23       (c) Linn and Benton Counties.

24       (d) A county other than those designated in paragraphs (a), (b) and (c) of this subsection.

25       (5) Each licensee designated in ORS 462.057 may be granted up to 12 days of horse[,] **or** mule  
26 [*or greyhound*] racing to be held within the county in which the licensee holds its fair or show or  
27 at a race course owned by a governmental agency or a nonprofit corporation in an adjoining county.  
28 If a licensee does not use all of the licensee's allocated race days during the fiscal year, the com-  
29 mission, in the commission's discretion, may allow that licensee to use the leftover days in the next  
30 fiscal year. If a licensee referred to in this subsection wishes to make application to the commission  
31 to schedule racing days that conflict with racing days previously scheduled by another such  
32 licensee, at least 30 days prior to the date of a meeting of the commission, the governing bodies of  
33 the applicant and the previous licensee shall meet at a time and place prescribed by the previous  
34 licensee to discuss the applicant's proposed racing day schedule. The conclusion of the parties re-  
35 garding the proposals for conflicting racing days and the matters upon which the parties agree or  
36 disagree shall be reduced to writing signed by the parties and submitted to the commission not later  
37 than 14 days prior to a meeting of the commission. The commission may approve or disapprove  
38 proposals for conflicting racing days upon such terms and conditions as the commission considers  
39 appropriate.

40       (6) The commission may not grant a license for any race meet within a county for dates that  
41 conflict with racing dates granted to the county fair of such county.

42       (7) The commission may not grant a licensee that is subject to ORS 462.062 a license for a race  
43 meet for a date that conflicts with a race meet date granted to a licensee that is subject to ORS  
44 462.057, unless the commission has the consent of the licensee that is subject to ORS 462.057. This  
45 subsection applies only if the licensee that is subject to ORS 462.057 held a race meet during the

1 2002 calendar year on a date substantially similar to the date that is the subject of the conflict. A  
 2 licensee that is subject to ORS 462.057 may not unreasonably withhold consent under this sub-  
 3 section.

4 **SECTION 14. ORS 462.135 is repealed.**

5 **SECTION 15.** ORS 462.140 is amended to read:

6 462.140. (1) A person may not conduct or commit, attempt or conspire to conduct or commit pool  
 7 selling, bookmaking, or circulate handbooks, or bet or wager on any licensed race meet, other than  
 8 by the mutuel method. All moneys wagered in Oregon must be accounted for through a computerized  
 9 mutuel wagering system in use by an operating race meet in this state and approved by the Oregon  
 10 Racing Commission. Wagering into pools outside of Oregon via telephone or other device is prohib-  
 11 ited unless the wagering information is transmitted by a licensee that conducts off-race course  
 12 mutuel wagering pursuant to ORS 462.700 to 462.740.

13 (2) A race meet licensee may not take more than 22 percent of the gross receipts of any mutuel  
 14 wagering system subject to approval by the commission.

15 (3) A race meet licensee shall compute breaks in the mutuel system at 10 cents for each dollar  
 16 wagered in a specific mutuel pool except, when the breaks in the mutuel system compute to less  
 17 than 10 cents total for each dollar wagered, the race meet licensee shall compute the breaks on that  
 18 specific mutuel pool at five cents. When the breaks in the mutuel system compute at 10 cents or  
 19 more for each dollar wagered, the race meet licensee shall pay in increments of 10 cents for each  
 20 dollar wagered. When the breaks in the mutuel system compute to less than 10 cents for each dollar  
 21 wagered, the race meet licensee shall pay five cents for each dollar wagered. For horses, 45 percent  
 22 of the breaks shall be retained by the licensee. [*For greyhounds, 33-1/3 percent shall be retained by*  
 23 *the licensee.*] The other 55 percent [*for horses and 66-2/3 percent for greyhounds*] shall be paid as  
 24 follows:

25 (a) For thoroughbred horse races, to the Oregon Thoroughbred Owners and Breeders Associ-  
 26 ation, Incorporated, to be used by that association subject to prior approval of the commission, in  
 27 such amounts and for such of the following purposes as the association deems desirable:

28 (A) For breeders awards;

29 (B) For stallion awards;

30 (C) For education of the members of the association and other horsemen regarding the breeding  
 31 and racing of thoroughbred horses; or

32 (D) For the promotion and development of thoroughbred horse breeding and racing in Oregon.

33 (b) For quarter horse races, to the Oregon Quarter Horse Racing Association, Incorporated, to  
 34 be used by that association subject to prior approval of the commission, in such amounts and for  
 35 such of the following purposes as the association deems desirable:

36 (A) For breeders awards;

37 (B) For stallion awards;

38 (C) For education of the members of the association and other horsemen regarding the breeding  
 39 and racing of quarter horses; or

40 (D) For the promotion and development of quarter horse breeding and racing in Oregon.

41 (c) For races for any other horses not designated in paragraphs (a) and (b) of this subsection,  
 42 to each association of horsemen recognized by the commission as representing the other breeds of  
 43 horses, to be used by that association subject to prior approval of the commission, in such amounts  
 44 and for such of the following purposes as each recognized association deems desirable:

45 (A) For breeders awards;

1 (B) For stallion awards;

2 (C) For education of the members of the association and other horsemen regarding the breeding  
3 and racing of horses; or

4 (D) For the promotion and development of horse breeding and racing in Oregon.

5 *[(d) By a licensee of a race meet for greyhounds:]*

6 *[(A) One-half thereof to augment purses subject to reasonable regulations prescribed by the com-  
7 mission.]*

8 *[(B) The other one-half thereof for benefit and improvement of the breeding, ownership, training  
9 and racing of greyhounds in Oregon, subject to reasonable regulations prescribed by the commission.  
10 Included, but not by way of limitation, would be payment of purses for maiden graduation or special  
11 schooling races without wagering, and construction and operation of one or more appropriate public  
12 training facilities within the state. All such funds shall be retained by the licensee in an account sep-  
13 arate from all other funds, and no disbursements or transfers shall be made therefrom without prior  
14 approval of the commission.]*

15 **SECTION 16.** ORS 462.155 is amended to read:

16 462.155. (1) The Oregon Racing Commission may allow a race meet operator [*that holds a Class*  
17 *A license*] to conduct mutuel wagering at the licensee's race course on horse races previously held  
18 if:

19 (a) The races were actual events held at race courses during race meets;

20 (b) The races were subject to mutuel wagering at the time the races were originally held; and

21 (c) The race meets at which the races were originally held were approved by the commission  
22 or by an equivalent regulatory body in another state.

23 (2) Subsection (1) of this section allows mutuel wagering on a horse race displayed as a video  
24 or audio recording, or another form of recording approved by the commission, but does not authorize  
25 wagering on any animation, computer simulation or other artificial representation of horse racing.

26 (3) Subsection (1) of this section does not apply to a race meet operator described in ORS  
27 462.057 (2). Subsection (1) of this section does not authorize off-race course wagering or multi-  
28 jurisdictional simulcasting for horse races previously held.

29 (4) Wagers authorized under subsection (1) of this section are subject to the provisions of ORS  
30 462.157.

31 **SECTION 17.** ORS 462.510 is amended to read:

32 462.510. (1) Any person who attempts to, or does persuade, procure or cause another person to  
33 wager on an animal participating in a race, and upon which money is wagered, and who asks or  
34 demands, or accepts compensation as a reward for information or purported information given in  
35 such case is a tout, and is guilty of touting.

36 (2) Predictions on the outcome of horse races [*and greyhound races*] may be sold on the  
37 licensee's premises in accordance with rules promulgated by the Oregon Racing Commission.

38 **SECTION 18.** ORS 462.710 is amended to read:

39 462.710. (1) Any race meet licensee may make written application to the Oregon Racing Com-  
40 mission to conduct off-race course mutuel wagering:

41 (a) On races held at the licensee's race course; or

42 (b) On races held at race courses outside this state.

43 (2) The application shall be in such form, shall contain such information and shall be submitted  
44 at such time and in such manner as the commission may require. Information required by the com-  
45 mission may include, but is not limited to, a description of the facilities, equipment and method of

1 operation whereby the applicant proposes to conduct off-race course mutuel wagering activities.

2 (3) The commission shall authorize off-race course mutuel wagering upon such terms and con-  
3 ditions regarding the time, location and manner of operation as the commission considers appropri-  
4 ate. The commission may not authorize more than 20 locations for off-race course mutuel wagering  
5 to be in operation at any one time and shall permit off-race course mutuel wagering only at an au-  
6 thorized location. The commission may not authorize the conduct of off-race course mutuel wagering  
7 at any time or place or in any manner that the commission determines would have substantial ad-  
8 verse impact upon mutuel wagering on races held at a race course in this state. The commission  
9 may not authorize a race meet licensee to conduct off-race course mutuel wagering within the  
10 boundaries of any city or county that has adopted an ordinance prohibiting the conduct of that ac-  
11 tivity within the city or county. The commission may not authorize a race meet licensee to conduct  
12 off-race course mutuel wagering in any county with a population of less than 250,000 at a location  
13 that is within 40 miles of any other location where another race meet licensee is conducting a live  
14 race meet without written consent of the live race meet licensee.

15 (4) In addition to other grounds provided in this chapter, the commission may refuse to issue  
16 or renew or may revoke or suspend the license of any race meet licensee, or any employee thereof,  
17 for failure to comply with ORS 462.700 to 462.740 or commission rules.

18 (5) If a race meet licensee proposes to conduct off-race course mutuel wagering at a physical  
19 facility separate from the race course:

20 (a) Individuals working at the separate facility must obtain a license for such employment from  
21 the commission if the individuals are performing duties for which a license would be required if the  
22 duties were performed at a race course. The fee for any such license shall be the same as the fee  
23 for the license required if the individual were working at a race course.

24 (b) ORS 462.080, 462.190 and 462.195 apply to the race meet licensee and to individuals at the  
25 facility in the same manner as if the mutuel wagering activity were being conducted at a race  
26 course.

27 (6) In addition to other requirements of ORS 462.700 to 462.740, the commission may authorize  
28 a race meet licensee to conduct off-race course mutuel wagering on a particular race that is held  
29 at a race course outside this state subject to the following conditions:

30 (a) The commission may authorize only one race meet licensee, that is the holder of a license  
31 under ORS 462.062 or 462.067, to conduct off-race course mutuel wagering on the race.

32 (b) The commission may authorize such off-race course mutuel wagering to be conducted at the  
33 licensee's race course and any off-race course wagering site approved by the commission.

34 *[(c) The commission may authorize a race meet licensee to conduct off-race course mutuel wagering*  
35 *on either horse races or greyhound races, except that:]*

36 *[(A) A horse race meet licensee may conduct off-race course mutuel wagering on greyhound races*  
37 *only if there is no active greyhound race meet licensee; and]*

38 *[(B) A greyhound race meet licensee may conduct off-race course mutuel wagering on horse races*  
39 *only if there is no active horse race meet licensee.]*

40 *[(d)]* (c) If a licensee applies for authority to conduct mutuel wagering on horse races held at  
41 race courses outside this state, the commission may require that the licensee provide such evidence  
42 as the commission considers appropriate regarding the ability of the licensee to comply with the  
43 Interstate Horseracing Act of 1978, 15 U.S.C. 3001 to 3007, as amended.

44 **SECTION 19. This 2022 Act takes effect on July 1, 2023.**
