A BILL FOR AN ACT

Relating to public safety services in Salem; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) The Legislative Assembly finds that the high concentration of state-owned property within the boundaries of the City of Salem on which no taxes are assessed means that the city provides public safety services made necessary by the presence of, and activities associated with, state agencies and facilities without receiving funding from the state for the services.

(2)(a) There is appropriated to the Department of Revenue, as soon as practicable after July 1 of each year, out of the General Fund, the amount of $_______ to be distributed to the City of Salem for the purpose of funding public safety services provided by the city.

(b) The amount of the appropriation under paragraph (a) of this subsection shall increase by three percent each year.

(c) The distribution under this section is intended to supplement and not supplant monies budgeted by the city for public safety services.

SECTION 2. Section 1 of this 2022 Act is repealed on December 31, 2029.

SECTION 3. This 2022 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2022 Act takes effect on its passage.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
