A BILL FOR AN ACT

1
2 Relating to Nisei veterans; creating new provisions; amending ORS 366.924; and prescribing an ef-
3 fective date.

4 Whereas our country and state are committed to ideals of “freedom, equality and justice” to
5 dismantle injustices in our past; and

6 Whereas 57 Nisei (second-generation Japanese Americans) from the Mid-Columbia area
7 (Columbia River region north of Mt. Hood) and a total of 120 Nisei from the State of Oregon served
8 in our country's Armed Forces during World War II and the post-war occupation of Japan, even as
9 their families were incarcerated on American soil after President Franklin D. Roosevelt signed
10 Executive Order 9066 on February 19, 1942; and

11 Whereas these Nisei soldiers were among 33,000 Nisei who served our country in the 100th
12 Battalion/442nd Regimental Combat Team in Europe and as linguists in the Military Intelligence
13 Service in the South Pacific and the post-war occupation of Japan; and

14 Whereas the 442nd Regimental Combat Team is the most decorated unit for its size and length
15 of service in the U.S. military's history; and

16 Whereas 16 Nisei soldiers' names were blacked out from an honor roll of 1,600 local Armed
17 Forces members on wall plaques at the Hood River County Courthouse on November 29, 1944,
18 bringing national notoriety to the valley; and

19 Whereas the Nisei soldiers' names were restored 13 weeks later on April 9, 1945, following
20 pressure from the American Legion National Commander against “bigotry and race hatred”; and

21 Whereas the Oregon House of Representatives passed Joint Memorial 9 on February 28, 1945,
22 calling on President Roosevelt to prevent the return of Japanese Americans “for the duration of the
23 present war with Japan”; and

24 Whereas Hood River citizens have since recognized Nisei World War II veterans in an “ac-
25 knowledgement of wrongs” by dedicating a memorial brick “in honor of all Nisei veterans” at
26 Overlook Memorial Park on Veterans Day 2001, and a marble monument inscribed with names of

1 all Japanese American veterans at Idlewilde Cemetery on Memorial Day 2011; and

2 Whereas three years after the end of World War II, President Harry S. Truman signed Executive
3 Order 9981 committing the federal government to integrate the segregated military after 170 years
4 of discrimination; and

5 Whereas the State of Oregon, through the Bend Heroes Foundation, has honored nearly a half
6 million Oregon war veterans with eight border-to-border veteran highways; and

7 Whereas Oregon has not named a highway to honor World War II Nisei veterans; and

8 Whereas Oregon Route 35 has significance for Nisei veterans, as many of their families owned
9 or worked on fruit orchards along the highway until they were forcibly removed during World War
10 II; and

11 Whereas designating Oregon Route 35 as the Oregon Nisei Veterans World War II Memorial
12 Highway will honor Nisei veterans not only in the Columbia Gorge but all 120 Nisei World War II
13 Veterans in Oregon; and

14 Whereas designating the 41-mile long Oregon Route 35 as the Oregon Nisei Veterans World War
15 II Memorial Highway will not change any existing names of Oregon Route 35; and

16 Whereas Oregon's veterans and community members have offered to finance the creation and
17 installation of special highway markers for the Oregon Nisei Veterans World War II Memorial
18 Highway; now, therefore,
