(c) Hire new staff and provide a hiring bonus, if necessary to recruit new staff.

(4) A provider must use at least 75 percent of the grant on direct compensation to the provider’s staff in the form of wages, benefits and bonuses. The remainder may be spent on programs or other noncompensatory means to increase workforce retention or recruitment.

(7) Each grant shall be a percentage of the funds available under section 5 of this 2022 Act that represents a provider’s staffing costs, for both filled and vacant positions, relative to the staffing costs of all providers in this state. Applicants for grants must state in the application how the grant will be spent in accordance with subsection (3) of this section.

(8) Any portion of a grant that is not spent as provided in this section constitutes an overpayment that the Oregon Health Authority shall recover from a provider.

(9) The Oregon Health Authority shall adopt rules necessary to carry out the provisions of this section.

SECTION 2. (1) The Oregon Health Authority shall contract with nurses and behavioral health professionals to provide care in adult and child residential behavioral health treatment facilities, opioid treatment programs, withdrawal management programs and sobering centers in this state to address staffing shortages at such facilities caused by the COVID-19 pandemic.

(2) The authority shall seek any necessary approval from the Centers for Medicare and Medicaid Services to secure federal financial participation in the costs of contracts described in subsection (1) of this section if funding from the Federal Emergency Management Agency is unavailable.

SECTION 3. ORS 420A.010 is amended to read:

(3) In order to measure performance as required in subsection (2) of this section, the youth authority shall require parties to the contracts to compile, manage and exchange data to the extent of available information systems resources to facilitate the measurement of outcomes including, but not limited to, reduction in future criminal or antisocial conduct.

(4) The youth authority may administer a program of state assistance to counties for the construction and operation of local youth detention facilities or to purchase detention services.

Therefore, the Oregon Youth Authority and the Department of Human Services shall jointly develop and implement needed social and rehabilitative services.

(7) The youth authority is the recipient of all federal funds paid or to be paid to the state to enable the state to provide youth correction programs and services assigned to the Department of Human Services prior to January 1, 1996.

[(11)] (12) The youth authority is a designated agency as defined in ORS 181A.010.
