department of Human Services' budget for bargained compensation increases.
- Reduces the \$10 million General Fund special purpose appropriation for family treatment court programs by \$2,065,430; the funding was appropriated to the Oregon Judicial Department, Public Defense Services Commission, and the Department of Human Services.
- Eliminates the \$2.5 million special purpose appropriation for implementation of pretrial release modifications authorized under SB 48 (2021) and appropriated the funding to the Oregon Judicial Department for that purpose.
- Reduces the \$14 million special purpose appropriation made for fire severity resources by \$6,146,267, which corresponds to a General Fund increase for the Department of Forestry in the same amount, to enable the agency to pay severity resource expenses incurred for the 2021 forest fire season. The special purpose appropriation balance of \$7,853,733 remains available for future needs this biennium.
- Eliminates the \$1 million special purpose appropriation for purposes of the Oregon Conservation and Recreation Fund, which helps support a \$5 million General Fund deposit into the Fund.
- Eliminates the \$1,807,561 special purpose appropriation created for preparing the Office of the State Fire Marshal to become a separate state agency on July 1, 2023; the funding was provided to the Office and will support 19 positions (5.50 FTE) in the new agency.
- Eliminates the \$15,859,656 special purpose appropriation for addressing child welfare-related position needs in the Department of Human Services and appropriated the corresponding amount of General Fund to the Department for this purpose.
- Eliminates the \$49 million special purpose appropriation for behavioral health system transformation to support system investments and planned rate increases.
- Reduces the \$20 million special purpose appropriation made for addressing staffing issues at the Oregon State Hospital; \$10.8 million was provided to the Oregon Health Authority to add staff capacity, with the balance of \$9.2 million available for future allocation.

- Reduces, by \$3,228,818, the \$5.1 million special purpose appropriation made for the creation of the Department of Early Learning and Care. This amount was appropriated to the Department of Education to fund 34 positions (12.38 FTE) and other start-up costs associated with the new agency; the balance of \$1,901,447 remains available for allocation later in the biennium.
- Reduces the special purpose appropriation for the natural disaster prevention, preparedness, response, and recovery activities by \$25 million to help pay for drought resiliency and preparedness efforts. This leaves the balance at \$26.3 million for future allocation.
- Increases, by \$45 million, the special purpose appropriation for allocation to the Oregon Health Authority or the Department of Human Services for caseload costs or other budget issues that the agencies are unable to mitigate; the new amount totals \$100 million.
- Establishes a special purpose appropriation in the amount of \$5,125,000 for allocation to the Department of Justice, Division of Child Support, for the Child Support Enforcement Automated System.
- Establishes a special purpose appropriation in the amount of \$19 million to be allocated to the Higher Education Coordinating Commission for an Oregon Tribal Student Grant program.
- Establishes a \$10 million special purpose appropriation to be allocated for establishing a grant program, loan program or lending program for the purpose of providing financial assistance to employers to mitigate the costs associated with compliance with the overtime compensation requirements under section 2 of House Bill 4002 (2022).
- Establishes a special purpose appropriation of \$50 million for allocation to the Department of Forestry for cash flow needs. The funding is for anticipated operational needs of the agency that may be compromised due to the financing of emergency firefighting costs while awaiting reimbursement of those costs from other sources.
- Establishes a \$42.5 million special purpose appropriation for increasing behavioral health provider rates by an average of 30%. The subcommittee approved the following instruction:

BUDGET NOTE: The \$42.5 million special purpose appropriation is intended to increase provider payment rates an average of 30% for behavioral health services under the medical assistance program for the purpose of improving access, maintaining provider networks, increasing wages, and retaining workers. Except to the extent delayed while waiting for approval from the Centers for Medicare and Medicaid Services, OHA shall increase fee-for-service payment rate increases effective no later than July 1, 2022, and all other payment rate increases no later than January 1, 2023. OHA shall propose strategies to measure the extent to which coordinated care organizations (CCOs) pass the rate increases through to behavioral health providers and strategies by which CCOs and OHA will measure the impact of the rate increase on behavioral health provider stability and capacity. OHA shall report these proposed strategies, in addition to an update on rate implementation, at the next meeting of the Emergency Board.

In most cases, if remaining special purpose appropriations are not allocated by the Emergency Board before December 1, 2022, any remaining balances become available for the Emergency Board for general purposes or will be available to the 2023 Legislature for any purpose.

Adjustments to 2021-23 Agency Budgets

ADMINISTRATION

Department of Administrative Services - American Rescue Plan Act (ARPA)

As part of HB Bill 5006 (2021), \$240 million in federal American Rescue Plan Act funds were approved for the Department of Administrative Services (DAS) to distribute in each Senate and House district in the amounts of \$4 million per Senate district and \$2 million per House district, for member-identified projects. After session, a subset of the projects required adjustments to project or descriptions. The Subcommittee approved the following revisions to the 2021 session member ARPA projects:

- \$1,000,000 - Oregon State Marine Board - Abandoned and Derelict Boats (S-21)
- \$1,000,000 - Oregon Judicial Department - Modernize OJD electronic access to records (S-22)

The 2022 session budget plan fully allocates the remaining ARPA State Fiscal Recovery Fund and Capital Project Fund balances of \$338.1 million and \$36.8 million, respectively, for the purpose of expenditures and activities to respond to the COVID-19 public health emergency and its economic impact. Specific expenditures covered by ARPA are described under relevant state agency report sections.

Department of Administrative Services

The Subcommittee approved two Department of Administrative Services (DAS) requests recommended during the January meeting of the Interim Joint Committee on Ways and Means. The first increased Other Funds expenditure limitation by \$1,669,855 and authorized the establishment of two permanent full-time positions (1.16 FTE) for the Chief Human Resources Office to support the newly independent Oregon Department of Emergency Management (ODEM) and to address increased statewide training costs. The second increased Other Funds expenditure limitation by \$2,127,233 and authorized the establishment of 7 permanent full-time positions (5.46 FTE) and 4 limited duration full-time positions (2.33 FTE), for the Enterprise Goods and Services Division to address the following staffing needs:

- Out-of-State Workforce - \$1,344,816 Other Funds, two limited duration payroll positions (1.00 FTE) and six permanent positions (4.58 FTE), to manage work related to payroll for out of state workers, including registering and filing payroll tax exemptions with each state;

and for the DAS Risk Management to identify and address out-of-state exposures, including managing statewide policies, developing multi-state OSHA compliance, reviewing and updating insurance policies, and managing out-of-state workers compensation claims.

- OregonBuys Project - \$210,724 Other Funds, one limited duration Project Director (PEM F) position (0.75 FTE), to support Phase 2 of the DAS e-procurement modernization project.
- Reestablish the Division Administrator Position - \$421,114 Other Funds, one PEM H position (0.88 FTE), to restore an administrator position to lead the Enterprise Goods and Services Division.
- Temporary Support for New Agencies - \$150,579 Other Funds, one limited duration Procurement and Contract Specialist 3 position (0.58 FTE), to provide procurement services for newly independent state agencies (Emergency Management and State Fire Marshal).

To help provide legislators information on compliance within the Oregon Forward program, which is a state-run purchasing program promoting meaningful job opportunities for adults living with disabilities, the Subcommittee approved the following budget note:

BUDGET NOTE: The Oregon Forward program of the Department of Administrative Services will study the compliance of state agencies and local governments of OAR 125-055-0005 through OAR 125-055-0040. The Department shall provide a report to the Legislative Fiscal Office and to the legislative interim committees on Business with recommendations for improved compliance no later than September 30, 2022.

Two technical adjustments were approved to accurately reflect expenditure limitation values for the Office of the State Chief Information Officer and special payments from proceeds of previously issued bonds.

The Subcommittee approved, on a one-time basis, a \$4,000,000 General Fund appropriation and an increase of \$3,400,000 Other Funds expenditure limitation and for Enterprise Asset Management to purchase and operate additional fleet vehicles to accommodate requests from agencies related to staffing increases for the 2021-23 biennium.

A one-time \$3,345,000 General Fund appropriation was approved for the agency's Enterprise Information Services Division to support maintenance and operations of the Enterprise Microsoft 365 system.

The Subcommittee approved \$398,139 Federal Funds expenditure limitation for monies from the American Rescue Plan Act State (ARPA) Fiscal Recovery Funds for the Enterprise Information Services Division to enhance the functionality of the agency's Workday human resource information system to support case management and compliance needs.

In addition, the Subcommittee approved \$26,323,860 Federal Funds expenditure limitation for monies from the American Rescue Plan Act State (ARPA) Fiscal Recovery Funds for the Enterprise Information Services Division to expend on the following enterprise-wide broadband and cybersecurity investments:

- \$7,250,000 to continue the state’s partnership with Link Oregon.
- \$5,393,046 for contracted services to enhance the efficiency of network security operations, support the integrated risk management program, and maintain Security Operations Center infrastructure.
- \$7,230,256 to support the Cyber Security Services (CSS) network security equipment lifecycle replacement plan.
- \$3,085,756 to plan the implementation of Microsoft 365 security tools.
- \$3,364,802 and the establishment of 11 limited duration positions to support planning efforts for the Network and Security Modernization Program.

A one-time General Fund appropriation of \$500,000 was approved for DAS to contract with a third-party organization to assess gender-responsive practices at the Coffee Creek Correctional Facility. The purpose of the assessment is to establish a baseline for a strategic planning process, policy recommendation and improved protection of individuals serving sentences of incarceration at Coffee Creek Correctional Facility. Work on the assessment is anticipated to start by September 1, 2022. DAS and the third-party organization is expected to coordinate with the gender-responsive coordinator in the Governor’s Office and include the coordinator in the assessment process.

The assessment is expected to include a review of: (1) intake; (2) placement; (3) risk assessment; (4) case management; (5) mental, behavioral and physical health services; (6) vocational programs; (7) rehabilitation programs; (8) correctional staff; (9) organizational structure; and (10) reentry and transition programming. The assessment should also include whether there are currently in place adequate protections, policies, procedures, oversight and hiring practices to ensure that individuals serving sentences of incarceration at Coffee Creek Correctional Facility are not subjected to sexual assault or sexual harassment and to determine whether the current responses to sexual assault or sexual harassment are gender-responsive, culturally responsive and trauma-informed.

Several one-time General Fund appropriations were also approved by the Subcommittee for the Department to distribute the following entities for the following purposes:

- \$120,000,000 for distribution to the Portland Public Schools district for the relocation the Harriet Tubman Middle School.
- \$65,000,000 for distribution to the Oregon Worker Relief Fund to provide financial support directly to Oregonians who have lost their jobs but are ineligible for Unemployment Insurance and federal stimulus and safety-net programs due to their immigration status.
- \$100,000 for distribution to the Portland Council Navy League of the United States, USS Oregon (SSN 793) Commissioning Committee to support celebration events related to the commissioning ceremony of the USS Oregon (SSN 793) submarine.
- \$1,000,000 for distribution to Harmony Academy for program capacity, student transportation, and development of a statewide plan for expansion.
- \$10,000,000 for distribution to Metro for trash and sanitation services. Funds are intended to be utilized for trash pick-up, debris clean-up, abandoned vehicle removal, provision of dumpsters and trash bins and related employee/contractor costs associated with voluntary trash collection and mitigation. Funds are not intended to be utilized for activities associated with camp site removal or to backfill city funding.

To support the expansion of access to child care in Oregon, the Subcommittee approved nearly \$100 million General Fund on a one-time basis for a variety of programs that bolster and support the child care sector; \$39.3 million of this amount was appropriated to DAS to distribute to nonprofit agencies as follows:

- \$8.2 million General Fund for NeighborImpact’s *Rebuild Childcare* Plan, which will fund child care program expansions and support new child care programs in central Oregon by funding operating expenses, renovation costs, and training and business development plans for child care providers.
- \$1.2 million General Fund for Euvalcree’s *Rebuild Childcare* Plan, which will fund renovation of the Euvalcree Center in Ontario, Oregon, and will provide training, professional development, and start-up operating costs for an estimated ten new in-home child care providers.
- \$7.9 million General Fund for the United We Heal Training Trust’s *Rebuild Childcare* Plan, which will fund child care provider capital grants of up to \$14,000 for in-home providers and up to \$70,000 for child care centers; equipment grants of up to \$1,000 per provider; an accounting shared services pilot program; training, coaching, and mentorship for new providers; sub-awards for developing new black, indigenous, people of color (BIPOC)-focused child care centers; and administrative and operating costs.
- \$22 million General Fund for Seeding Justice’s Capacity Building Grant Fund. \$19 million is for grants to culturally specific and other child care providers to become licensed, to expand services, or to start new child care centers; \$3 million is for program management costs, including technical assistance for grantees, data collection, evaluation, and reporting.

Please see the Department of Education and the Higher Education Coordinating Commission sections of this report for additional details of this investment to support the expansion of access to child care in Oregon.

Some components of the \$400 million housing package flow through the DAS budget; the Subcommittee approved various one-time General Fund appropriations to DAS to distribute to various entities to support community organizations and activities for the purpose of increasing affordable housing supply, and for supporting shelter and homelessness response efforts in specific communities. These include the following:

- \$15 million for distribution to the Society of St. Vincent de Paul of Lane County to serve as start-up capital for the creation of Community Housing Provider, a not-for-profit entity. Community Housing Provider will produce manufactured housing for low income buyers and rental housing for not-for-profit entities. It’s anticipated the facility could create between 50-60 jobs, significantly reduce wait times for production of housing units, and prioritize delivery for affordable models and for those impacted by wildfires. Funds are expected to enable production of units to begin in 6-12 months.
- \$50 million for distribution to the Oregon Community Foundation (OCF), which will in turn make grants by Dec. 31, 2023, for community supported projects to convert motels and other existing structures to shelters and temporary housing throughout the state, following the model of a 2020-21 grant-making process known as Project Turnkey under which OCF vetted grant applicants and proposed sites. OCF’s administrative costs for administering Project Turnkey will be covered as part of this appropriation. The Oregon Department of Housing and Community Services plans to prioritize Project Turnkey sites within its funding mechanisms for continuing site operations, which will include program monitoring of operational funds.

- \$5 million for distribution to the Hacienda Community Development Corporation to establish a revolving loan fund to serve first-time homebuyers, focusing on homebuyers who are Latino and Black, Indigenous and Persons of Color at 100-120% of area median income; the loan fund will enable Hacienda Community Development Corporation to provide down payment assistance and mortgage insurance to clients that receive housing counseling.
- A combined total of \$25 million to local governments for responses to homelessness. Funds are specifically directed to the following entities: Multnomah County (\$10 million); Washington County (\$750,000); Clackamas County (\$2 million); City of Hillsboro (\$1 million); City of Beaverton (\$750,000); City of Eugene (\$5 million); City of Salem (\$2.5 million); City of Bend (\$1.5 million); and the City of Medford (\$1.5 million). Allowable uses of the funds are:
 - Support for temporary emergency shelters, sanctioned camping, safe parking sites, and navigation centers that are low barrier, that have a maximum capacity of 150 people, that are connected to services, and that are voluntary for all individuals who utilize them. Funding can be used for acquisition renovation and operational costs for facilities that meet these criteria, as well as support for residents.
 - Hygiene services including portable toilets, shower trucks, laundry services, storage, washing stations, hygiene supplies and related services to people experiencing homelessness.
 - Outreach services to connect people to shelter, housing, and services.

Funding may not be used by local governments to backfill existing revenue streams or funds.

- A combined total of \$3 million for trash and sanitation expenses for cities outside the Portland Metro area. Funds are intended to be utilized for trash pick-up, debris clean-up, abandoned vehicle removal, provision of dumpsters and trash bins and related employee/contractor costs associated with voluntary trash collection and mitigation. Funds are not intended to be utilized for activities associated with camp site removal or to backfill city funding. Funds are allocated to the following cities: City of Eugene (\$750,000); City of Salem (\$750,000); City of Bend (\$400,000); City of Medford (\$350,000); City of Springfield (\$250,000); City of Corvallis (\$250,000); City of Albany (\$250,000).

As part of wildfire recovery efforts, the Subcommittee approved various one-time General Fund appropriations to DAS to distribute to the following entities for the following purposes:

- \$85,661 for distribution via the City of Gates to the Gates Rural Fire Protection district to offset the District's revenue losses from the 2020 wildfires.
- \$69,722 for distribution via the City of Stayton to the Stayton Rural Fire Protection District to offset the District's revenue losses from the 2020 wildfires.
- \$2,534,000 for distribution to the City of Phoenix Public Safety Center.
- \$375,000 for distribution to the Eugene Water and Electric Board for the Powder Activated Carbon Water Treatment Improvement Project.

Approval of an additional \$13 million in Article XI-Q Bonds authorized in SB 5701 to address the increasing costs of the North Valley Complex (also known as the Wilsonville building) requires Other Funds expenditure limitation of \$195,000 for cost of issuance for the bonds.

The Subcommittee approved an increase of \$21,307,675 Other Funds expenditure limitation for special payments associated with the disbursement of proceeds from Lottery Bonds approved in SB 5701 to be disbursed to the following grantees:

The remaining \$74,716,564 of the total expenditure limitation increase will be transferred to the Department of Corrections for expenditures and activities to respond to the COVID-19 public health emergency.

Office of the Governor

The Subcommittee approved \$365,928 General Fund for a Principal Executive Manager G (0.63 FTE) to serve as the corrections ombudsman, which the Governor is required to appoint under ORS 423.400. The current Governor has not appointed anyone to serve as the required corrections ombudsman during their administration. The ombudsman position would provide access to an independent individual with knowledge of the Department of Corrections (DOC) policies and procedures, as well as, the legal and constitutional protections afforded individuals in DOC custody. The duties of the Correction Ombudsman are fully detailed in ORS 423.405 - 423.450.

The Subcommittee approved \$199,106 General Fund for a Principal Executive Manager G (0.42 FTE) to serve as a corrections gender-responsive coordinator. It is expectation that the individual chosen to serve as the coordinator will have adequate training on gender-responsive, culturally responsive and trauma informed correctional practices and appropriate standards, policies and practices for individuals serving sentences of incarceration. The position will assist in the assessment of the Coffee Creek Correctional Facility being conducted by the Department of Administrative Services and ensure that those who are incarcerated or formerly incarcerated are able to participate in this assessment process. Work on the DAS study is anticipated to start by September 1, 2021.

The Subcommittee also approved the transfer of the budget for the Office of Immigrant and Refugee Advancement from the Office of the Governor to the Department of Administrative Services (DHS) in compliance with the anticipated passage of SB 1550. The funding for the office was approved during the 2021 session with the passage of SB 778. The Office of the Governor had yet to hire any positions or incurred any expenses related to setting up the new Office, therefore the full previously authorized funding amount of \$1,376,037 General Fund and all four positions (3.83 FTE) were removed from the budget for the Office of the Governor and transferred to DHS.

Oregon Liquor and Cannabis Commission

For the Oregon Liquor and Cannabis Commission (OLCC), the Subcommittee approved an Other Funds expenditure limitation increase of \$504,000 to continue development of the online beer and wine privilege tax reporting system. System changes will enhance user functionality and increase technical support for stakeholders. Other Funds expenditure limitation in the amount of \$210,000 was approved to replace a faulty main sewer line to the agency's existing headquarters building, which was constructed in 1954. Agency staff will remain in this facility until a new headquarters and warehouse facility is constructed, and the basic health and safety infrastructure must be maintained.

An increase in the amount of bonds authorized for issuance for OLCC projects was approved by the Subcommittee, to reflect cost increases in labor, materials, and the price of suitable, buildable acreage along the I-5 corridor. Costs estimates for a new warehouse and headquarters facility, an automated order fulfillment and conveyor system, and modernization of OLCC's information systems were developed in 2018. Since that time, the supply of suitable land has decreased, while labor and material shortages along with inflation have resulted in funding shortfalls for the technology and land/warehouse projects in the 2021-23 biennium. The Bond Authorization bill (SB 5701) includes an additional \$5 million in Article XI-Q bonds for the agency's automated conveyor and order fulfillment system, resulting in the need for additional Other Funds expenditure limitation in the amount of \$30,000 in HB 5202 to cover cost of issuance. A further \$77,917,783 in article XI-Q bonds was approved in the Capital Construction bill for land acquisition and construction of a warehouse/headquarters facility; associated cost of issuance for that bond sale requires additional Other Funds expenditure limitation in HB 5202 of \$792,217. Debt service for the 2021-23 biennium will decrease by \$3,117,526 because the sale of bonds for the projects will be delayed until the spring of 2023. Bonds, debt service and cost of issuance on these projects will be paid with liquor revenue; these bonds do not count toward the state's bond limit. The following table illustrates the total amount of bonds authorized for each of the projects:

Project Description	2021 Approved Bond Authority	2022 Additional Bond Authority	2021-23 Total
Land Acquisition/Warehouse and Headquarters Facility	\$53,170,000	\$78,710,000	\$131,880,000
Information Technology Systems Modernization	\$27,390,000	\$ -30,000	\$27,360,000
Conveyor and Order Fulfillment System	\$10,175,000	\$5,030,000	\$15,205,000

Public Employees Retirement System

The Subcommittee approved \$17.3 million of General Fund, on a time-time basis, for deposit into the Employer Incentive Fund and a supplement increase of \$17.5 million in Other Funds expenditure limitation, on a one-time basis, for expenditure from the Employer Incentive Fund into employer side accounts in order to meet the state matching funds requirement under current law.

The Subcommittee approved \$2.7 million in supplemental Lottery Funds expenditure limitation (sports betting revenue), on a time-time basis, to reconcile with the Department of Administrative Services - Office of Economic Analysis revenue forecast (March 2022). The

combination of General Fund and forecasted Lottery Funds revenue has been estimated to be sufficient to meet state matching funds requirements to resolve the current waitlist and is expected to add a total of \$184 million in side account assets, which includes employer contributions of \$148.1 million and state matching funds totaling \$36.6 million.

Oregon Racing Commission

A \$53,106 Other Funds expenditure limitation increase and one permanent half-time position (0.25 FTE) was approved for the greyhound racing reporting requirements in SB 1504 (2022).

Department of Revenue

A change in the methodology used by the Department of Revenue (DOR) to distribute grant funds to counties associated with lost tax revenue related to the 2020 wildfires was approved. HB 5006 (2021) provided a one-time General Fund appropriation of \$23.2 million for DOR to make grants to counties for the reimbursement of lost tax revenue related to the 2020 wildfires. As directed in the budget report to this bill, DOR made the first distribution of \$4.8 million to counties in December 2021. Rather than having counties come back annually and attest to their loss as directed in the budget report, a one-time disbursement of the remaining \$18.4 million to counties in the same proportion counties received in the first distribution was approved. This approach was approved to maximize use of the funds by providing resources as soon as possible to the impacted counties. The following grants will be provided to counties:

- Clackamas - \$446,166
- Douglas - \$248,458
- Jackson - \$10,803,960
- Klamath - \$871,329
- Lane - \$2,211,940
- Lincoln - \$795,012
- Linn - \$275,824
- Marion - \$2,732,938

A General Fund appropriation of \$326,344 was provided for DOR's Business Division, to administer the Oregon Psilocybin Services Act, which was approved by voters in the 2020 General Election with the passage of Measure 109. The funding supports one permanent full-time Operations and Policy Analyst 3 position (0.50 FTE) and one permanent full-time Administrative Specialist 2 (0.50 FTE) to ensure taxpayer compliance with the Act. The funding also supports Attorney General expenses for legal advice and assistance with appeals or litigation.

One-time General Fund of \$400,000 was approved for the Department of Revenue (DOR) for the Electronic Valuation Information System (ELVIS) technology project. This action provides General Fund to cover the taxable portion of the project and frees up a commensurate amount of bond authorization. As a result of this action, an Other Funds expenditure limitation decrease of \$435,000, which includes \$35,000 for cost of issuance, was included for the decrease in expenditure of Article XI-Q Bond proceeds on the project authorized in SB 5701.

Last year DOR worked with an architect to develop a space plan for the Revenue Building focused on improving the safety and security of taxpayer information and agency operations. The Subcommittee expressed support for the agency's associated funding request, but it was not approved due to wanting some additional details about the project, including the results of a pending seismic assessment. A related budget note was adopted by the Subcommittee:

BUDGET NOTE: The Department of Revenue (DOR), in consultation with the Department of Administrative Services (DAS), is directed to report back to the May Emergency Board on a proposal for security upgrades to the Revenue Building in Salem. The report must include an estimate of costs and proposed building upgrades that are solely related to security at the DAS-owned building. The report must also include the results of DAS's seismic assessment on the building and any capital construction projects identified for the building in DAS' six-year major construction budget plan.

Secretary of State

The Subcommittee approved two budget adjustments for the Corporations Division including a \$500,000 Other Funds expenditure limitation increase to accommodate transaction and service fees paid due to the growth in credit card payments. Since the beginning of the COVID-19 public health emergency, the Division has experienced a 26.6% increase in the number of transactions being paid with bank cards. The second budget adjustment is a one-time \$194,248 Other Funds expenditure limitation increase for the establishment of two limited duration Public Service Representative 4 positions (1.25 FTE) to reduce customer wait times and increase service levels at the Corporation Division Call Center. The Subcommittee also approved the establishment of one limited duration Archivist 1 position (0.63 FTE) to increase the rate of old legislative records being preserved by the Archives Division through digitization. One limited duration Archivist position was approved as part of the agency's 2021-23 legislatively adopted budget to begin this work, but as the preservation work got underway the records were more deteriorated than initially estimated.

An Elections Division request for a \$5,300,000 Federal Funds expenditure limitation increase to pay costs associated with the Oregon Centralized Voter Registration (OCVR) system replacement project was also approved. This project is part of a modernization effort involving the state's centralized voter registration and elections management software. After reviewing requests for proposals, and in consultation with an advisory committee that included local elections representatives, a vendor was selected that recently completed similar projects in Arizona and Washington. The requested amount should be sufficient to pay remaining 2021-23 biennial costs. The project will be completed next biennium. The Subcommittee also approved a fund shift of \$327,112 supporting an Operations and Policy Analyst 3 and a Principle Executive Manager D in the Elections Division, which changed position support funding from Help America Vote Act federal funding to the General Fund. This fund shift results in a \$327,112 General Fund increase and a \$327,112 Federal Funds expenditure limitation decrease. The federal Help America Vote Act (HAVA), which passed in 2002, provided limited federal funding to be used by states to defray the cost of required changes to elections systems and processes made by the law. With this shift, all of the state's remaining HAVA funds are now being used to pay the one-time OCVR replacement project costs instead of supporting ongoing position costs.

HB 5006 (2021) appropriated \$2,000,000 General Fund to the Secretary of State for “grants to counties to address county elections offices equipment and technology needs.” At the time of passage, no formal plan for these grants had been developed, so the Elections Division worked with the Oregon Association of County Clerks on the best way to distribute the funds. The new plan requires some changes to the previously stated intended uses and therefore requires legislative approval. As such, the Subcommittee approved a new elections improvement plan that includes grants for each county, along with new postal barcode scanners for a total cost of \$1,160,000; \$370,000 of the previously approved General Fund support would be used by the Secretary of State to procure statewide elections services such as public service announcements, search engine optimization, and statewide ballot tracking, which are cheaper for the state to provide centrally rather than having each county attempt to procure their own equivalent services individually. The remaining \$470,000 would be held back as contingency funds for potential emerging elections needs. Any contingency monies remaining would be distributed equally among counties at the end of the biennium.

The Subcommittee approved an Administrative Services Division \$550,000 Other Funds expenditure limitation increase to replace the agency’s aging server room equipment and HVAC units. Approval was also provided to shift the funding supporting two information technology positions in Administrative Services from Help America Vote Act (HAVA) federal funding to Other Funds from agency administrative charges. States are no longer receiving new federal HAVA funds. This fund shift results in a \$414,248 Other Funds expenditure limitation increase and a \$414,248 Federal Funds expenditure limitation decrease.

State Library of Oregon

After the passage of HB 5017 (2021), the budget bill for the State Library of Oregon, it was discovered that limitation for the agency’s non-assessment Other Funds account and assessment Other Funds account were reversed. The Subcommittee approved a net zero technical adjustment to accurately reflect expenditure limitation values for these two accounts.

CONSUMER AND BUSINESS SERVICES

Department of Business and Consumer Services

The Subcommittee approved a \$244,807 Other Funds expenditure limitation decrease and a corresponding \$244,807 Federal Funds expenditure limitation increase to correct for the funding split of a position in the Building Codes Division. The agency’s request to reclassify 17 positions, increase months on two positions, establish two positions, and abolish two positions within four divisions of the Department of Consumer and Business Services was also approved with a net cost of \$393,532 Other Funds.

The Subcommittee approved a \$2,900,000 Federal Funds expenditure limitation increase and the submission of a federal grant application from the Department to the U.S. Department of Labor for federal Occupational Safety and Health Administration (OSHA). The federal funds provided by the grant will cover COVID-19 related costs that Oregon OSHA is currently paying for with Other Funds, freeing up state funding to pay for Oregon OSHA safety conferences and consultations to underrepresented communities; replacement of lab equipment; public education material for employers; and the continuation of a grant program that provides funds to community organizations for health and safety training.

Health Related Licensing Boards

For the Oregon Board of Medical Imaging, the Subcommittee approved an increase of \$202,000 in Other Funds expenditure limitation and authorized an increase of 0.25 FTE to the agency's existing Investigator 2 position, to address increasing investigatory workload, increased board stipends, and other miscellaneous costs.

Bureau of Labor and Industries

The Subcommittee approved an increase of 0.25 FTE on an Office Specialist 2 position as a technical adjustment to correct for its omission during the preparation of the 2021-23 current service level; costs associated with the higher FTE will be covered with existing limitation.

A net-zero adjustment was approved as a technical adjustment between appropriations in appropriated fund 3400. The Wage Security Fund is reduced by \$1,836,757 and the Operating Fund is increased by \$1,836,757.

A General Fund appropriation of \$2,006,730 was approved for the cost of relocating BOLI's main headquarters from the Portland State Office Building to 2525 SW 1st Ave., Portland. An additional \$684,500 General Fund was approved for BOLI's Civil Rights Division to address age discrimination in the workplace. The funding goes to hire two permanent full-time positions (1.00 FTE) and to provide communications and research support.

The Subcommittee approved a General Fund appropriation of \$173,164 for the Wage and Hour Division's increased wage claim workload. The funding goes to support two permanent full-time bilingual positions (1.00 FTE) for the program. The Division also received authorization for three permanent full-time positions (1.50 FTE) and one reclassification to add enforcement and education capacity to the Division's Prevailing Wage and Administrative Prosecution units. This change has a net-zero Other Funds expenditure impact due from savings related to changes in how prevailing wage rates are set brought on by the passage of SB 493 (2021). The Personal Services cost increase of \$269,493 will be offset by a Services & Supplies decrease in Professional Services.

A General Fund appropriation of \$509,117 and four permanent full-time positions (2.00 FTE) was approved to enforce wage and hour laws required in HB 4002 (2022). The funding and positions will expand BOLI's Protective Investigation and Enforcement (PIE) unit, within the Wage and Hour Division to meet its education and enforcement responsibilities in the agriculture industry.

Mental Health Regulatory Agency

The Mental Health Regulatory Agency provides administrative and regulatory oversight to two licensing boards that oversee mental health professions, the Board of Psychology and the Board of Licensed Professional Counselors and Therapists. Due to legislative interest in gaining a better understanding of licensee demographics and increasing diversity of the mental health workforce, the Legislative Assembly approved \$300,000 General Fund in the agency's 2021-23 legislatively adopted budget for engaging a third party consultant to study the demographics of those individuals licensed by the boards and devise a plan to increase licensee diversity. The agency is to submit a written report on the study and plan to appropriate legislative policy committee(s) no later than December 31, 2022, along with presenting this information in its budget hearings during the 2023 legislative session.

The initial plan was for the agency to evenly split the cost of this study between both licensing boards. However, due to accounting and budget system constraints, the entire \$300,000 General Fund was budgeted in the Board of Licensed Professional Counselors and Therapists; HB 5202 includes a technical budget adjustment to split the amount between both boards.

Real Estate Agency

To help plan for and implement a new online licensing and case management system, the Subcommittee approved the establishment of one full-time limited duration position (0.75 FTE) and an increase of \$151,083 Other Funds expenditure limitation for the Real Estate Agency. The position's responsibilities include working with the Oregon State Chief Information Office on the Stage-Gate information technology project planning process, drafting the business case, establishing benchmarks for the replacement system, and developing a 2023-25 policy package.

State Board of Tax Practitioners

The State Board of Tax Practitioners licenses and oversees Tax Preparers, Tax Consultants, and tax businesses. The Board's revenues are principally derived from annual licensing and business registration fees. Other sources of revenue include civil penalties, exam applications fees, fines, and interest. The Board collects most of its revenue twice annually, between April 15th and June 15th, and August 15th and October 15th.

The number of licensees and examinees for licensure has been steadily declining over the past few years, particularly over the last 21 months during the COVID-19 pandemic. Between February and November 2021, the number of active licensees decreased by 390, or 11.7 percent. Furthermore, the number of individuals who took a licensing exam during 2021 decreased by approximately 23 percent from 2020.

Based on the November 2021 projections, the Board estimates a biennial shortfall of just over \$72,000 in 2021-23. In December 2021, the Interim Joint Committee on Ways and Means recommended approval of the Board's request for fee increases and an expenditure limitation request; the Subcommittee approved these, adding \$72,100 Other Funds expenditure limitation.

ECONOMIC AND COMMUNITY DEVELOPMENT

Oregon Business Development Department

An allocation of \$18,193,388 American Rescue Plan Act State Fiscal Recovery Funds (Other Funds expenditure limitation) was approved for the Oregon Business Development Department (OBDD) for grants to local governments and other authorized organizations in the following amounts, for the following water related infrastructure projects:

- \$160,00 to the City of Garibaldi for a Wastewater Master Plan
- \$201,128 to the City of Garibaldi for Smart Water Meters
- \$7,000,000 to Hyak Tongue Point, LLC for a 1500 Metric Ton Mobile Lift Project
- \$1,150,260 to the City of Reedsport for a Flood reduction resiliency project
- \$1,400,000 to the City of Waldport for Wastewater Treatment Plant Disinfection System Improvements
- \$2,500,000 to the City of Mill City for Sewer Improvements
- \$757,000 to the City of Aumsville for Drinking Water System Improvements
- \$2,250,000 to the City of Lafayette for a Reservoir Project
- \$2,500,000 to the City of Falls City for a Wastewater Treatment Facility
- \$275,000 to the City of Merrill for Water Line Improvements

The Subcommittee approved a \$1.5 million General Fund appropriation to the Oregon Business Development Department to provide a grant to the Historic Rivoli Theater Performing Arts Center Restoration Coalition for work on the Rivoli Theater restoration as a part of a package of investments in rural infrastructure.

A General Fund appropriation of \$2 million was approved for OBDD to provide grants to local governments to aid in the short and long-term efforts to recover from the recent wildfire seasons was approved for inclusion in the measure. The funding is available for a variety of activities that include, but are not limited to human resources, land use planning, infrastructure planning, FEMA recovery applications, building permit application processing, financial and administrative program support, and translation services.

The Subcommittee approved \$6 million General Fund for deposit in the Eastern Oregon Border Economic Development Board Fund along with the establishment of a corresponding \$6 million Other Funds expenditure limitation. This will allow OBDD to transfer these monies to a third-party administrator that is under contract with the Board for the purpose of operating grant and loan programs to enhance and expand workforce development or economic development in the region covered by the board.

A General Fund appropriation of \$835,000 was approved for distribution to the Crescent Sanitary District. This action was coupled with corresponding reductions in the transfer from the Department of Administrative Services, and the Other Funds expenditure limitation for, American Rescue Plan Coronavirus State Fiscal Recovery Fund monies provided to the Oregon Business Development for distribution to the

Crescent Sanitary District. These actions affected a change in the project funding to allow the Sanitary District to use awarded funding to retire debt associated with the underlying project with no change to the total amount of state support provided.

A reallocation of funding was approved for previously approved and budgeted American Rescue Plan Act Coronavirus State Recovery Fund monies. Other Funds expenditure limitation of \$15 million that had been provided to the agency for distribution of ARPA monies to Lincoln County for the Panther Creek Septic and Stormwater project was reduced by \$11 million and a new, corresponding \$11 million Other Funds expenditure limitation was established to allow the Oregon Business Development Department to distribute the monies to the Panther Creek Water District for regional drinking water quality improvements. Additionally, the City of Sandy - Wastewater Treatment Plant project was renamed: City of Sandy - Wastewater System Improvements.

An increase of \$36,795,418 Other Funds expenditure limitation was approved for spending American Rescue Plan Act Capital Projects Funds received by the Oregon Department of Administrative Services and transferred to OBDD for deposit in the Broadband Fund. Fund monies can be used to provide grants or loans through the Oregon Broadband Office, along with covering office administrative costs. Projects eligible for funding those for the planning and development of broadband service infrastructure, digital literacy, digital inclusion, and digital adoption.

The Subcommittee approved a \$600,000 General Fund appropriation and the authorization to establish a limited duration position (0.25 FTE) for OBDD to complete a specified number of market analyses in coordination with Oregon market advocates for the following emerging sectors:

- Organic agriculture and organic products
- Cannabis
- Commercial music including performance, manufacturing, distribution and other sales
- Ocean resources and the blue economy
- Live performance (theater, arts, other live events)

The analyses are intended to include, but not be limited to, identifying and discussing policies and actions that may be taken to increase the competitiveness and support the growth of the sector; analysis of the competitive economic strengths and weaknesses of the sector in Oregon; evaluation of revenues that the State of Oregon derives from the sector; indirect and direct economic impacts; demographic details such as race, wage, and geographic distribution; and, as applicable, recommendations for actions to take in response to changes in federal regulations.

BUDGET NOTE: In conjunction with the funding provided to the Oregon Business Development Department to conduct emerging sector statewide market analyses, the Department shall provide a report that includes copies of the specified market analyses and a summary of each to the appropriate legislative committees or interim legislative committees on economic development or recovery no later than March 15, 2023.

A one-time appropriation of \$984,000 General Fund was approved for distribution to the City of St. Helens for financial support required to complete a number of activities related to the fill and redevelopment of a portion of the city's wastewater lagoon connecting the city's downtown riverfront district with the city-owned industrial park. The funded activities include a technical feasibility study, critical infrastructure resiliency assessment, and addressing environmental, public health, and community development considerations.

A one-time appropriation of \$2 million General Fund was made for distribution to the Portland Japanese Garden was approved. The funding supports the construction of the International Japanese Garden Training Center that supports programs, collaborations, and experiential education for youth and adults. This state support represents roughly eight percent of the total project costs.

The Subcommittee approved a one-time appropriation of \$15 million General Fund for distribution to the Oregon International Port of Coos Bay to support the continuation and final completion of the engineering and design work related to the deepening and widening of the Federal Navigation Channel at Coos Bay to support existing businesses and promote new business opportunities.

An increase of \$1.5 million Other Funds expenditure limitation was approved for OBDD to spend monies transferred to the Broadband Fund by the Public Utilities Commission. As required by statute, the Commission approved the transfer of this amount, which was of the lesser of \$5 million, or that amount in excess of the amount designated by the Commission as necessary to ensure basic telephone service, from the Universal Service Fund. Monies will be used for the planning and development of broadband infrastructure.

Several budgetary adjustments were approved for the Department related to the expenditure of funding that was authorized in the prior biennium but was not fully expended before the end of that biennium. No new funding is being allocated. Adjustments to expenditure limitations for Lottery, Other, and Federal Funds are for fund balances carried forward from prior biennia. The General Fund appropriation mirrors that amount that was appropriated in the prior biennium but reverted to the General Fund at the close of the prior biennium prior to being expended. The individual adjustments include:

- An increase of \$283,034 Lottery Funds expenditure limitation in the Infrastructure Program for remaining contractual payments associated with the funding of the Columbia Corridor Drainage Districts Joint Contracting Authority project, Levee Ready Columbia. This action will allow the agency to expend the remaining Lottery Funds balance carried-forward from the prior biennium from the original \$500,000 allocation for this project.
- A General Fund appropriation of \$89,479 was approved to re-establish funding for the completion of financial support to the Confederated Tribes of the Warm Springs Reservation of Oregon for improvements to the Warm Springs Wastewater Treatment Plant, installation of water meters, and improvements to the water distribution system. Total project costs of \$7.8 million were provided in the prior biennium through a \$3.58 million General Fund allocation from the Emergency Board and a \$4.22 million General Fund appropriation in SB 5723 (2020 2nd Special Session) the amount appropriated in this bill represents the unspent portion of those funds.
- Establishment of a \$287,800 Other Funds expenditure limitation, which was inadvertently made for American Rescue Plan Act (ARPA) Coronavirus State Fiscal Recovery Fund monies instead of for Coronavirus Relief Funds (CRF) that were not completed in the prior

biennium. These expenditures were completed in December of 2021 and represent residual fund balances from the original \$10 million allocation of CRF monies for the Rural Broadband Capacity Program that was made to the agency through Emergency Board action in June of 2020. A corrective adjustment will be requested at a later date to allow the expenditure limitation to support the use of CRF instead of ARPA funding.

- Establishment of a \$2,940,041 Other Funds expenditure limitation from the Tide Gate Grant and Loan Fund to allow the agency to expend the residual fund balance remaining in the fund from allocations of \$3 million in Lottery Funds that were transferred to the fund in the prior biennium.

Increased expenditure limitation of \$1,680,000 Other Funds was approved for the Arts and Cultural Trust to expend monies provided by the Oregon Community Foundation for two programs; \$1.5 million of the total supports a grant program to provide relief funding to Oregon artists who have experienced financial hardship during the COVID-19 Pandemic due to cancellations of exhibitions, performances, rehearsals or other activities with a stipend, events, teaching opportunities, book signings, or other professional presentation opportunities. The remaining \$180,000 will be distributed to each of the Cultural Trust's 36 County Cultural Coalitions in support of their Cultural Plan, which includes grant awards to cultural nonprofits, artists, and, as applicable, to those populations who have been disproportionately impacted by COVID-19 and for the continued development of programs and services.

The Subcommittee approved \$803,500 Federal Funds expenditure limitation for the Arts Program for funding from the National Endowment for the Arts to support nonprofit arts programs and services including the provision of operating support grants and program administration.

Increased Federal Funds expenditure limitation of \$1 million, and the authorization to establish a limited-duration statewide recovery coordinator position (0.58 FTE) was approved for the Department to expend anticipated grant monies from the U.S. Department of Commerce, Economic Development Administration. The agency will use approximately half of the funding to create an investment map to guide broadband investment strategy and a broadband planning map. The remaining portion will be used for the implementation of findings and recommendations of the COVID-19 Equitable Economic Recovery Plan currently in development by the agency.

Increased expenditure limitation of \$641,475 Lottery Funds and the authorization to establish three permanent, ongoing positions (1.75 FTE) was also approved. These management positions will be established within the Business, Innovation and Trade program and be used in conjunction with organizational adjustments to address program administration capacity, span of control, and program delivery issues.

Employment Department

The Subcommittee approved a \$5,176,629 increase in the Employment Department's Federal Funds expenditure limitation to support a grant award for workforce training and job placement services to Southern Oregonians impacted by the 2020 wildfire season and the COVID-19 pandemic. Seven limited duration positions (5.60 FTE) are authorized, as follows:

- Five Business and Employment Specialist 2 (4.00 FTE);

- One Program Analyst 1 (0.80 FTE); and
- One Program Analyst 2 (0.80 FTE).

Housing and Community Services Department

The budget for the Housing and Community Services Department (HCSD) was increased by \$46,644 General Fund and General Fund Debt Service for bond-related activities was decreased by a corresponding amount, to correct miscategorized budgeted expenditures. The Subcommittee approved non-recurring General Fund for housing investments for the following amounts and purposes:

- \$65 million for preservation and rehabilitation of affordable housing projects. This supplements \$100 million approved for this purpose during the 2021 legislative session, and for which associated Other Funds expenditure limitation and position authority was also approved by the Subcommittee (discussed below).
- \$10 million for land acquisition on which affordable housing will be built, augmenting a 2021 session investment of \$20 million. The funds serve as seed money for revolving low or no interest loans, enabling developers to quickly secure available land for housing projects. The General Fund will be transferred to the Housing Acquisition Fund and spent as Other Funds. Associated Other Funds expenditure limitation was also approved (discussed below).
- \$50 million to address cost increases in HCSD-funded developments that have been impacted by supply chain disruption, labor cost increases, tax credit availability, and require additional support to remain viable. This supplements \$5 million approved for this purpose during the 2001 legislative session, and for which associated Other Funds expenditure limitation was also approved by the Subcommittee. Funds will be transferred to the General Housing Account, to be used as gap financing. An associated Other Funds expenditure limitation increase is referenced below.
- \$35 million for development of smaller scale affordable rental housing. The projects will add an estimated 175 additional units, largely in more rural areas of the state. Associated Other Funds expenditure limitation for these funds was also approved (discussed below).
- \$20 million for manufactured housing park acquisition gap financing to supplement available funding for acquisition of manufactured housing parks that are at risk of sale or closure, to prevent displacement of residents. The funds will be utilized as grants rather than loans, and are estimated to preserve an additional five parks, or approximately 300 affordable homes.
- \$20 million for development of affordable homes for purchase, to be paired with Local Innovation Fast Track (LIFT) bond proceeds, authorized by Article XI-Q of the Oregon Constitution. Ownership constraints and limited funding make LIFT more difficult to utilize for construction of homes for purchase, but the investment may help to incentivize development in rural areas and allow for greater density in urban areas. The Housing and Community Services Department will seek to transfer these funds to the General Housing Account when specific funding criteria are developed -- perhaps early in 2023 -- and will seek Other Funds expenditure limitation at that time.
- \$500,000 for policy development and coordination, along with support for local government planning and response efforts to address homelessness. Funds support the creation of a permanent, full-time policy position (0.58 FTE) within the Housing and Community Services Department to coordinate, analyze, and prioritize homelessness responses between state agencies and local partners, and to

support an Interagency Council on Homelessness. Because this is one-time funding, the position will be supported with permanent, ongoing resources in future biennia. In addition to the staff position, resources will support the establishment of the Interagency Council on Homelessness to be managed through the Governor's Office. Approximately \$250,000 of this investment will also be used to support local contracts with Built for Zero, a collaborative service to help communities establish and implement action plans to reduce and eliminate homelessness.

- \$15 million for homeowner supports. Funds will provide resources to organizations serving homeowners. Funds may be used for operation capacity, technology and software needs, pandemic-related needs and expenses for Home Ownership Centers and non-profits serving low-income homeowners, for Manufactured Homeowner counseling, and to expand outreach, mediation services and marketing associated with manufactured housing Community Dispute Resolution Centers.
- \$80 million for homelessness prevention and response efforts delivered through HCSD programs and community partners. The Department will evaluate the service capacity of its partners to determine the specific amounts for programs and subrecipients. Of the total, \$30 million is anticipated to be directed to homeless prevention efforts, though more resources may shift to homeless prevention if homeless service provider capacity does not materialize. Eligible programs for these efforts include the following:

Homelessness prevention

- The Oregon Eviction Diversion and Prevention Program, providing flexible resources such as rental and other financial assistance, legal services, navigation, mediation;
- The Emergency Housing Assistance Program, providing flexible resources for services such as street outreach, emergency shelter, rapid rehousing, and homelessness prevention; and
- Funding to the Oregon Worker Relief Coalition to provide flexible funds for homelessness assistance and prevention. Funds shall be provided to the Coalition through Seeding Justice through an advance payment.

Homelessness services

- Out of the Cold program for shelter support, street outreach, move in costs and short-term rental assistance, provided through Community Action Agencies and culturally based organizations;
- Supplanting Emergency Solutions Grants – Coronavirus Relief grants to community-based organizations and Community Action Agencies to ensure programs can operate through next shelter season;
- Shelter support, including operating funds to properties developed through Project Turnkey;
- Navigation Center funding for operational support or services for the unhoused;
- Shelter and outreach to tribes and community-based organizations;
- Services to runaway and homeless youth provided through the Oregon Department of Human Services; and
- Shelter plus and other medical respite models, including a pilot with Mid-Willamette Valley Community Action Agency.

- \$966,262 for a grant to Mid-Willamette Valley Community Action Agency (MWVCAA) for shelter services. The grant will allow MWVCAA to seek reimbursement from the Federal Emergency Management Agency (FEMA) for extraordinary shelter costs related to COVID-19 in 2020-21; MWVCAA will return an equivalent amount of funds granted during the previous biennium, seek FEMA reimbursement for an equivalent amount of shelter costs, and apply the new grant to shelter costs in the current biennium.

The Housing and Community Services Department (HCSD) estimates that while 100% of a one-time \$100,000,000 General Fund appropriation included in the 2021-23 legislatively adopted budget for affordable housing preservation is anticipated to be awarded to projects during the 2021-23 biennium, only 10% is anticipated to be spent this biennium. The Subcommittee's approval of an additional General Fund appropriation of \$65 million in preservation funding (referenced above, also anticipated to be fully awarded during the current biennium) for affordable housing preservation and rehabilitation projects, enhances the previous investment. Preservation funds will be transferred to the General Housing Account and expended as Other Funds. A total of \$52.5 million Other Funds expenditure limitation was approved for expected expenditures in 2021-23, with the remaining \$122.5 million associated expected to be sought in the 2023-25 biennium. Two limited duration positions, a Program Analyst 4 (0.58 FTE), and a Loan Specialist 3 (0.58 FTE) were approved to add capacity for project approval and monitoring associated with these new, non-recurring funds.

Other Funds expenditure limitation was approved to facilitate the use of General Fund as seed money for revolving, low or no interest loans in several HCSD programs. Because General Fund cannot be loaned, funds appropriated for land acquisition (\$20,000,000 associated with the legislatively adopted budget and an additional \$10 million approved during the 2022 legislative session) on which affordable housing will be developed, purchases of naturally occurring affordable housing (\$10,000,000), the development of flexible lending products to support home ownership (\$10,000,000), acquisition of manufactured housing parks (\$4,200,000), and manufactured housing decommissioning, disposal and replacement (\$2,800,000) will be transferred to Other Funds. To facilitate the respective programs' anticipated level of lending activities in the remainder of the 2021-23 biennium, Other Funds expenditure limitation was increased by a total of \$47 million for these programs, as follows:

- Land acquisition - \$30,000,000
- Purchases of naturally occurring affordable housing - \$5,000,000
- Flexible lending products - \$5,000,000
- Manufactured housing park acquisition (revolving loan fund) - \$4,200,000
- Manufactured housing decommissioning, disposal, and replacement - \$2,800,000

Additional Other Funds expenditure limitation associated with the General Fund appropriations of \$10 million (2021 Legislative Session) and \$50 million (2022) to address supply chain, labor and inflationary cost increases was approved, in the amount \$35,000,000. Although this gap funding is expected to be fully *committed* in 2021-23, it's expected that only \$35,000,000 in project costs will be expended this biennium.

An increase of \$17.5 million Other Funds expenditure limitation was approved, associated with the above referenced \$35 million General Fund investment for development of affordable homes for purchase, to be paired with LIFT funds. This Other Funds limitation reflects the amount

that will be expended on projects in 2021-23, although all \$35 million will be committed/awarded before biennium's end; the remaining \$17.5 million Other Funds is expected to be expended in 2023-25.

The Subcommittee approved an increase in Federal Funds expenditure limitation in the amount of \$1,681,331 for the Housing and Community Services Department to reflect the receipt of a federal grant for housing counseling services. The grant funds support administrative expenses, program related services including outreach and training, and foreclosure avoidance and financial education services by homeownership centers, with whom the Department contracts for service delivery.

Additional Federal Funds expenditure limitation in the amount of \$39,769,368 was also approved for financial assistance to distressed homeowners under the Homeowner Assistance program funded by a \$90.9 million award to Oregon under the American Rescue Plan Act. This increase supplements the \$32.9 million and 23 positions (19.88 FTE) for the program that was included in the 2021-23 legislatively adopted budget. The balance of the federal award is anticipated to be expended in the 2023-25 biennium. The Congressional purpose of the program is to prevent defaults, foreclosures, and loss of utilities, although Oregon's program will not provide utility assistance. HCSD will open this program in four phases, focusing initial phases on homeowners most at-risk of foreclosure or displacement. Assuming maximum program assistance of \$60,000 to every eligible homeowner, the program could serve 1,200 homeowners.

A Federal Funds expenditure limitation increase in the amount of \$221,389,595 was approved to reflect federal grant funding received for the second round of Emergency Rental Assistance provided through the American Rescue Plan Act. All the federal funding for emergency rental assistance has been paid, obligated, or requested, and the Department will expend this funding by summer, 2022.

The agency received federal grant funds from the Community Development Block Grant Disaster Recovery grant in the amount of \$422,286,000 in November of 2021. Initial program guidance to HCSD became available in February 2022. Funds must be used within six years and are for the purpose of assistance in areas most impacted by the 2020 wildfires, specifically in Clackamas, Douglas, Jackson, Lane, Lincoln and Marion Counties, and a zip code specific to Linn County. The Subcommittee approved Federal Funds expenditure limitation in the amount of \$7,368,864. Ten permanent disaster recovery and resiliency management positions (5.71 FTE) were approved, as follows:

- An assistant manager to augment central services accounting management capacity (0.54 FTE);
- A finance manager to oversee financial operations for the new recovery division (0.46 FTE);
- A Chief Compliance and Contracting Officer to ensure compliance with federal regulations (0.67 FTE);
- A Recovery Officer to lead implementation of all recovery and resilience programs (0.58 FTE);
- A policy development lead, to generate recovery action plans and processes (0.58 FTE);
- A program delivery lead, to oversee and manage the acquisition of modular or manufactured housing units, design resiliency measures, and manage contractors and construction efforts;
- An External Affairs Officer, to manage public and community engagement throughout recovery processes; and
- A Business systems and reporting manager, to oversee the division's system of record tracking and managing applications for assistance.

After grant funds are expended, HCSD will utilize Federal Funds and Other Funds revenue to support these positions on a permanent basis, to maintain its ability to respond to future events.

Thirty nine positions are established as limited duration (19.46 FTE), tied specifically to staffing the planning and program development related to this grant, logistics, policies and procedures, and to add agency capacity in central services (such as accounting and procurement). Policy analysis, regional liaisons, information systems design, loan servicing, construction inspection and management, procurement and contracting, accounting, and human resources expertise are among the activities for which these positions will be responsible.

EDUCATION

Department of Education

SB 222 (2021) clarified who may conduct vision screenings and appropriated \$1.5 million General Fund to the Department for deposit in the Vision Health Account (ORS 336.212) to reimburse providers of vision screenings and to pay for program costs. The bill inadvertently omitted the corresponding Other Funds expenditure limitation needed for the Department to make expenditures from the account; to correct this oversight, the Subcommittee approved \$1.5 million Other Funds expenditure limitation to reimburse providers and to pay for staffing and other program costs.

To properly account for some of the costs associated with implementing the Department's American Indian/Alaska Native Student Success Plan, \$1,503,000 Other Funds expenditure limitation was reduced in the Grant-in-Aid program and increased in the Operations program, for no net change in Other Funds expenditure limitation department-wide. Similarly, to properly account for some of the costs associated with implementing the Department's African American Black Student Success Plan and Safe and Inclusive Schools Program, \$643,464 Other Funds expenditure limitation was reduced in the Statewide Equity Initiatives program and increased in the Operations program, for no net change in Other Funds expenditure limitation department-wide.

The Subcommittee approved \$5,157,019 Other Funds expenditure limitation on a one-time basis and approved the establishment of ten limited-duration positions (5.80 FTE) to support the design and launch of a comprehensive professional learning system for preschool-through-high school educators, and to increase capacity grants to the ten Regional Educator Networks. The source of one-time funds comes from COVID-19-related underspending in the Educator Advancement Council's grant-in-aid programs during the 2019-21 biennium.

The Department issues over 10,000 grant agreements per biennium with a current procurement staff of ten budgeted positions. Even after prioritizing workload to take into account deadlines for the use of federal funds, cash flow needs of smaller educational services providers, and large-dollar programs that fund multiple programs within school districts, the Department still delays some grant agreements and suspends work on data requests. To address its grant and procurement workload in a more sustainable way, the Subcommittee approved \$1,416,158 General Fund and approved the establishment of eleven positions (6.36 FTE): one Principal Executive Manager D, one Operations and Policy

Analyst 2, three Procurement and Contract Specialist 1 positions, three Procurement and Contract Specialist 2 positions, and two Procurement and Contract Specialist 3 positions in the Procurement Services unit; and one Accounting Technician 3 in the Fiscal Grants team.

To alleviate supply chain issues experienced by School Food Authorities in Oregon, the Subcommittee approved \$11 million nonlimited Federal Funds expenditure limitation to receive and spend U.S. Department of Agriculture Supply Chain Assistance funds. These resources will be distributed on a formula basis to eligible School Food Authorities to address pandemic-related food services challenges including reduced availability of certain foods, unexpected substitution of certain products, and unpredictable increases in food prices.

Oregon Administrative Rules outline the process for apportioning funds for the High School Success program, including those funds remaining in the High School Graduation and College and Career Readiness Fund at the end of a biennium. The Subcommittee approved Other Funds expenditure limitation of \$26,058,151 in order for the Department to apportion this 2019-21 remaining fund balance among all school districts and charter schools in the current biennium.

HB 2166 (2021) created the Early Childhood Suspension and Expulsion Prevention Program and appropriated \$5.8 million General Fund to the Department to create and implement the program. To accommodate the way in which the Department's budget is established in the state accounting system, the appropriation was approved to be split between the Operations program and the Grant-in-Aid program, for no net change to the new program's budget.

The Subcommittee approved \$150 million General Fund for a summer learning program in the summer of 2022. The program will fund the state's share of a set of one-time initiatives to provide academic learning, enrichment activities, and social-emotional and mental health services for students from kindergarten through grade twelve.

- Summer High School Academic grants will fund programs to enable high school students to make up academic credits needed to stay on track for on-time graduation. A total of \$32,857,331 General Fund is available to school districts to provide summer academic programs; this program requires a 25% local match from participating school districts.
- Summer Kindergarten through grade 8 (K-8) Enrichment grants are directed to students in grades kindergarten through 8 for enrichment activities such as dance, art, and outdoor programs; academic learning and readiness supports, such as tutoring or kindergarten transition programs; and social-emotional and mental health services. A total of \$66,857,330 General Fund is available for the state's share of the programs, which require a 25% local match from participating school districts.
- Summer Community Activity grants are funded with a one-time grant of \$50 million General Fund from the Department of Education to the Oregon Association of Education Service Districts. Grants will be awarded on a competitive basis for new and existing summer enrichment activities such as day camps, park programs, and tutoring for kindergarten through grade 12 students.

- For developing and administering the new school-based grants and for administering the Oregon Association of Education Service Districts grant, the Subcommittee approved \$285,339 General Fund and the establishment of two limited-duration positions (1.26 FTE). Administrative responsibilities include developing guidelines and rules, formalizing funding models and application processes, providing technical assistance to school districts and community-based organizations, and grant administration and oversight.

The General Fund appropriation for summer learning programs ends on January 1, 2023. Unspent funds as of that date become available in the General Fund to be legislatively appropriated for other uses.

In January 2022, the Department requested \$5.1 million from the special purpose appropriation to the Emergency Board for the creation of the Department of Early Learning and Care (DELIC), \$650,618 General Fund, and the establishment of 34 positions (12.38 FTE) to continue building the new agency. The Interim Joint Committee on Ways and Means deferred this request to the February 2022 legislative session, during which time more information would be available about changing DELIC's statutory start date from January 1, 2023 to July 1, 2023. Changing the agency's start date to July 1, 2023 reduces the Department's funding request by \$2.6 million General Fund, as certain costs needed for a partial biennium by both the Department and by DELIC will not be incurred. The Subcommittee approved \$3,228,818 General Fund and authorized the establishment of 34 positions (12.38 FTE) to continue development of DELIC. The special purpose appropriation was reduced by this amount; the remainder is \$1,901,447.

In February 2022, the Department requested \$4.3 million General Fund and the establishment of 40 positions (18.58 FTE) to complete the staffing plan for the Department of Early Learning and Care. Subsequent evaluation of the implementation plan revealed five positions that will not be needed until the 2023-25 biennium and three accounting positions that are contingent upon the new agency's acquisition of a payment system needed for grant program accounting and payments. After making those changes to the staffing plan, the Subcommittee approved \$3,609,588 General Fund and 32 positions (15.50 FTE) for the plan, and directed the Department to return to the Emergency Board in September 2022 with an update on the status of the new grants management system and/or an agreement between DELIC and the Department of Education for accounting services. If necessary, the Department can request either the accounting positions or funding for an interagency agreement for accounting services with the funds remaining in the special purpose appropriation for the creation of DELIC.

To support the expansion of access to child care in Oregon, the Subcommittee approved nearly \$100 million General Fund on a one-time basis for a variety of programs that bolster and support the child care sector. The bulk of this funding (\$60.3 million) is appropriated to the Department of Administrative Services for granting to nonprofit agencies and to the Higher Education Coordinating Commission for administering specific programs. Please see the Department of Administrative Services and Higher Education Coordinating Commission sections of this report for a break out of these investments. Other components include \$26.6 million General Fund to increase subsidy rates through the Employment Related Day Care program, which is appropriated in HB 4005, and \$6.8 million General fund to support the creation of the Department of Early Learning and Care is described above.

To develop a statewide education plan for Native Hawaiian and Pacific Islander students, the Subcommittee approved \$237,389 General Fund and authorized the establishment of one Education Specialist 2 position (0.63 FTE) to support the plan's development. The plan will address academic disparities experienced by plan students, disproportionate rates of disciplinary incidents, literacy and numeracy levels of plan students in primary school and will improve educational opportunities and outcomes for plan students. An additional \$5 million General Fund was approved to increase the level of funding in the African American Black Student Success grant program.

The Subcommittee approved \$2 million General Fund to increase provider wages in the Relief Nurseries program. Salaries for Relief Nurseries staff are nearly 20% lower, on average, than staff salaries in other publicly-funded early childhood programs, making recruitment and retention of qualified staff difficult. Wage parity was also addressed for the Healthy Families Oregon program with a \$2 million General Fund appropriation to increase compensation for providers. This increase will begin to address wage levels, pay parity and pay equity issues, and will support recruitment and retention of staff. An additional \$122,830 General Fund will backfill behind the loss of Federal Maternal, Infant, and Early Childhood Home Visiting (MIECHV) funding in Tillamook and Jefferson counties.

State School Fund

The Subcommittee approved a reduction of \$97,592,219 General Fund, an increase of \$60,982,219 Lottery Funds and an increase of \$36,610,000 Other Funds from the Fund for Student Success for the State School Fund. This change reflects the final balance of use of available Lottery Funds across the entire state budget as well as the most recent forecast of the Fund for Student Success related revenues. The 2021-23 State School Fund budget total of \$9.3 billion is not changed.

Higher Education Coordinating Commission

The Subcommittee approved a one-time Other Fund limitation increase of \$1,000,000 to facilitate the pass through of dollars to public university educator preparation programs for the planning, tracking, and reporting on the progress of achieving the state goal that the teacher candidate pool will reflect the linguistic and ethnic diversity of the high school graduating class from which they are recruited. In addition, the Subcommittee approved a one-time Other Fund limitation increase of \$3,812,707 for the Higher Education Coordinating Commission (HECC) to collaborate with the Oregon Department of Education (ODE) and Educator Advancement Council (EAC) to award scholarships to culturally and linguistically diverse teacher candidates as part of the Oregon Teachers Scholars Program (OTSP). These funds were appropriated by the legislature to the Oregon Department of Education and Educator Advancement Council (EAC) in the Statewide Education Initiatives Account for these efforts. Although (HECC) was authorized to enter into an interagency agreement with ODE/EAC to distribute funds for the equity plans and to award the scholarships pertaining to OTSP, expenditure limitation was inadvertently omitted in SB 5528 (2021), the primary budget bill for HECC. This corrects the error.

The Subcommittee also approved that the one-time appropriation of \$212,241 General Fund to the Higher Education Coordinating Commission Public University State Program Unit in SB 5528 (2021) for distribution to PSU Oregon Solutions to support the Willamette Falls Lock Commission may be expended to support the Willamette Falls Lock Authority for the remainder of the 2021-23 biennium.

The Subcommittee approved a one-time appropriation of \$7.5 million General Fund to continue the Strong Start program at the seven public universities for an additional school year. The Strong Start program was designed to mitigate the disruption on students preparing for their post-secondary education during the COVID-19 pandemic. Students from high-poverty or low income communities and schools are significantly less likely to apply for college during this time of uncertainty. With a focus on historically underserved students, Strong Start program elements have included intensive academic supports especially in math and writing, academic advising, note taking skills, time management, early move-in to campus, peer mentoring, tutoring, and financial literacy. As the country begins to exit this pandemic, students graduating from high school continue to face challenges navigating the path from secondary to postsecondary education. This funding will allow each university to continue individualized programs to meet the specific needs of their students.

The Subcommittee approved a one-time appropriation of \$1 million General Fund for statewide public services to support the Oregon State University Extension Service Oregon Bee Project. Another one-time appropriation of \$700,000 General Fund approved for the public university statewide programs will support expansion of the University of Oregon College of Education's Oregon Child Abuse Prevalence Study.

The Subcommittee approved an appropriation of \$45 million General Fund for the Oregon Health and Science University (OHSU) to support its goal of increasing the number of graduates in key health care professions programs (including nurses, clinical psychologists, physicians, physician assistants, public health leaders, and human nutritionists) by 30% and ensuring that 30% of its learners are from underrepresented populations, by the year 2030. Of the total funding, \$20 million annually will be used to expand capacity for ongoing health care education and pathway programs; the remaining one-time funding of \$25 million will be used to establish the OHSU Opportunity Fund to provide tuition assistance and loan repayment to learners from underrepresented communities. This \$25 million in funding can be distributed by HECC to OHSU at the same rate that OHSU raises corresponding matching funds in gifts, grants and other revenues through philanthropic campaigns.

To support the expansion of access to child care in Oregon, the Subcommittee approved nearly \$100 million General Fund on a one-time basis for a variety of programs that bolster and support the child care sector; \$21 million of this amount was appropriated to the Higher Education Coordinating Commission (HECC) for Portland State University's Oregon Center for Career Development in Child Care to award two annual \$500 recruitment and retention payments to child care providers working in Oregon. Of the \$21 million, \$18.3 million is available to make grants to providers, and \$2.7 million pays for administration and the program's operating costs. Please see the Department of Education and the Department of Administrative Services sections of this report for additional details of this investment to support the expansion of access to childcare in Oregon.

Approval of \$30 million in Article XI-Q Bonds to address the increasing costs of public universities capital improvement and renewal requires Other Funds expenditure limitation of \$185,000 for cost of issuance for the bonds.

The Subcommittee approved various one-time General Fund appropriations to HECC public university statewide programs as follows:

- 1) \$10,142,845 for distribution to the University of Oregon to purchase scientific equipment for Building 2 of the Phil and Penny Knight Campus for Accelerating Scientific impact.

- 2) \$16,500,000 for distribution to Western Oregon University to support the main steam line replacement project.
- 3) \$6,500,000 for distribution to Oregon State University for the Hatfield Housing project.
- 4) \$4,500,000 for distribution to the University of Oregon to support the Oregon Hazards Lab (OHAZ) Wildfire Camera Network.
- 5) \$350,000 for distribution to Oregon State University for the repair and maintenance of research vessel Pacific Storm.

As part of the rural infrastructure package, the Subcommittee approved various one-time General Fund appropriations to the Higher Education Coordinating Commission for the following purposes:

- 1) \$755,000 for distribution to Southwestern Oregon Community College for a new fire training tower.
- 2) \$577,500 for distribution to Linn-Benton Community College for the Takena Hall elevator.
- 3) \$2,500,000 for distribution to Treasure Valley Community College for the Renewable Energy Apprenticeship and Pre-Apprenticeship Programs.
- 4) \$10,000,000 for distribution to Oregon State University for the Innovation District Landfill Project.
- 5) \$1,000,000 for distribution to Eastern Oregon University for Visual and Performing Scholarship.
- 6) \$250,000 for distribution to Oregon State University for the modernization of the Oregon Agricultural Research Center.

Also, as part of the rural infrastructure package, the Subcommittee approved a \$4 million Federal Funds expenditure limitation for monies from the American Rescue Plan Act (ARPA) State Fiscal Recovery Funds for the purpose of transferring to Eastern Oregon University for restoration of the Grand Staircase.

A total of \$17,546,266 million Lottery Funds is available to offset an equal amount of General Fund for the Oregon Opportunity Grant program (OOG). Based on the March 2022 forecast, interest earned on the Education Stability Fund for the current biennium increased \$5,841,164 over the level projected in the June 2021 forecast. Additionally, the Oregon Growth Board approved a distribution from the Oregon Growth Account (OGA) of \$11,705,102 in October 2021. As there is no outstanding debt service for the Oregon Education Fund, this means that interest earnings and OGA distributions are transferred to HECC for the Oregon Opportunity Grant program. This offset leaves the OOG program funded at the same level as the legislatively adopted budget, but with a different funding mix.

HUMAN SERVICES

Oregon Health Authority

HB 5202 adjusts the Oregon Health Authority's (OHA) budget for updated caseload forecasts, revenue changes, and other cost variations to rebalance the agency's budget; HB 5202 also includes several program investments. The table below is a high-level summary of these changes:

Oregon Health Authority							
2021-23 Adjustments Approved in HB 5202	General Fund	Lottery Funds	Other Funds	Federal Funds	Total	Positions	FTE

Most of the budget rebalance adjustments were identified in a report submitted to the January 12, 2022 meeting of the Interim Joint Committee on Ways and Means. Across the agency, these adjustments result in savings of \$143.8 million General Fund, an increase of \$1.1 billion Other Funds, an increase of \$741.5 million Federal Funds, and 125 additional positions (90.84 FTE). These adjustments are summarized below according to topical area.

OHP Caseload and Revenue

In the Health Systems Division, Oregon Health Plan (OHP) caseload costs of \$16.3 million General Fund (\$125.4 million total funds) are based on changes between the spring 2021 caseload forecast, which was used to build OHA's 2021-23 legislatively adopted budget (LAB), and the fall 2021 caseload forecast. Cumulative General Fund savings of \$122.2 million is recognized from changes in the Medicaid match rate, or Federal Medical Assistance Percentage (FMAP). This includes \$32.2 million in General Fund savings from a decrease in the federal fiscal year 2023 FMAP, as well as \$90 million from an additional three months of the 6.2 percentage point enhanced FMAP due to the continuation of the federal COVID-19 public health emergency.

Changes in forecasted tobacco tax revenue dedicated to OHP is forecasted to be higher by \$37.2 million and community mental health programs by \$0.4 million. These changes are based on the difference between the May 2021 state revenue forecast used to develop OHA's 2021-23 LAB and the March 2022 forecast. The increased Other Funds revenue saves a commensurate amount of General Fund in these programs and is largely driven by revenue collections from the new vaping tax and \$2.00 per pack tax increase on cigarettes coming in above initial projections. This upward adjustment is not expected to be part of a trend, as the long-term tobacco tax forecast continues to show decreasing revenue.

Savings of \$1.6 million General Fund results from changes OHA is making regarding the designation of the Children's Health Insurance Program (CHIP). When CHIP was authorized by Congress in 1998, the Centers for Medicare and Medicaid Services (CMS) allowed states to designate their CHIP services as a separate non-Medicaid program (S-CHIP), which Oregon chose, a Medicaid expansion program (M-CHIP), or a combination of both. OHA has requested CMS approval to switch to the M-CHIP designation effective July 1, 2022. The agency's plan would initially save \$1.6 million General Fund based on the ability to leverage increased federal match under M-CHIP for Indian Health Services (100%) and family planning services (90%), as well as additional drug rebate revenue. Also included is an \$8.6 million Other Funds increase from hospital tax revenue carried over from 2019-21 for Disproportionate Share Hospital payments. The Other Funds revenue matches \$13 million in federal revenue for payment to hospitals serving higher levels of Medicaid and uninsured individuals.

Behavioral Health Positions

The rebalance establishes an additional 77 positions (51.20 FTE) for behavioral health programs, most of which are funded within OHA's existing budget. This includes 54 positions (36.22 FTE) in the Health Systems Division, Health Policy and Analytics Division, Central Services, and Shared Services to support the requirements of HB 2086 (2021), which established behavioral health metrics and accountability parameters for the state's behavioral health system. The 54 positions are supported from \$8.5 million in existing General Fund approved in OHA's 2021-23 LAB, as well as \$2.2 million Other Funds and \$4 million Federal Funds included in this budget rebalance adjustment.

The positions are in addition to 14 related positions already funded in OHA's budget, which results in 68 positions funded in the agency to support HB 2086 metrics and accountability work. The additional positions and related budget adjustments are approved with the understanding OHA will prioritize its budget to fully fund the ongoing behavioral health information system technology project, known as Compass Modernization, with respect to HB 2086.

Additional positions approved for behavioral health programs include the following:

- 12 positions (7.93 FTE) for Ballot Measure 110 drug treatment and recovery program services to manage contracts, assist the Oversight and Accountability Council, and work on data and information system requirements. These positions are funded from Other Funds revenue available from OHA's 4% administrative allotment within the Drug Treatment and Recovery Services Fund.
- Seven positions (4.41 FTE) for OHA to operationalize the \$130 million investment included in the agency's 2021-23 LAB for increasing the number of licensed behavioral health residential treatment facility beds across the state. These positions are funded with existing resources from this investment's administrative component and will support the request for proposal and contract management process.
- Three positions (1.89 FTE) in the Health Systems Division to work on co-occurring disorder rates (HB 2086), peer delivered services (HB 2980), and psychiatric residential treatment services (PRTS). The positions for co-occurring disorder rates and PRTS are funded within OHA's existing budget; \$191,630 General Fund is included for the peer delivered services position.
- One position (0.75 FTE) in Health Policy and Analytics for administering the new substance use disorder Medicaid waiver approved in spring 2021. This adds to one position approved in the 2021-23 LAB for supporting the waiver.

Given existing strains in the behavioral health system, and considering the increased number of behavioral health positions in the agency, the subcommittee approved the following budget note to ensure unnecessary reporting and other requirements are not being placed on the provider community:

BUDGET NOTE: The Oregon Health Authority (OHA) shall continue exploring ways to streamline behavioral health provider reporting requirements and remove those that are unnecessary. The agency shall present on the outcome of this work during the 2023 legislative session, including the identification of existing reporting requirements; the reporting requirements the agency has reduced, eliminated, or otherwise changed to streamline reporting processes; and the reporting requirements the agency plans to maintain and how these reports are being used. OHA shall also review and present similar information and recommendations on the number of behavioral health advisory workgroups, task forces, or similar temporary or permanent bodies that require behavioral health provider and stakeholder involvement. OHA shall include in its recommendations for both the provider reporting requirements and advisory groups any changes to state law that are necessary to remove unnecessary burdens on behavioral health providers.

Cover All People Administration

The rebalance includes new positions, recognizes contractual expenditures, and transfers existing funds across OHA programs and the Department of Human Services (DHS) to support the agencies' plan for administering the new Cover All People benefit, which takes effect July 1, 2022. The 2021-23 LAB included \$100 million General Fund for this program but did not fully define administrative expenses. In total, OHA and DHS will use \$16.2 million of the \$100 million for program implementation and administration, which includes \$10 million for community outreach contracts, \$1.9 million and 10 positions (7.50 FTE) for staff in the Community Partnership Outreach Program and Office of Equity and

Inclusion, \$1.2 million and five positions (3.83) for additional programmatic support in the Health Systems Division and Health Policy and Analytics, and \$3.1 million transferred to DHS for 24 enrollment and eligibility positions.

Psilocybin Program

For this relatively new program, \$4.1 million in one-time General Fund and 10 positions are included to fund the second year of costs for the Psilocybin Program established by Ballot Measure 109 (2020). This increase is in addition to first year funding of \$2.2 million General Fund and 14 positions in the 2021-23 LAB. Program services take effect January 1, 2023, at which time it will start collecting Other Funds revenue from licensing fees and tax revenue from the sale of psilocybin products.

Oregon State Hospital

The rebalance includes seven positions (4.69 FTE), along with a General Fund decrease of \$949,211 and a Federal Funds increase of \$1.6 million in the Oregon State Hospital. The General Fund savings is driven by the transition of the per diem billing model at the Pendleton Cottage to a fee-for-service model, which will leverage more federal match. The hospital will use part of this savings to establish three positions to support the billing and documentation process of this new model. An additional four positions are included for various support functions at the Salem campus. These positions are funded within existing resources by shifting costs from related contractual services. A cost shift of \$1.1 million from Federal Funds to General Fund is also included based on a reduction in the hospital's federal Disproportionate Share Hospital payment allotment, which is determined and funded separately for state psychiatric hospitals than it is for other hospitals.

Expenditure Limitation and Technical Adjustments

The budget includes various increases to expenditure limitations, with the following representing the major increases:

- \$982 million Other Funds in the Public Health Division for reimbursement from the Federal Emergency Management Agency transferred to OHA from the Oregon Office of Emergency Management for nurse and other staffing contracts, COVID-19 community support, testing kits, and vaccine distribution costs.
- \$408.5 million Federal Funds in the Public Health Division to support the state's response to the COVID-19 pandemic, including for laboratory costs, vaccine administration and distribution, testing, contact tracing, and isolation services, among other expenses. This funding represents supplemental awards to existing grant programs funded by the Centers for Disease Control and Prevention and was reported to the Interim Joint Committee on Ways and Means in November 2021.
- \$40.9 million Federal Funds for Mental Health and Substance Abuse Prevention and Treatment block grants based on supplemental awards from the American Rescue Plan Act.
- \$37 million Federal Funds to reflect the federal match already leveraged by General Fund in OHA's budget for increasing reimbursement rates for services treating people with behavioral health co-occurring disorders.
- \$27.5 million Other Funds in the Public Employees' Benefit Board and Oregon Educators Benefit Board for various adjustments, including one-time transitional costs related to using one actuarial consultant for both programs instead of two; payment of claims under the new

part-time higher education faculty health insurance program established in SB 551 (2021); costs associated with the benefit system replacement project; and information technology professional services.

- \$500,000 Federal Funds to support the State Marketplace Modernization grant awarded to OHA. The agency requested and received approval to apply for this grant by the Interim Joint Committee on Ways and Means in September 2021.

The rebalance also includes various small adjustments to expenditure limitations and position counts, as well as net-zero transfers across agency programs.

The measure includes several investments and adjustments outside of budget rebalance actions. Most of these represent decisions on proposals OHA presented to the January 2022 meeting of the Interim Joint Committee on Ways and Means, as well as those presented to the Joint Ways and Means Subcommittee on Human Services during the February 2022 legislative session. The information below summarizes these changes.

Behavioral Health Housing

To expand the availability of housing and residential treatment beds for people with behavioral health issues, the bill appropriates \$100 million in one-time General Fund in the Health Systems Division for distribution to community mental health programs (CMHP) and related administrative support in OHA. The goals of this funding are to provide an array of supported housing and residential treatment, relieve bottlenecks in the continuum of care, and address health inequities and housing access disparities, among others. The funds will be used to repurpose or build new secure residential treatment facilities, residential treatment homes, and other types of necessary housing; support operational and administrative expenses related to managing housing; provide supportive services; pay for planning, coordination, siting, and purchasing buildings or land; provide subsidies for short-term shelter beds and long-term stable rental assistance; and support outreach and engagement. The distribution of the funds are expected to be made via formula through CMHP contracts and include input from community members. OHA and CMHPs will work together to define accountability measures and reporting requirements to track progress. Supported within the appropriation are two limited duration positions (1.26 FTE), including one Operations and Policy Analyst 4 and one Operations and Policy Analyst 3 position to administer the coordination of this work and provide technical assistance.

Oregon State Hospital Staffing

Consistent with instruction provided in a budget note approved for HB 5024 (2021), OHA submitted recommendations for resolving staffing shortfalls at the Oregon State Hospital in November 2021. To advance the initial stage of the plan, the budget includes \$10.8 million General Fund and 228 positions (188.52 FTE). These positions include the conversion of 134 existing non-budgeted limited duration nursing staff positions to permanent full time. The remaining 94 positions include 55 from direct care classifications, including Licensed Practical Nurses, Registered Nurses, Mental Health Therapy Technicians, and Mental Health Therapist 2 positions; two Nurse Managers; 10 Mental Health Security Technicians; and 27 from clinical and other functions at the Salem and Junction City campuses. The positions and funding represent the first stage of hiring the agency presented at the January 12, 2022 meeting of the Interim Joint Committee on Ways and Means and subsequently updated to reflect hiring effective May 1, 2022.

The funding for these positions is available by disappropriating \$10.8 million of the \$20 million related special purpose appropriation to the Emergency Board established in HB 5024 (2021). In light of existing vacancies at the hospital, this investment was approved with the understanding OHA will submit monthly updates to the Legislative Fiscal Office and Department of Administrative Services Chief Financial Office identifying the number of direct care staffing hires, vacancies, overtime usage (including voluntary and mandatory), and contracted direct care staffing levels. The investment is also approved with the understanding the Oregon State Hospital will collect and report information from exit interviews for direct care staff to inform funding requests for subsequent stages of hiring.

Crisis Stabilization Services

HB 2417 (2021) required OHA to establish a statewide coordinated crisis services system consistent with the National Suicide Hotline Designation Act of 2020. This bill appropriated \$5 million for the crisis hotline center and \$10 million to distribute to counties to establish and maintain mobile crisis intervention teams. OHA has also received federal grant awards for program planning and to build local crisis center capacity. HB 5202 includes \$1.8 million General Fund (\$2.2 million total funds) and 10 positions (8.92 FTE) for ongoing agency operations will support implementation and oversight of the crisis system envisioned by HB 2417; the development of standards for statewide mobile crisis teams and crisis stabilization centers; development of Medicaid reimbursement opportunities; and business information system and financial management support. The positions and funding are consistent with the agency's corresponding proposal to the January 2022 meeting of Interim Joint Committee on Ways and Means.

Citizen Waived Medical/Postpartum Coverage

The budget for Health Systems Division includes \$5.4 million General Fund and \$8.8 million Federal Funds to expand Citizen Waived Medical services, which provides limited emergency care coverage for individuals who meet Medicaid eligibility requirements except for their immigration status. The expanded benefit provides coverage for eligible members' presenting symptoms in an emergency department as opposed to the final diagnoses. This reduces the number of individuals whose claims are denied when they seek treatment in good faith and makes available to them more emergency behavioral health services and cancer treatment. An additional \$2.4 million General Fund and \$6.4 million Federal Funds is included to expand the duration of Medicaid coverage for postpartum services from two months to 12. The expansion of these services became available to states for five years under the American Rescue Plan Act of 2021.

Residential Treatment Rates

Increases of \$3 million General Fund and \$9 million Federal Funds are included in the Health Systems Division to extend a one-time 10% rate increase to behavioral health residential treatment providers. This rate increase was first approved in 2019-21 and is retroactive from July 1, 2021 through December 31, 2021.

Coronavirus Relief Fund Carryover

In the Health Systems Division, the budget uses \$12.4 million in federal Coronavirus Relief Funds unspent by the agency in 2019-21 to pay for one-time expenses related to the agency's response to the COVID-19 pandemic. These expenses include \$3 million for vaccine incentives and lottery payments, which were announced in summer 2021; \$9 million for incentives; largely hiring and retention bonuses, for the behavioral

health workforce; and \$0.4 million for health equity grants. These funds were transferred to OHA from the Department of Administrative Services and are budgeted as Other Funds.

Home and Community Based Services (HCBS)

An additional \$30.3 million Federal Funds and 10 limited duration positions (6.30 FTE) are included to support OHA's spending plan for temporary enhanced federal funds for state Medicaid spending on home and community-based services. The enhanced federal match, which represents a 10% increase, is available under the American Rescue Plan Act (ARPA) for the period April 1, 2021 through March 31, 2022. Since the intent is to advance the service delivery system rather than provide state fiscal relief, ARPA also requires states to use state monies equivalent to the amount of the 10% FMAP increase to fund activities to enhance, expand or strengthen Medicaid home and community-based services. The spending plan funded under this action is consistent with the plan presented by both OHA and the Department of Human Services to the January 2022 meeting of the Interim Joint Committee on Ways and Means.

Administrative and Shared Services Positions

The bill includes \$3.8 million General Fund (\$5.1 million total funds) for 25 positions (22.56 FTE) to support multiple administrative and programmatic functions across the agency. The positions include 19 for human resources functions, including 10 for recruitment and retention, seven for classification and compensation reviews, and two for labor relations. The remaining six positions are for expanded work directed by the agency's Chief Financial Officer, a health equity manager and three limited duration positions in Health Policy and Analytics, and one position in the Public Health Division's federally funded Injury and Violence Prevention Program. The three limited duration positions in Health Policy and Analytics are funded with vacancy savings transferred from the Central Services Division and will work on a stopgap data repository for the implementation of HB 3159 (2021).

An additional \$983,411 million General Fund (\$3.1 million total funds) and 10 positions (6.30 FTE) are included for the Office of Information Services, which is a shared administrative service supporting both OHA and the Department of Human Services. The positions are included to address increasing project demands and the need to decrease wait times for projects to start.

Other Adjustments

The measure also includes the following additional investments in OHA:

- \$15 million in one-time General Fund for distribution to Seeding Justice for advancing reproductive health equity.
- \$5 million General Fund in the Public Health Division to increase support for the Healthy Homes program established in HB 2842 (2021). This program provides grants to repair and rehabilitate residences for low income households and landlords with low-income tenants.
- \$1.5 million General Fund and \$2.9 million Federal Funds in the Health Systems Division to increase specific applied behavior analysis fee-for-service and coordinated care rates for behavior treatment with protocol and family behavior treatment guidance.

- \$246,476 General Fund and \$89,898 Federal Funds to support two positions (1.26 FTE) in the Health Systems Division and Public Health Division. These positions, both of which are Operations and Policy Analyst 3 positions, will support OHA’s role in implementing the community violence prevention grant program established by HB 4045 (2022).

Department of Human Services

HB 5202 adjusts the Oregon Department of Human Services (ODHS) budget for updated caseload forecasts, and other cost variations to rebalance the agency’s budget. The measure also includes several program investments. The following table provides a high-level summary of these changes:

Oregon Department of Human Services						
2021-23 Adjustments Approved in HB 5202	General Fund	Other Funds	Federal Funds	Total	Positions	FTE

Vocational Rehabilitation Rate Parity

The Subcommittee approved \$3.6 million Other Funds expenditure limitation on an ongoing basis for the Oregon Department of Human Services to increase provider rates for Vocational Rehabilitation (VR) employment services. Effective July 1, 2022, VR rates for employment services will increase to match the Office of Developmental Disabilities Services rates for employment services. The increase will be supported through the 2023-25 biennium using an accumulated balance in the Youth Transitions program. Beginning in 2025-27, General Fund would be needed to cover the ongoing cost. As part of this package, four permanent, full-time Program Analyst 2 positions (2.52 FTE) were authorized to conduct outreach and provide technical assistance to current and prospective employers at a total cost of \$503,528, including \$468,808 for personal services, and \$34,720 for services and supplies. In the current biennium, these costs are covered using repurposed General Fund savings of \$251,768 and existing Federal Funds limitation of \$251,760.

Non-State Employee Compensation Changes

The Subcommittee approved a \$20 million General Fund appropriation (\$58.2 million total funds) to the Oregon Department of Human Services to support the cost of collective bargaining agreements for non-state workers. This covers a workforce of more than 39,000 adult foster home providers, personal support workers, and home care workers who collectively serve an estimated 31,000 Oregonians monthly. Personal Support Workers care for clients in the Intellectual and Developmental Disabilities program. Home Care Workers serve clients in the Aging and People with Disabilities program. There is a corresponding decrease of \$20 million General Fund to the special purpose appropriation established by HB 5006 (2021) to cover the cost of non-state employee compensation changes.

Home and Community-Based Services Investments

The Subcommittee approved \$435.6 million Federal Funds expenditure limitation and 95 limited-duration positions at the Oregon Department of Human Services to implement various investments in Medicaid home and community-based services (HCBS) funded by one-time enhanced federal funds authorized in the American Rescue Plan Act. This includes investments in the HCBS program infrastructure, workforce, and consumer and provider benefits. At ODHS, HCBS services are primarily administered by the Intellectual and Developmental Disabilities (I-DD) and Aging and People with Disabilities (APD) programs. This package includes \$251.8 million Federal Funds and 57 limited-duration positions (50.17 FTE) for the I-DD program, and \$183.8 million Federal Funds and 38 limited-duration positions (30.19 FE) for the APD program.

Employee Incentive Payments

The Subcommittee approved \$1.5 million General Fund (\$11.6 million total funds) for the Oregon Department of Human Services to fund retention incentive payments for direct care workers in nursing facilities, child and adult group homes, and the Stabilization and Crisis Unit. Specifically, these dollars are provided to fund: (1) a one-time \$500 bonus for eligible staff working in group homes and nursing facilities during the period October 8, 2020 through November 15, 2021; and, (2) a temporary pay raise lasting through January 31, 2022 for Stabilization and Crisis Unit (SACU) employees who provide direct resident care. In addition to General Fund dollars, this package includes \$7.8 million in Other Funds expenditure limitation, which was inadvertently established for American Rescue Plan Act (ARPA) Coronavirus State Fiscal Recovery Fund instead of for Coronavirus Relief Fund (CRF) monies to be transferred to DHS from the Oregon Department of Administrative services, and \$2.3

million in Federal Funds expenditure limitation. A corrective adjustment will be requested at a later date to allow the Other Funds expenditure limitation to support the use of CRF instead of ARPA funding.

Child Welfare Positions

The Subcommittee approved an increase of \$15.9 million General Fund (\$26.3 million total funds) and 99 permanent positions (87.12 FTE) for the Oregon Department of Human Services to address non-budgeted positions in the Child Welfare program and in other areas of the department that support the Child Welfare program. This includes \$10.9 million General Fund and 59 positions (51.92 FTE) in the Child Welfare program, \$4.4 million General Fund and 34 positions (29.92 FTE) in Central Services, and 0.5 million General Fund and six positions (5.28 FTE) in State Assessment and Enterprise-wide Costs for child-welfare related work. There is a corresponding decrease of \$15.9 million General Fund to the special purpose appropriation established by SB 5529 (2021) to cover the cost of these positions.

Behavior Rehabilitation Services

The Subcommittee approved a joint request from the Oregon Department of Human Services and the Oregon Youth Authority to repurpose \$7.7 million in General Fund savings (\$12.9 million total funds) resulting from lower than budgeted utilization in the Behavior Rehabilitation Services (BRS) program to support systems of care for children and families, including \$3 million General Fund on a one-time basis for supplemental payments to BRS providers and other contracted community-based providers experiencing COVID outbreaks and quarantines, effective November 1, 2021 through June 30, 2023; and, \$4.7 million General Fund on a one-time basis to reserve bed capacity, effective January 1, 2021 through June 30, 2023.

Treatment Foster Care Services

The Subcommittee approved a one-time increase of \$250,000 General Fund in the Oregon Department of Human Services budget to support contracts for technical assistance in the development of culturally responsive behavioral health treatment foster care services, a new type of care -- piloted through a funding allocation from the 2019 legislative session -- that leverages Behavior Rehabilitation Services and Community Based Behavioral Health Services through the Oregon Health Authority and Coordinated Care Organizations. This initiative is intended to provide whole-child care for children with psychiatric needs within a familial setting.

Temporary Assistance to Needy Families

The Subcommittee approved an increase of \$1 million General Fund and \$25.1 million Federal Funds expenditure limitation for the Oregon Department of Human Services' Self-Sufficiency program to implement changes to Temporary Assistance to Needy Families (TANF) eligibility and cash benefits and to expand access to contracted Family Supports and Connections services. The package includes:

- \$63,650 General Fund (\$0.3 million total funds) to increase the TANF resource limit from \$2,500 to \$10,000, allowing families to retain more of their resources and still qualify for cash assistance.
- \$0.9 million General Fund (\$4.5 million total funds) to end full-family disqualifications. This will allow the Self-Sufficiency program to assign 75% of the monthly cash grant to the dependent child in the assistance unit, preserving family income support for the children.

- \$13.8 million Federal Funds expenditure limitation to implement a clothing allowance benefit that will provide TANF participants three \$270 clothing allowances per year -- in the fall, winter, and summer.
- \$7.3 million Federal Funds expenditure limitation to expand access to Family Supports and Connections services focused on child abuse and neglect prevention strategies, such as home visits, parental training, and coping skills, which have been shown to reduce reliance on child welfare services. Of the total, \$7 million is to be used to expand access to these services to more than 4,800 TANF and SNAP families, \$330,000 is to be used to expand the availability of culturally responsive services through the Cultural Enhancement Project, and \$17,700 is to expand Parent Voice, which provides compensation to parents to facilitate their participation in the program design process and support ongoing parental engagement in programming.
- \$177,788 Federal Funds limitation for one permanent full-time Operations and Policy Analyst 3 position (0.63 FTE) to support implementation and ongoing operations of the program. This includes \$147,812 for personal services, and \$29,976 for services and supplies costs.

This package is mostly funded using a one-time accumulated balance of TANF block grant funds the department estimates will be fully expended in the 2025-27 biennium, at which point a larger share of the cost would potentially need to be covered by the General Fund. The timeframe could vary depending on several variables, including, most notably, TANF caseload trends and how long it takes to expand the contracted provider network to meet the funded service levels. During the 2023 legislative session, an informational hearing will be scheduled in the Human Service Subcommittee for the agency to provide an update on implementation of the TANF changes funded in this package.

Emergency Food Supply

A one-time increase of \$3 million General Fund was approved to fund the Oregon Food Bank's emergency food supply stabilization efforts.

2-1-1 Information Service

A one-time increase of \$1 million General Fund was approved to support making the 2-1-1 information service available 24 hours a day, seven days a week. The 2-1-1 information service helps Oregonians identify, navigate, and connect with local resources, including, for example, food, emergency shelter, and utility assistance resources.

Family Treatment Courts

The Subcommittee approved \$1.1 million General Fund for the Oregon Department of Human Services to support family treatment courts, including a new program in Clatsop County and an existing program in Columbia county. The package includes \$133,819 for one permanent full-time position (0.50 FTE) to serve on a statewide family treatment court governance committee; \$759,880 to cover ODHS' legal bills for Department of Justice support; and, \$213,275 to assist families participating in the family treatment courts in Clatsop and Columbia counties.

Long Term Care Provider Rates

To address the higher costs of providing long-term care during the public health emergency and to preserve access to care, an increase of \$35.2 million General Fund (\$102.1 million total funds) was approved for the Department to increase Medicaid rates for nursing facilities, home and community based care providers, in-home care agencies, and children’s intensive care private duty nurses. This includes:

- For nursing facility providers, \$13.4 million General Fund one-time (\$37.5 million total funds) to extend the 5% COVID add-on through the end of the 2021-23 biennium. Under current law, this add-on will expire on March 31, 2022.
- For community-based care providers, \$9.7 million General Fund one-time (\$28.8 million total funds) to extend the 5% COVID add-on through the end of the 2021-23 biennium, and \$8.2 million General Fund ongoing (\$24.2 million total funds) to increase the COLA for these providers to 10% for the second year of the biennium. Under current law, the COVID add-on will expire on March 31, 2022, and the COLA is set at 5%.
- For in-home care agencies, \$2.1 million General Fund one-time (\$6.3 million total funds) to extend the 5% COVID add-on through the end of the 2021-23 biennium, and \$1.8 million General Fund ongoing (\$5.3 million total funds) to increase the COLA for these providers to 10% for the second year of the biennium.
- For children’s intensive care private duty nurse providers, \$46,000 General Funds ongoing (\$115,000 total funds) to increase the COLA to 10% for the second year of the biennium. Current law provides for a 5% increase.

Additionally, \$10 million General Fund was approved on a one-time basis to reimburse nursing facilities for the costs of testing employees for COVID-19, as well as \$2.5 million General Fund on a one-time basis to ensure access to essential long-term care services and supports in underserved communities.

Workload/Staffing Impacts of Provider Time Capture and ONE Eligibility Systems Rollout

During the 2022 legislative session, agency stakeholders expressed concerns about workload and staffing impacts related to both the Provider Time Capture and ONE integrated eligibility systems. Since both systems are relatively new, having been implemented in the last year, there have been challenges related to that transition. Other workload demands and staffing shortages are more tied to increases or changes in caseloads primarily due to the pandemic; some policy or legislative changes have driven others. Due to these concerns, the Subcommittee approved the following budget note:

BUDGET NOTE: The Oregon Department of Human Services (ODHS) will work with stakeholders to collect information on the impacts of the Provider Time Capture and ONE integrated eligibility systems on workload and staffing for both ODHS and agency partners. The compiled information should be provided as an addendum to the Department staffing proposal required to be prepared and reported on this year under HB 2102 (2021).

During the 2023 legislative session, an informational hearing will be held in the Human Services Subcommittee for ODHS and stakeholders to provide information on workload and staffing issues, along with potential solutions and/or related budget recommendations.

Shared Services - Information Services, Financial Services, and Internal Audits

An increase of \$1.2 million General Fund (\$3.2 million total funds) was approved for the Oregon Department of Human Services' Shared Services Offices. Specifically, this includes \$0.7 million General Fund (\$1 million total funds) for special payments to cover ODHS' share of cost for ten new permanent full-time positions in the Oregon Health Authority budget for the Office of Information Services for information technology project support; \$0.4 million General Fund (\$1.5 million total funds) for six permanent full-time positions (3.78 FTE) in the Office of Financial Services for workload related to reporting, accounts payable, and accounting structures; and, \$0.2 million General Fund (\$0.7 million total funds) for two permanent full-time positions (1.38 FTE) in the Internal Audit Center for workload related to controls and practices in federal funds accounting and monitoring.

Office of Resiliency and Emergency Management - Staffing Agency Contracts

The Subcommittee approved a one-time General Fund increase of \$9.2 million for the Oregon Department of Human Services to address pandemic-related staffing shortages experienced by Office of Developmental Disabilities Services' providers serving vulnerable Oregonians. In October 2021, ODHS contracted with several staffing resource agencies to help providers fill gaps in coverage for a 90-day period - through the end of December. The contracts were subsequently extended for a second 90-day period. The funding in this package is intended to cover contract costs for the period October 1, 2021 through March 31, 2022.

As part of HB 5006 (2021), the Legislature approved 9 limited-duration positions (7.50 FTE) for ODHS' Office of Resiliency and Emergency Management to support wildfire recovery and other efforts. The Subcommittee approved making these permanent full-time positions in support of the agency's responsibilities under the state's Comprehensive Emergency Management Plan.

Fall 2021 Rebalance

For the Oregon Department of Human Services' first financial rebalance of the 2021-23 biennium, the Subcommittee approved adjustments resulting in a net General Fund savings of \$38.2 million, an Other Funds expenditure limitation increase of \$109.2 million, and a Federal Funds expenditure limitation decrease of \$7 million; and, authorized a total of 71 new positions (45.60 FTE). The adjustments encompass a number of issues affecting the ODHS' budget, including savings or funding gaps due to changes in caseload, cost per case, and the federal medical assistance percentage (FMAP); costs associated with COVID-19; and other program changes arising since the 2021 legislative session. The major ODHS rebalance adjustments include:

- \$64.9 million General Fund decrease due to lower Fall 2021 caseload, compared to Spring 2021.
- \$24.4 million General Fund decrease resulting from an increase in the FMAP rate.
- \$24.9 million General Fund increase for higher costs per case in the Intellectual/Development Disabilities and Child Welfare programs.
- \$8.5 million General Fund increase to cover contracts for additional nursing facility beds to mitigate COVID-19-related hospital bed shortages in Southern Oregon.
- \$9.5 million General Fund increase to reimburse nursing facilities for costs related to testing employees for COVID-19.

- \$3.1 million General Fund increase for 24 positions (14.86 FTE) to implement HB 3352 which expanded health coverage to adults who would be eligible for Medicaid except for their immigration status HB 3352 (2021).
- \$40 million increase in Other Funds expenditure limitation for anticipated wildfire-related FEMA reimbursement.
- \$69.4 million increase in Other Funds expenditure limitation for anticipated COVID-related FEMA reimbursement.
- \$12.3 million increase in Federal Funds expenditure limitation for TANF Pandemic Emergency Assistance Payments.
- \$7.3 million increase in Federal Funds expenditure limitation and three positions (2.33 FTE) in Vocational Rehabilitation to implement the federal Disability Innovation Fund grant.
- \$3.1 million increase in Federal Funds expenditure limitation for 25 permanent positions (16.75 FTE) to serve SNAP navigators.
- \$1.6 million increase in Federal Funds expenditure limitation for 10 limited-duration positions (5.80 FTE) to administer federal grants to enhance and improve adult protective services and support COVID-19 prevention and response activities.

In addition, various budget-neutral technical adjustments were approved related to internal transfers of positions and funding. The agency noted in the rebalance report several potential risks to its budget, including for example, changes in program caseloads and cost per case, the impact of COVID policies on workload and staff resources and general uncertainty regarding the resources required to implement legislative program changes.

Office of Immigrant and Refugee Advancement Transfer

SB 1550 (2022) transfers the Office of Immigrant and Refugee Advancement from the Office of the Governor to the Oregon Department of Human Services, including four positions (3.83 FTE) --which have not been filled since being established--and \$1,376,037 General Fund; these budget adjustments are included in HB 5202.

Long Term Care Ombudsman

The Subcommittee approved an Other Funds expenditure limitation increase of \$258,160 for the Long Term Care Ombudsman to allow the agency to use federal American Recovery Plan Act funds transferred from the Oregon Department of Human Services for COVID-19 response activities. Also approved was \$6,000 Other Funds expenditure limitation to allow the agency to use donations received in support of the Oregon Public Guardian and Conservator program.

JUDICIAL BRANCH

Oregon Judicial Department

The Subcommittee approved a \$3.9 million General Fund and authorized the establishment of 40 permanent full-time positions (20.00 FTE) for expansion of the pretrial release program. The department will provide Release Assistance Officers (RAO) in 17 counties that currently do not have pretrial release staffing and augment staffing in two additional counties with established programs (Josephine and Washington).

For the reorganization of the Office of the State Court Administrator, the Subcommittee approved \$2.4 General Fund and authorized the establishment of 15 permanent full-time positions (8.75 FTE) with instructions that the Department work with the Legislative Fiscal Office to align the Department's 2023-25 budget structure with the reorganization.

The Subcommittee approved \$762,623 General Fund and authorized the establishment of three permanent full-time positions (1.50 FTE) for family treatment courts. The Department will convene a statewide family treatment court governance committee, add a new family treatment court in Clatsop County and augment staffing to an existing family treatment court in Columbia County.

To replace aging grand jury recording equipment, the Subcommittee approved \$337,000 General Fund, on a one-time basis. The Subcommittee also approved \$275,752 in Federal Funds expenditure limitation, on a time-time basis, and authorized the establishment of two limited duration (1.00 FTE) to perform work for a U.S. Department of Health and Human Services, Administration of Community Living, Elder Justice Innovation grant. The grant is to conduct a self-assessment of guardianship and conservatorship monitoring practices across circuit courts.

The Subcommittee approved \$113,700 and authorized the establishment of one permanent full-time Law Clerk (0.58 FTE) in the Tax Court to assist with the Corporate Activities Tax caseload.

For the Clackamas County Courthouse replacement project, the Subcommittee approved a supplemental increase of \$95.4 million Other Funds expenditure limitation, on a one-time basis. The request includes \$94.5 million of state matching funds and \$900,000 for costs of issuance of the bonds. The Legislature in 2021 authorized the issuance of \$95.4 million in Article XI-Q general obligation bond (SB 5505, 2021) to funds that state's matching funds commitment. The draft Master Funding Agreement meets the constitutional requirements for the issuance of general obligation bonds and the and statutory requirements under the Oregon Courthouse Capital Construction and Improvement Fund.

The Subcommittee approved a supplemental increase of \$8.9 million Other Funds expenditure limitation, on a one-time basis, for the Crook County Courthouse replacement project. The request includes \$4.4 million of state matching funds, including \$28,295 for bond costs of issuance, and \$4.4 million to meet the local matching funds requirement. Article XI-Q general obligation bond proceeds will be used to fund the state's matching funds commitment (SB 5701). Also approved was \$1.5 million General Fund, on a one-time basis, for a Deschutes County Circuit Court renovation and expansion project and \$2 million General Fund, on a one-time basis, for Columbia County Courthouse life safety and accessibility improvements.

To support a single, coordinated eportal to connect Oregonians with civil legal assistance, the Subcommittee approved \$2.3 million General Fund, on a one-time basis, for distribution to the Oregon State Bar Association for the OregonLaw+Connect information technology project.

The budget changes approved for the Department also include following technical adjustments:

- Re-establishment of a 2019-21 biennium \$2 million General Fund appropriation, on a time-time basis, for planning for the replacement of the Benton County Courthouse.
- Transfer \$250,000 Other Funds expenditure limitation for Article XI-Q general obligation bond cost of issuance associated with the Supreme Court Building Renovation Project from the Capital Construction to the Administration and Central Support Division.
- Transfer 2019-21 General Fund Carryforward savings for the Counsel on Court Procedures (\$51,710) and debt service (\$10,249) to the Administration and Central Support Division.

Public Defense Services Commission

For the procurement of indigent defense counsel in Multnomah, Washington, Marion, and Lane counties, the Subcommittee approved \$12.8 million General Fund, on a one-time basis. The appropriation will address the current backlog of unrepresented clients in the four counties and provide increased attorney capacity for the remainder of the biennium, according to PDSC.

The Subcommittee approved \$743,588 General Fund, on a one-time basis, and authorized the establishment of two positions (1.26 FTE) for the re-initiation of the planning phase of the Financial and Case Management information technology project. A budget note was also adopted:

BUDGET NOTE: The Public Defense Services Commission is directed to report to the Joint Legislative Committee on Information Management and Technology and the Joint Committee on Ways and Means during the 2023 legislative session on the status of the re-initiation of the planning phase of the Financial/Case Management System (F/CMS) information technology project. The report shall include: a detailed business case, project timeline, and cost estimates. The Commission is to follow the Stage Gate or a similar disciplined process related to information technology projects, including development of key artifacts and independent quality assurance oversight.

Other approved changes are an increase of \$380,436 General Fund, on a one-time basis, and the authorization to establish of one limited duration full-time position (0.50 FTE) to implement SB 578 (2021) and the payment of private counsel, with instruction that the agency work with the Legislative Fiscal Office to establish a new budget structure in the state's budget system for civil-related activities.

The Subcommittee approved \$259,969 General Fund and authorized the establishment of one permanent full-time position (0.58 FTE) for the Appellate Division, Juvenile Appellate Section, to support caseload growth. Related to family treatment courts, the Subcommittee approved \$195,833 General Fund and authorized the establishment of one permanent full-time position (0.50 FTE) in the Juvenile Division. The position will serve on a statewide family treatment court governance committee.

Commission on Judicial Fitness and Disability

The Subcommittee approved \$15,000 of General Fund, on a time-time basis, to resolve an underfunding Other Payroll Expenses for the Commission's executive director position.

LEGISLATIVE BRANCH

Legislative Administration Committee

The Subcommittee approved increasing Other Funds expenditure limitation by \$4,205,000 for the balance of general obligation bond proceeds issued in the prior biennium for the Document Publishing and Management System (DPMS) that will be expended during 2021-23. Other Funds expenditure limitation of \$235,000 was also established for the cost of issuing Article XI-Q bonds authorized in SB 5701 for the third phase of the Capitol Accessibility, Maintenance, and Safety (CAMS) project to further capital improvements to the State Capitol Building, including upgrades to the 1938 building for improved functionality, fire protection systems, seismic retrofits, roof repairs, security upgrades, IT and media modernization, and upgrades to remaining mechanical, electrical, and plumbing equipment not addressed in phases I and II. Bonds are scheduled to be sold in spring 2023, so no additional debt service is due in the 2021-23 biennium. CAMS III has a total estimated cost of \$375 million through the 2023-25 biennium, with a total of \$242,711,000 approved in the Capital Construction bill (SB 5702) through a combination of bond proceeds (\$19,630,000) and General Fund (\$223,081,000) to support 2021-23 expenditures.

A one-time General Fund reduction of \$23,178,950 from unexpended 2019-21 General Fund legislative agency appropriations was approved to partially support the cost of CAMS III. Reductions eliminated General Fund carried forward for the Legislative Assembly, Legislative Fiscal Office, Legislative Policy and Research Office, Legislative Revenue Office, and Commission on Indian Services and reduced Legislative Administration and Legislative Counsel carryforward balances to \$1,077,899 and \$153,036, respectively. The remaining unexpended 2019-21 General Fund in Legislative Administration will support the addition of a permanent full-time Security Manager position (0.54 FTE) totaling \$123,416 and additional security projects and costs of \$500,000 in the 2021-23 biennium. The balance in Legislative Counsel is anticipated to support additional publication services staff overtime costs.

NATURAL RESOURCES

Department of Agriculture

The Subcommittee approved a one-time General Fund appropriation of \$180,000 to support the Department's Animal Rescue Entity Program established by SB 883 (2019). This program regulates animal rescue entities through licensure and inspections of facilities and was intended to be a self-funded program. When first established, there was anticipated to be around 515 organizations that would require licensure in Oregon, however ORS 609.415 provides that entities with less than ten animals in their custody are not required to be licensed. To date, only 135 entities are full licensed, while 104 report being under the 10-animal requirement. As a result, the annual fee of \$375 is not sufficient to fund the Natural Resource Specialist 3 (1.00 FTE) position that administers the program. The funding provided is intended to keep the program operational for the remainder of the biennium, and the Department is expected to return to the 2023 legislature with proposals for program sustainability.

Additionally, the Subcommittee approved the establishment of two limited duration positions, a full-time Program Analyst 1 (0.71 FTE) and a half-time District Veterinarian (0.35 FTE) as part of a National Animal Disease Preparedness and Response Program grant received from the U.S. Department of Agriculture. The legislature provided retroactive permission to apply at the November 2021 meeting of the Interim Joint Committee on Ways and Means and the Department received funding in December 2021.

Columbia River Gorge Commission

A General Fund appropriation of \$25,000 was provided for the Columbia River Gorge Commission to cover Oregon's 50 percent share of increased operating costs. The increased costs were a result of increases in Washington's budget related to audit services, central services, wage increases, and employee insurance benefits.

State Department of Energy

The Subcommittee approved a one-time General Fund appropriation of \$5 million for the solar rebate program established in HB 2618 (2019). The \$5 million will be deposited into the Rooftop Solar Incentive Fund for the issuance of rebates and to pay for implementation and administration of the solar rebate program. This is the program's third influx of one-time General Fund, including \$2 million in 2019-21, and \$10 million in HB 5006 (2021). This additional amount available for rebates can be administered within existing resources.

The Subcommittee also approved an adjustment to the General Fund debt service provided to the Department for the Small-Scale Energy Loan Program (SELP). This debt service, totaling \$3.5 million, is due to losses sustained from loans dating back to 2007 and was provided in HB 5006 (2021) to cover bond payments due in April 2022 and 2023. However, the statutory provisions of the SELP program require that any debt service payments must be paid through the Small-Scale Local Energy Project Administration and Bond Sinking Fund established in ORS 470.300. As a result, the General Fund debt service provided in HB 5006 has been eliminated and \$3.5 million of General Fund has been appropriated for deposit into the Sinking Fund. A corresponding Other Funds expenditure limitation has been provided to pay the debt service out of the Fund in 2022 and 2023.

Department of Environmental Quality

As part of an overall statewide investment in climate, the Subcommittee approved two separate one-time General Fund appropriations of \$15 million to be deposited into dedicated funds for programs at the Department of Environmental Quality (DEQ). The first \$15 million was deposited into the Zero-Emission Incentive Fund to provide additional funding for the electric vehicle rebate program known as the Oregon Clean Vehicle Rebate Program. This program was established in HB 2017 (2017) and is funded from privilege tax revenue of approximately \$12 million per year. With increased growth in the electric vehicle sector in recent years, the program is anticipated to be oversubscribed. A corresponding \$15 million of Other Funds expenditure limitation was provided for DEQ to expend the monies in the fund in the form of additional rebates, which can be administered within existing agency resources.

The second \$15 million was deposited into the Medium and Heavy-Duty Electrification Fund, established in HB 4139 (2022) for a grant program supporting medium and heavy-duty zero-emission vehicle charging and fueling infrastructure projects. This one-time funding is intended to support grants to public or private entities for capital improvements and technical assistance to support the installation of charging infrastructure for zero-emission medium and heavy-duty vehicles. Projects will be awarded through a competitive request for proposal process with priority given to projects located in communities disproportionately impacted by diesel pollution or are connected to proposed or existing transportation corridor projects, and projects that demonstrate available matching funds. A corresponding \$15 million of Other Funds expenditure limitation was provided to expend the monies in the fund. Included in this amount are anticipated costs for administrating the grant program, including the establishment of a limited duration Operations and Policy Analyst 2 position (0.63 FTE). Total administrative costs are estimated to be \$373,329 in the 2021-23 biennium, including potential contracting costs. Depending on the Department's ability to initiate the program, demand for the grants and distribution of available funding, DEQ may need to request carry forward of Other Funds limitation and position authority for this program as part of its 2023-25 budget request.

The Subcommittee provided the following instruction to the Department of Environmental Quality and the Department of Transportation:

BUDGET NOTE: The Department of Environmental Quality and the Oregon Department of Transportation are directed to report back to the Joint Committee on Transportation and the appropriate interim budget committee by December 1, 2022, with an analysis of existing incentives available to support the transition to zero emission medium and heavy duty transportation fleets. The agencies are further directed to research incentives offered in other states and to provide recommendations on expanding or creating incentives to support businesses in the transition to zero emission medium and heavy-duty vehicles. This effort should include analyses on incentives for both vehicles and electric charging or other fuel infrastructure.

Additionally, the Subcommittee approved \$517,000 General Fund to support laboratory operations, including \$217,000 for a permanent full-time Principle Executive Manager E position (0.63 FTE) to aid in management and operations of the DEQ Lab. Costs of this position are distributed across all three major program areas of Air Quality, Water Quality, and Land Quality. Of the amount provided, \$300,000 is one-time for the repair or replacement of analytical equipment. The Subcommittee also approved \$484,553 General Fund for information technology costs related to DEQ's use of the State Data Center and increased use of enterprise and backup storage as well as LAN services. These costs are part of assessments paid to the Department of Administrative Services.

Finally, the Subcommittee approved \$56,604 Other Funds expenditure limitation and establishment of a permanent half-time Operations and Policy Analyst 2 position (0.25 FTE) to oversee the Mattress Stewardship Program established by SB 1576 (2022). Funding for the position is expected to come from an annual fee, to be established by rule, paid by stewardship organizations.

State Department of Fish and Wildlife

As part of a statewide drought resiliency package, the Subcommittee approved \$15.6 million General Fund to the Department of Fish and Wildlife (ODFW). Included in this funding is \$8 million for fish passage barrier removal, \$5 million for deposit into the Oregon Conservation and

Recreation Fund established in HB 2829 (2019), and \$2.6 million for activities to improve drought resiliency including river temperature and streamflow monitoring. The Department anticipates utilizing these funds for the procurement of temperature loggers and streamflow gauges, to conduct coldwater refugia mapping, and to address a backlog of new instream water right applications. To accomplish this work, ODFW will establish seven limited duration positions (3.33 FTE) including two Natural Resource Specialist 3's and a Natural Resource Specialist 2 (0.67 FTE each), and four Biological Science Assistants (0.33 FTE each). Cost of the positions is anticipated to be \$541,116 General Fund. Included in the total is at least \$750,000 of funding to the U.S. Geological Survey (USGS) for placement and maintenance of approximately 25 streamflow gauges, with the possibility for matching funding from USGS that would increase that total to 50.

The General Fund provided for the drought resilience package is one-time, except for the USGS funding and \$50,000 for gauges to be placed in priority basins identified by the Department. With only 16 months remaining, it may be difficult for the Department to accomplish some of the anticipated activities by the end of the biennium, considering that much of this work is related to gathering and analyzing ongoing data. It would not be unexpected for the Department to seek supplementary or ongoing resources as part of the agency's 2023-25 budget request.

Finally, \$6 million of Other Funds expenditure limitation was approved for funds deposited into the Oregon Conservation and Recreation Fund, including the \$5 million mentioned above and \$1 million from American Rescue Plan Act Coronavirus State Fiscal Recovery Fund monies designated in HB 5006 (2021).

Department of Forestry

The Subcommittee approved an appropriation of \$46,298,469 General Fund to the Oregon Department of Forestry for the payment of emergency fire costs related to the 2021 wildfire season. Of the total amount, \$6,141,267 was provided to address the payment of costs associated with severity resources. A corresponding reduction in the special purpose General Fund appropriation to the Emergency Board for severity resources was also made. The remaining \$40,157,202 is the net estimated direct cost of emergency fire suppression allocated to the General Fund. Additionally, an increase of \$78,218,491 Other Funds expenditure limitation was approved for the processing of payments of expenses incurred during the 2021 fire season that are anticipated to be paid from non-General Fund sources including: federal agency reimbursements, federal emergency fire grant assistance, other agency reimbursements, and private landowner assessments.

Department of Land Conservation and Development

Other Funds expenditure limitation of \$90,660 was provided for the Department of Land Conservation and Development from the City Economic Development Pilot Program Fund established by HB 2743 (2017). The expenditure limitation had been inadvertently phased out by the Department during the previous budget cycle. Approximately \$36,700 in funds remain in the City Economic Development Pilot Program Fund. The funds were provided by the City of Madras for the pilot program. The funding will be returned to the City of Madras less any costs associated with the Department's report required by section 5 of HB 2743 (2017).

The Subcommittee approved one-time General Fund of \$150,000 for the Department of Land Conservation and Development (DLCD) to expand current work on the Regional Housing Needs Analysis implementation. This investment will allow the agency to support anticipated interim

work by legislators and stakeholders around housing and land supply issues; that support may include professional facilitation along with administrative, logistical, and technical services.

Land Use Board of Appeals

A joint report that was due during the 2022 Legislative session between the Land Use Board of Appeals and Department of Administrative Services Enterprise Information Services was deferred until the end of 2022. The report was to provide progress on foundational work for an electronic filing and case management system for the Board, including any funding requirements. The Board stated that it has not had the staff capacity to oversee or initiate this project due to two of the six Board personnel being on extended leave in 2021.

Oregon State Marine Board

To support expenditure of a recent grant award from the National Oceanic and Atmospheric Administration, an increase in Federal Funds expenditure limitation of \$50,000 was approved; this funding will be used to remove and mitigate abandoned and derelict vessels.

Department of State Lands

A one-time General Fund appropriation of \$121,000,000 for the Department of State Lands (DSL) was approved by the Subcommittee. It is intended to satisfy the financial obligations to the Common School Fund related to the Elliot State Forest. The Forest was appraised in 2016 at a value of \$221 million, and \$100 million was paid to the Common School Fund from the proceeds of certificates of participation that were authorized for issuance in 2019. Based on this appraisal, decoupling the Forest from the Common School Fund is estimated to cost \$121 million. Once decoupled, the Elliot State Forest would transfer from DSL oversight to the newly established Elliott State Research Forest Authority as provided in HB 1546 (2022). Satisfying the financial obligations to the Common School is one of the tasks that must be completed prior to that measure becoming operative on January 1, 2024.

A one-time General Fund appropriation of \$1 million was provided to DSL for deposit into the Oregon Ocean Science Fund established under ORS 196.567. The funds are to be spent by the Oregon Ocean Science Trust to further science and monitoring along Oregon's ocean and coastal habitats, which includes nearshore keystone species such as sea otters, kelp and eelgrass habitat, and sequestration of blue carbon. A corresponding Other Funds expenditure limitation increase was provided to DSL for these funds to be spent in the manner described.

Water Resources Department

A technical adjustment was included for the Water Resources Department that disassociated \$435,994 General Fund intended for the payment of limited-duration position costs and other associated administrative expenses of the Water Well Abandonment, Repair and Replacement Fund established by ORS 537.766 from monies that had been intended for deposit in the fund. Although the total amount of General Fund appropriated remains unchanged, this adjustment allows for the payment of these position costs directly instead of through the fund, which does not explicitly provide for this use of the monies in the fund. No additional position authority is provided with this adjustment as the positions were authorized by SB 5561 (chapter 4, Oregon Laws 2021, 2nd Special Session). A corresponding reduction in the Other Funds

expenditure limitation that was provided for the payment of costs associated with these positions and associated administrative expenses from the fund was also approved.

Oregon Watershed Enhancement Board

A \$239,000 one-time General Fund appropriation to the Oregon Watershed Enhancement Board (OWEB), the authorization to establish a limited duration position (0.67 FTE), and the extension of an existing position (0.36 FTE) was approved to support the OWEB administration of drought relief programs and funding as provided by chapter 4, Oregon Laws 2021. The appropriated amount includes funding for the direct position costs and position associated services and supplies costs.

The Subcommittee approved a one-time General Fund appropriation of \$5,203,786 to OWEB and the authorization to establish a limited duration position (0.63 FTE), for the purpose of creating a grant program to provide funding for on the ground actions supporting the recovery of natural resource lands impacted by the 2021 wildfire season. These actions include soil stabilization and erosion control, detection and treatment for invasive species, reseeding and replanting, habitat restoration and culvert repair or replacement. \$5 million will be distributed as grants with the remaining funding used to support position and other administrative costs of the program.

A one-time General Fund appropriation of \$10 million for deposit in the Flexible Incentives Account was also provided; a corresponding \$10 million Other Funds expenditure limitation from the account was established along with the authorization to establish a limited duration position (0.63 FTE) and extend the service of a second, existing, limited duration position (0.31 FTE) to support a program providing grants that support the voluntary transfer of water rights to improve legally protected streamflows. This support is supplemental, and additive to the agency's existing water acquisition grant program funded by lottery revenues.

A one-time General Fund appropriation of \$5 million General Fund for deposit in the Oregon Agricultural Heritage Fund was approved along with a corresponding establishment of a \$5 million Other Funds expenditure limitation from the fund and the authorization to establish three limited duration positions (1.57 FTE). The Oregon Agricultural Heritage Fund supports a number of activities including landowner succession planning, financial support for conservation management plans, covenants, and easements, funding for and direct technical assistance leading to those plans, covenants, and easements, administrative costs of the Oregon Agricultural Heritage Commission, and OWEB administrative costs related to working lands conservation programs.

The Subcommittee approved an increase of \$169,937 Lottery Funds expenditure limitation and the establishment of a limited duration, conservation outcomes specialist position (0.63 FTE). This action allows the agency to continue the limited duration position that had been established in the prior biennium but had not previously been continued into the current biennium due to revenue constraints. This position primarily functions to assist in the establishment and maintenance of the structure for monitoring and reporting results and outcomes of investments in watershed restoration.

An increase of \$1 million in the allocation of lottery monies from the Watershed Conservation Operating Fund to the Department of Agriculture via the Oregon Watershed Enhancement Board was approved to support the expenditure of those monies by the Department of Agriculture for grasshopper and cricket suppression efforts as authorized by section 8, chapter 4, Oregon Laws 2021, Second Special Session.

Allocations of Lottery Fund monies deposited in the Watershed Conservation Operating Fund provided to the following agencies, were approved to be increased by the following amounts to support increased expenditures for statewide budget adjustments including compensation changes driven by collective bargaining agreements:

- Department of State Police: \$249,144
- Department of Fish and Wildlife: \$118,337
- Department of Agriculture: \$213,188
- Department of Environmental Quality: \$224,550

PUBLIC SAFETY

Department of Corrections

The Subcommittee approved two budget-neutral fund shifts to utilize remaining fund balances from the Coronavirus Relief Funds (CRF) and American Rescue Plan Act (ARPA) monies provided to the state. Other Funds expenditure limitation of \$74,716,564 for CRF and \$363,582 for ARPA funding is provided, along with a corresponding decrease in General Fund. These federal funds are received by the Department of Administrative Services and passed through to the Department of Corrections for maintaining public safety services during the COVID-19 pandemic.

The Subcommittee approved several technical adjustments that shift costs between programs within DOC, including: \$6 million from central administration to operations for repair and maintenance projects; \$131,200 from operations to correctional services for the library services unit; and \$100,000 from central administration to correctional services for the community partner outreach program.

Finally, a one-time General Fund appropriation of \$51,421 was approved for a limited duration part-time Administrative Specialist 1 position (0.25 FTE) that will serve as a liaison for the Gender-Responsive Coordinator position established in the Governor's Office.

Oregon Criminal Justice Commission

The Subcommittee approved a one-time General Fund appropriation of \$300,000 for the legal services pilot program first established by HB 2631 (2019) and then reestablished by HB 4050 (2022) operating at the Coffee Creek Correctional Facility. The Criminal Justice Commission will administer payments for this program, which is operated by the Oregon Justice Resource Center.

Oregon Department of Emergency Management

The Subcommittee approved the necessary funding for the establishment of the Department of Emergency Management, effective July 1, 2022, outlined in HB 2927 (2021). The new Department will be structured with five major programs, including: Administration, the 9-1-1 Emergency Program, Preparedness and Response, Mitigation and Recovery, and Bond Debt Service.

- Administration program includes \$7,896,756 General Fund and \$484,877 Other Funds and 38 positions (18.83 FTE).
- 9-1-1 program is 100% Other Funds totaling \$68,337,111 and 10 positions (5.36 FTE).
- Preparedness and Response includes several federal grant programs like the Emergency Management Performance Grants, Homeland Security Grants, Regional Catastrophic Preparedness Grants, Geohazards Grants, and the SPIRE Grant program, which is funded by bond funding; \$757,611 General Fund, \$5,673,745 Other Funds, \$37,092,457 Federal Funds and 22 positions (10.82 FTE) make up this program.
- Mitigation and Recovery includes the federal Fire Assistance Grants, Flood Mitigation Assistance Grants, Pre-Disaster Grants, Hazard Mitigation Grants, and this program is also where Public Assistance and Individual Assistance funding would flow through for FEMA disaster-related payments. The program includes \$665,143,048 Federal Funds and 22 positions (11.00 FTE).
- Bond Debt Service consists of \$1,576,705 General Fund related to bonds issued for the SPIRE grant program.

Finally, \$20 million of one-time Other Funds expenditure limitation was provided for the Department to expend monies deposited into the Local Disaster Assistance Loan and Grant Account to be used as match for FEMA Hazard Mitigation Program grants. This will allow the Department to expend the funds beyond June 30, 2023 and maximize the available federal funding from FEMA. The Other Funds expenditure limitation will go in the Mitigation and Recovery program and the Department will likely need to request additional limitation as part of its 2023-25 budget development to expend any unspent funds.

Department of Justice

The Subcommittee approved the following Crime Victim and Survivor Services budget adjustments:

- \$15 million in Other Funds expenditure limitation, on a one-time basis, for community-based violence prevention grants. The revenue source is the American Rescue Plan Act Coronavirus State Fiscal Recovery Fund monies received by the Oregon Department of Administrative Services and transferred to the Department.
- \$11.25 million General Fund, on a one-time basis, for a potential revenue shortfall in the federal Victims of Crime Act grant (VOCA).
- \$10 million General Fund, on a one-time basis, for deposit into the Oregon Domestic and Sexual Violence Services Fund and an increase of \$10 million of Other Funds expenditure limitation for expenditure from the fund, for state-funded grants to domestic and sexual violence service providers throughout the state, including federally recognized tribal governments.
- \$2.8 million General Fund, on a one-time basis, for distribution to Court Appointed Special Advocates.

- \$2 million in the Other Funds expenditure limitation, on a one-time basis, for the Crime Victims and Survivor Services Division, as a special payment for distribution to nonprofit entities to assist survivors of domestic and sexual violence and human trafficking in maintaining or acquiring housing. The revenue source is the Housing and Community Services Department (HCSD) American Rescue Plan Act (ARPA) funding for the agency's Emergency Rental Assistance Program. The \$2 million is to be deposited into the Oregon Domestic and Sexual Violence Services Fund.

For the Legal Tools Replacement information technology project, the Subcommittee approved \$4.6 million in supplemental General Fund, on a one-time basis, and authorized the establishment of 13 limited duration positions (7.29 FTE) and \$5.1 million Other Funds expenditure limitation. The revenue source of the Other Funds is Article XI-Q general obligation bond (SB 5701) that will be issued in the spring of 2023 and fund a portion of project activities for the 2023-25 biennium. The Other Funds amount includes \$105,000 associated with the cost of the bond issuance. Debt service, which will begin in the 2023-25 biennium, is to come from legal billings to state agencies.

To address workload needs driven by state agencies, the Subcommittee approved a supplemental increase of \$2.3 million in the Other Funds expenditure limitation and authorized the establishment of nine permanent full-time positions (4.74 FTE) for the General Counsel Division to address workloads in the Natural Resources, Government Services, and the Tax and Finance Sections. The revenue to support this request is to come from billings to state agencies.

The budget approved by the Subcommittee includes a decrease of \$940,753 in the Other Funds expenditure limitation, an increase of \$1.2 million General Fund, and authorized the establishment of one permanent full-time position (0.58 FTE) for the Criminal Justice Division due to Department's withdrawal from the federal government's High Intensity Drug Trafficking Area (HIDTA) program beginning May 1, 2022. Five existing permanent full-time positions will be fund shifted from Other to General Fund then redeployed the positions into the Analytical and Criminal and Investigative Support Section. The newly authorized position will manage the Investigative Service Center, the Oregon Watch Center, the Titan Fusion Center, and the Oregon Critical Infrastructure Program.

The Subcommittee approved a decrease of \$213,517 General Fund, a decrease of \$37,146 in Other Funds expenditure limitation, and a decrease of \$486,565 in Federal Funds expenditure limitation and the abolishment of 12 permanent full-time positions (12.00 FTE) for the Division of Child Support to fund the procurement of a child support receipting and payment collection service for physically deposited payments.

The Subcommittee requested that the Department of Administrative Services (DAS) unschedule \$300,000 General Fund and \$389,630 Federal Funds for the Division of Child Support that was funded by the Legislature in 2021 (Policy Package #482) to fund the movement of the Child Enforcement Automated System (CSEAS) from a private data center to the DAS State Data Center. The funding may be rescheduled after the division presents a data migration plan to the Emergency Board as part of a request for the release of special purpose appropriation.

Related to family treatment courts, the Subcommittee approved a \$384,668 Other Funds expenditure limitation and authorized the establishment of two permanent full-time positions (1.00 FTE). One position (0.50 FTE) will serve on a statewide family treatment court governance committee and one position will support the Department of Human Services (DHS) in a new family treatment court in Clatsop County (0.25 FTE) and an existing family treatment court in Columbia County (0.25 FTE). Legal billings to DHS will pay program costs.

The Subcommittee approved \$314,528 General Fund and authorized the establishment of one permanent full-time Operation and Policy Analysts 4 (0.58 FTE) for the Commission on Statewide Law Enforcement Standards of Conduct and Discipline (HB 2930 (2021)). The position is to service as the executive director the commission under the Criminal Justice Division.

The following technical budgetary adjustments were also included in the agency's budget adjustments:

- Transfer \$447,784 Other Funds expenditure limitation and one permanent full-time positions (0.88 FTE) for the Fair Housing Enforcement initiative from the General Counsel Division to the Civil Enforcement Division.
- Reduce \$212,656 General Fund for the Defense of Criminal Convictions to reconcile the budget with the Department's 2021-23 close-of-session forecasted caseload.

Oregon Military Department

For the Oregon Military Department (OMD), the Subcommittee approved a technical adjustment of \$269,505 General Fund to shift information technology costs between programs, from the Office of Emergency Management (OEM) to administration. These costs have been budgeted within OEM but need to stay with the Department when OEM becomes an independent agency on July 1, 2022. Additionally, a fund split adjustment was approved for some accounting positions within the Department. Previously these positions had been supported 100% by federal funds but will be split 53% General Fund and 47% Other Funds.

The Subcommittee also approved the repurposing of \$2.7 million of one-time General Fund from SB 5535 (2021) that was received as the anticipated state's share of FEMA-reimbursable cost for urban search and rescue teams deployed during the Labor Day wildfires in 2020. The state share funding is no longer needed as those fires were declared a major disaster, allowing for 100% FEMA reimbursement. The Department will now utilize those funds to complete a 2020 Wildfire After-Action Report, update the State Disaster Recovery Plan, enhance Diversity, Equity, and Inclusion efforts, and acquire a grants management software system. This grant management system will be funded with \$500,000 of the one-time General Fund and \$545,000 of available federal funds, for a total estimated cost of \$1,045,000. OMD estimates the ongoing licensing and maintenance costs to be \$140,000 per year which can be financed within existing resources.

An additional approved use of the one-time General Fund is for potential costs associated with moving the Office of Emergency Management -- to become the Oregon Department of Emergency Management (ODEM) on July 1, 2022 -- to a new location outside of the Anderson Readiness Center where space is insufficient. The new location being considered was previously leased by the Department of Transportation and includes space across two floors for staff offices and the state's Emergency Coordination Center, as well as secure parking onsite. The Department is working with Department of Administrative Services Enterprise Asset Management on the potential transition. If the site is approved, costs are

expected to be \$1,888,600, including renovations, to be completed prior to the end of the biennium. Rental costs for the new facility are anticipated to be \$2.7 million a biennium, which is about \$351,000 more than OEM's current space. ODEM will need to request additional funding as part of its 2023-25 budget development.

Finally, the Subcommittee approved the necessary funding adjustments for the establishment of the Department of Emergency Management. This includes reductions of \$8,654,366 General Fund, \$1,576,705 General Fund debt service, \$74,495,733 Other Funds, \$702,235,504 Federal Funds, and transfer of 92 positions totaling 46.01 FTE. An additional reduction of \$20 million General Fund was approved from one-time funds provided in HB 5006 (2021) as matching funds for FEMA's Hazard Mitigation Program. The funds are eliminated from OMD's budget and then placed for deposit into the Local Disaster Assistance Loan and Grant Account to be used for the same purpose. By placing the funds for deposit, the Oregon Department of Emergency Management will be able to carry forward any unspent funds beyond the 2021-23 biennium, since most project costs will extend beyond June 30, 2023. Funds in the Local Disaster Loan and Grant Account are transferred to ODEM on July 1, 2022.

State Board of Parole and Post-Prison Supervision

The Subcommittee approved three budget adjustments for the Board to address needs around technology and workload. An increase of \$74,000 General Fund will help the agency find a vendor solution for an electronic records management system and support the cost of moving paper records from between offices; the old storage area is no longer available due to a building closure. The establishment of one full-time permanent Information Systems Specialist 7 (0.50 FTE) at a cost of \$115,971 General Fund was also authorized effective July 2, 2022. Finally, \$537,464 General Fund and two limited duration positions (1.00 FTE) were added to the budget to help cover hearings workload due an increase in juvenile sentence commutations.

Department of State Police

The Subcommittee approved \$2.6 million General Fund, on a one-time basis, for the Firearms Instant Check System unit within the Department of State Police. These funds are to support 17 limited duration positions that were approved in the 2021 regular session through HB 5028. These positions, totaling 14.96 FTE, were included in the agency's 2021-23 budget to address a backlog of firearm background checks, and were originally intended to be funded with available fund balances from fee revenues within the Criminal Justice Information Services Division.

Additionally, the establishment of a permanent full-time Operations and Policy Analyst 4 position (0.25 FTE) totaling \$112,291 General Fund was approved by the Subcommittee. This nonsworn position will act as the Department's tribal liaison to serve as the point of contact for all tribal governments and indigenous persons within the state. Of the General Fund provided, \$35,000 is a one-time cost for a dedicated vehicle.

Also approved is the repurposing of \$50,000 General Fund originally provided in HB 2928 (2021). That measure provided \$150,000 of one-time funding for the purchase of three public announcement systems for crowd control, however, the Department had \$50,000 remaining after the purchase and will use the funds to obtain respirator masks for the Mobile Response Team.

The Subcommittee approved a one-time Federal Funds expenditure limitation increase of \$3,039,868 for the Department to make purchases under the equitable sharing program through the U.S. Department of Justice. The Department intends to use the available funding to purchase five Mobile Command Post vehicles, three Explosive Unit Response trucks, and to upgrade three of its current Hazardous Duty Robots.

The Subcommittee also approved the following General Fund appropriations related to the Office of the State Fire Marshal:

- \$11,323,221 for one-time 2021 fire costs. This initial cost estimate is from the response to nine Governor-declared conflagrations across Oregon in 2021. Of the nine fires, two are eligible for federal reimbursement from FEMA (\$3.4 million estimated state share) while the other seven are all state responsibility (\$7.9 million).
- \$1,149,500 for the purchase of wildland firefighting equipment (one-time) for the Estacada Rural Fire Protection District.
- \$1,807,561 from the special purpose appropriation to the Emergency Board established in HB 2927 (2021) for the preparation of establishing the Office of the State Fire Marshal as an independent state agency. This appropriation will support 19 positions (5.50 FTE) within the new agency in place for the July 1, 2023 effective date.

Department of Public Safety Standards and Training

The Subcommittee approved an increase of \$232,042 in Federal Funds expenditure limitation for the Assistance to Firefighters Grant Program. A budget note related to police officer training was also approved:

BUDGET NOTE: The Department of Public Safety Standards and Training is directed to return to the appropriate interim committees on public safety by December 1, 2022, with a proposal for the delivery of training for police officers concerning the investigation and reporting of cases involving missing or murdered indigenous persons. The proposal should include the method and cost of delivery and the anticipated number of additional training hours that would be required.

Oregon Youth Authority

The Subcommittee approved budget adjustments to support the transfer of two vacant permanent full-time positions between programs, along with associated reclassification, funding, or step changes, to enhance the agency's Diversity, Equity, and Inclusion Office. The two positions, one from facilities programs and one from community programs, are moved to program support to serve as a DEI Strategic Coordinator and a DEI Engagement Specialist. This adjustment has a net zero impact on the overall agency budget.

Additionally, the Subcommittee approved a joint request from the Oregon Department of Human Services and the Oregon Youth Authority for a one-time repurposing of \$7.7 million in General Fund savings (\$12.9 million total funds) resulting from lower than budgeted utilization in the Behavior Rehabilitation Services (BRS) program to support systems of care for children and families. This repurposing of funds includes \$3 million General Fund (\$1,744,916 from OYA) for supplemental payments to BRS providers and other contracted community-based providers experiencing COVID outbreaks and quarantines, effective November 1, 2021 through June 30, 2023; and, \$4.7 million General Fund (\$2,301,350 from OYA) on a one-time basis to reserve bed capacity, effective January 1, 2021 through June 30, 2023. Some available federal funding will also be utilized as part of the \$12.9 million total funds, including \$887,513 from OYA, to support reserving bed capacity.

Finally, HB 5202 establishes a new Other Funds Debt Service appropriation to help correct a legal reference error in HB 5006 (2021).

TRANSPORTATION

Department of Aviation

The Subcommittee approved an increase of \$633,162 Federal Funds expenditure limitation from increases in Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) and American Rescue Plan Act (ARPA) federal grant funds for COVID-19 related costs. Other Funds expenditure limitation of \$1,145,989 and three positions (2.01 FTE) was approved to restore capacity in the Operations and Pavement Maintenance divisions back to pre-pandemic levels. The additional funding comes from a favorable revenue forecast on the aviation fuels tax.

Three aviation projects supported by General Fund that are part of the Rural Infrastructure package were also approved by the Subcommittee:

- \$2,598,406 for runway and electrical rehabilitation at the Cape Blanco State Airport
- \$540,388 for distribution to the City of Salem for the Salem Municipal Airport upgrade
- \$750,000 for distribution to Josephine County for a Jet A and Avgas aircraft fueling system at the Illinois Valley Airport

Department of Transportation

The Subcommittee approved an additional \$25 million General Fund for 2021-23 biennial expenses associated with Oregon Department of Transportation (ODOT) debris removal expenses associated with the 2020 wildfire season, augmenting \$14.4 million appropriated in the 2021-23 legislatively adopted budget. This funding supports work that is not eligible to be paid from State Highway Fund costs, including private property debris removal, and FEMA match requirements. Expenditures for cleanup activities have not followed originally anticipated schedules; instead of most payments being made in 2019-2021 as originally anticipated, only \$38.4 million of a total appropriation of \$93.75 million was expended in that biennium.

Also approved was an additional \$3,349,960 General Fund -- and a corresponding decrease in funding from ARPA funds transferred to ODOT from the Department of Administrative Services -- for rehabilitation of the Lake County Railroad, as state funding will be used as non-federal match for a Federal Railroad Administration grant.

General Fund in the amount of \$7,000,000 was added for deposit into a subaccount of the Oregon Transportation Investment Fund, to fund projects that reduce collisions between wildlife and vehicles. The funds will be distributed for a range of wildlife corridor project needs, including but not limited to project feasibility studies, planning, construction, retrofit and maintenance of wildlife road crossing infrastructure, roadkill tracking and studies, animal detection systems, signage, direction fencing, wildlife jump outs, and matching funds requirements for projects. The Department is to consult with the State Department of Fish and Wildlife and may partner with or make distributions to Tribal governments, counties, cities, or other public or private entities for projects. Distributions are to be prioritized for those projects that fill funding

gaps for wildlife road crossings and habitat connectivity that are not otherwise budgeted for or required under other federal or state obligations. A corresponding Other Funds expenditure limitation for this purpose was also approved.

A \$1.5 million non-recurring General Fund appropriation to ODOT was approved for the purpose of remediating damage sustained to North Fork Road in Marion County during the 2020 wildfires. Funding is intended to help replace guard rails, replace signs and gates, ease access limitations; and pay for costs associated with replacing the Elkhorn single lane wood and steel bridge.

An increase in Other Funds expenditure limitation in the amount of \$3,636,767 was approved to provide dedicated resources for the Interstate Bridge replacement project. Per a Memorandum of Intent between ODOT and the Washington State Department of Transportation (WSDOT) and legislative engagement guiding the work of both entities, project costs and staffing are being shared between the two states. The funds support 12 permanent positions (9.42 FTE), attributable to ODOT. These positions are being funded from \$45 million in Federal Highway Administration formula allocations (budgeted as Other Funds) that ODOT has committed to the project. Between 2019 and late 2021, ODOT had been leveraging earlier applicable work from the Columbia River Crossing effort dating from 2005-2013, and staffing the initial phases of the project with existing resources; dedicated resources and attention are now required to begin construction by 2025, per the current project schedule. The following positions are created as permanent, due to the project spanning multiple biennia:

- A dedicated program administrator, responsible for developing and building a project that attains the bi-state design and construction objectives;
- An assistant program administrator, to oversee joint project elements and coordination between Oregon and Washington, to achieve the design elements, construction, and procurement activities necessary to get to completion, pursuant to policy objectives of state policy makers;
- A deputy environmental manager position to navigate compliance with federal, state, and local environmental laws;
- A contracts manager to oversee the development and negotiation of agreements with agencies, vendors, and consultants;
- An executive support specialist to support meetings, summaries, reporting requirements, and serve as a point of contact for customers;
- A community and government relations manager to facilitate outreach, coordinate feedback, and notify staff and policy makers of state and local issues;
- A deputy design manager focused on roadway and interchange engineering;
- A cultural resource coordinator to facilitate cooperation with state historic preservation offices and Native American nations;
- A lead traffic engineer; A finance manager responsible for financial modeling, coordination, and planning;
- A tolling manager, to develop and oversee a tolling plan that aligns with Oregon and Washington policy; and
- A real estate services manager to prepare and manage rights of way negotiation, acquisition, and relocation.

An increase in Other Funds expenditure limitation in the amount of \$5,248,462 was approved for Driver and Motor Vehicle Services, to extend 46 limited duration Transportation Services Representative 1 positions (34.50 FTE) that were due to expire in February 2022. The extension will meet existing and anticipated customer service demands for DMV transactions, including Real ID credentials. The positions are supported by

DMV fee revenue, sufficient to support the request. The Department projects an estimated 814,000 Real ID transactions between January 2022 and June 30, 2022.

Other Funds expenditure limitation was approved to accommodate the expenditure of American Rescue Plan Act funds transferred from the Department of Administrative Services. ODOT will provide grants on a one-time basis to the following entities for the following projects:

- \$3,000,000 to Marion County Public Works Department for Safety Corridor improvements;
- \$2,960,000 to the City of Canby for the extension of Walnut Street;
- \$9,400,000 to Crook County for extension of Combs Flat Road; and
- \$500,000 to the City of Dufur for sidewalk renovation.
