462.110. (1) For the protection of the public, and all members thereof, the exhibitors and visitors, every race meet licensee shall carry public liability insurance written on an approved form by a company licensed to do business in Oregon and in an amount approved by the Oregon Racing Commission.

(2) Every person licensed to conduct a race meet shall provide and deliver to the commission a bond signed by a surety company authorized to do business in Oregon in such form as is required by the commission and in an amount determined by the commission. The bond shall be conditioned that the licensee will pay to the state all moneys due it under this chapter, including moneys which escheat pursuant to ORS 462.073 and any fines imposed by any court or by any state agency; to horsemen [or greyhound owners], all moneys owing and all moneys required to be paid for breakage, purses and Oregon-bred purse supplements; to persons presenting valid winning tickets, the amounts owing to them; and to the special track fund or training track fund, all moneys required to be paid to those funds by statute or rule. (3) The Attorney General or the district attorney of the county wherein the race meet is held shall prosecute all actions on such bonds on behalf of the state.

(4) Any person having a claim against the licensee for any obligation covered by the bond or bond substitute, except cause of action covered by public liability insurance, may prosecute the same in an action in behalf of the claimant brought in the name of the state for the use and benefit and at the expense of such claimant. The court may award reasonable attorney fees to the prevailing party in an action under this subsection. If the amount of the bond or bond substitute is insufficient to cover all obligations, amounts owing to and for the benefit of the state pursuant to ORS 462.073 (3) shall have priority over any other claims. No action may be brought for recovery on the bond or bond substitute unless written notice of the claim is made to the commission and to the race meet licensee within 120 days after the last day of the race meet or continuous race meet in which the obligation arose. The notice must be by registered mail, certified mail with return receipt or personal service to the licensee or to the licensee’s registered agent. Any action for recovery on the bond or bond substitute must be brought no earlier than 60 days and no later than 180 days after service of the written notice on the race meet licensee or on the licensee’s registered agent. These limitations shall not apply to claims for valid winning tickets if the claimant has made a timely claim pursuant to ORS 462.073 (2).

(5) Every person licensed to conduct a race meet for horses shall carry insurance to protect jockeys and, if appropriate, drivers. The type, form and amount of insurance, and the carrier, must be approved by the commission.

SECTION 13. ORS 462.125 is amended to read:
462.125. (1) The Oregon Racing Commission shall determine the number and classes of race meets to be held in any fiscal year, and the total number of racing dates to be granted to a licensee subject to provisions of ORS 462.062 and 462.067. Not more than 350 days of racing, exclusive of racing days authorized to designated licensees pursuant to subsection (5) of this section, shall be held in any metropolitan area in any fiscal year. A licensee shall conduct at least 720 live races under the license during each fiscal year race meets are held under the license. The commission may reduce the number of races required under this section upon application by a horsemen's association that negotiates with the race meet licensee.

(2) If a licensee under ORS 462.062 or 462.067 fails, for good cause, to complete all of the allocated days in a licensed race meet or if the commission does not receive and approve license applications for all of the days allocated to either class of racing, the commission may add the unused or unallocated days no later than June 30 of the following fiscal year, to the racing days allocated to and available to the licensee or, in the discretion of the commission, to any other licensee of either class of racing in the metropolitan area. Additional race days allocated under this subsection are exempt from the limit of 350 days of racing in a fiscal year imposed by subsection (1) of this section. The additional racing days granted by the commission to any eligible licensee may not exceed the total of the unused or unallocated racing days in any one fiscal year.

(3) If an emergency occurs on the day of racing, and a night racing program runs past the hour of midnight, such time after midnight is not considered an additional racing day.

(4) As used in subsections (1) and (2) of this section, “metropolitan area” means:

(a) Multnomah, Clackamas and Washington Counties.

If a licensee does not use all of the licensee's allocated race days during the fiscal year, the commission, in the commission’s discretion, may allow that licensee to use the leftover days in the next fiscal year. If a licensee referred to in this subsection wishes to make application to the commission to schedule racing days that conflict with racing days previously scheduled by another such licensee, at least 30 days prior to the date of a meeting of the commission, the governing bodies of the applicant and the previous licensee shall meet at a time and place prescribed by the previous licensee to discuss the applicant's proposed racing day schedule. The conclusion of the parties regarding the proposals for conflicting racing days and the matters upon which the parties agree or disagree shall be reduced to writing signed by the parties and submitted to the commission not later than 14 days prior to a meeting of the commission. The commission may approve or disapprove proposals for conflicting racing days upon such terms and conditions as the commission considers appropriate.

(6) The commission may not grant a license for any race meet within a county for dates that conflict with racing dates granted to the county fair of such county.

(7) The commission may not grant a licensee that is subject to ORS 462.062 a license for a race meet for a date that conflicts with a race meet date granted to a licensee that is subject to ORS 462.057, unless the commission has the consent of the licensee that is subject to ORS 462.057. This subsection applies only if the licensee that is subject to ORS 462.057 held a race meet during the
2002 calendar year on a date substantially similar to the date that is the subject of the conflict. A
licensee that is subject to ORS 462.057 may not unreasonably withhold consent under this sub-
section.

(3) Subsection (1) of this section does not apply to a race meet operator described in ORS 462.057 (2). Subsection (1) of this section does not authorize off-race course wagering or multi-jurisdictional simulcasting for horse races previously held.

(4) Wagers authorized under subsection (1) of this section are subject to the provisions of ORS 462.157.

SECTION 17. ORS 462.510 is amended to read:
462.510. (1) Any person who attempts to, or does persuade, procure or cause another person to wager on an animal participating in a race, and upon which money is wagered, and who asks or demands, or accepts compensation as a reward for information or purported information given in such case is a tout, and is guilty of touting.

(2) Predictions on the outcome of horse races [and greyhound races] may be sold on the licensee’s premises in accordance with rules promulgated by the Oregon Racing Commission.

SECTION 18. ORS 462.710 is amended to read:
462.710. (1) Any race meet licensee may make written application to the Oregon Racing Commission to conduct off-race course mutuel wagering:
(a) On races held at the licensee’s race course; or
(b) On races held at race courses outside this state.

(2) The application shall be in such form, shall contain such information and shall be submitted at such time and in such manner as the commission may require. Information required by the commission may include, but is not limited to, a description of the facilities, equipment and method of
operation whereby the applicant proposes to conduct off-race course mutuel wagering activities.

(3) The commission shall authorize off-race course mutuel wagering upon such terms and conditions regarding the time, location and manner of operation as the commission considers appropriate. The commission may not authorize more than 20 locations for off-race course mutuel wagering to be in operation at any one time and shall permit off-race course mutuel wagering only at an authorized location. The commission may not authorize the conduct of off-race course mutuel wagering at any time or place or in any manner that the commission determines would have substantial adverse impact upon mutuel wagering on races held at a race course in this state. The commission may not authorize a race meet licensee to conduct off-race course mutuel wagering within the boundaries of any city or county that has adopted an ordinance prohibiting the conduct of that activity within the city or county. The commission may not authorize a race meet licensee to conduct off-race course mutuel wagering in any county with a population of less than 250,000 at a location that is within 40 miles of any other location where another race meet licensee is conducting a live race meet without written consent of the live race meet licensee.

(4) In addition to other grounds provided in this chapter, the commission may refuse to issue or renew or may revoke or suspend the license of any race meet licensee, or any employee thereof, for failure to comply with ORS 462.700 to 462.740 or commission rules.

(5) If a race meet licensee proposes to conduct off-race course mutuel wagering at a physical facility separate from the race course:

(a) Individuals working at the separate facility must obtain a license for such employment from the commission if the individuals are performing duties for which a license would be required if the duties were performed at a race course. The fee for any such license shall be the same as the fee for the license required if the individual were working at a race course.

(b) ORS 462.080, 462.190 and 462.195 apply to the race meet licensee and to individuals at the facility in the same manner as if the mutuel wagering activity were being conducted at a race course.

(6) In addition to other requirements of ORS 462.700 to 462.740, the commission may authorize a race meet licensee to conduct off-race course mutuel wagering on a particular race that is held at a race course outside this state subject to the following conditions:

(a) The commission may authorize only one race meet licensee, that is the holder of a license under ORS 462.062 or 462.067, to conduct off-race course mutuel wagering on the race.

(b) The commission may authorize such off-race course mutuel wagering to be conducted at the licensee’s race course and any off-race course wagering site approved by the commission.

(c) The commission may authorize a race meet licensee to conduct off-race course mutuel wagering on either horse races or greyhound races, except that:

[A] A horse race meet licensee may conduct off-race course mutuel wagering on greyhound races only if there is no active greyhound race meet licensee; and

[B] A greyhound race meet licensee may conduct off-race course mutuel wagering on horse races only if there is no active horse race meet licensee.

(d) If a licensee applies for authority to conduct mutuel wagering on horse races held at race courses outside this state, the commission may require that the licensee provide such evidence as the commission considers appropriate regarding the ability of the licensee to comply with the Interstate Horseracing Act of 1978, 15 U.S.C. 3001 to 3007, as amended.

SECTION 19. This 2022 Act takes effect on July 1, 2023.
