"SECTION 1. ORS 670.280 is amended to read:
"670.280. (1) As used in this section:
"(a) 'License' includes a registration, certification or permit.
"(b) 'Licensee' includes a registrant or a holder of a certification or permit.
"(c) 'Qualifying juvenile adjudication' means a finding that a person is within the jurisdiction of a juvenile court under ORS 419C.005 for committing an act that, if committed by an adult, would constitute a crime listed in ORS 137.707 (4).
"(2) Except as provided in ORS 342.143 (3) or 342.175 (3) or 443.004 and notwithstanding any other provision of law to the contrary, a licensing board, commission or agency that is authorized or required to consider the criminal history, moral character, fitness or similar qualifications of an applicant for a license or a licensee may not deny, suspend or revoke an occupational or professional license solely for the reason that the applicant or licensee has been convicted of a crime, but it may consider the relationship of the facts which support the conviction and all intervening circumstances to the specific occupational or professional standards in determining the fitness of the person to receive or hold the license. There is a rebuttable presumption as to each individual applicant or licensee that an existing or prior conviction for conduct that has been classified or reclassified as a Class E violation does not make an applicant for an occupational or professional license or a licensee with an occupational or professional license unfit to receive or hold the license.
"(3) In determining whether a crime for which an applicant or licensee was convicted or a qualifying juvenile adjudication to which the applicant or licensee was subject substantially relates to the specific duties and responsibilities for which a license is required, a licensing board, commission or agency shall consider, on a case by case basis:
"(a) The nature and seriousness of the crime or the offense underlying the qualifying juvenile adjudication;
"(b) The amount of time that has passed since the conviction or qualifying juvenile adjudication;
"(c) The applicant’s or licensee’s age at the time the applicant or licensee committed the crime or the offense underlying the qualifying juvenile adjudication;
"(d) Evidence that is relevant to show the circumstances of the crime or the offense
underlying the qualifying juvenile adjudication, including any aggravating or mitigating circumstances or social conditions within which the crime or the offense underlying the qualifying juvenile adjudication occurred;

“(e) The nature of the specific duties and responsibilities for which the license is required;

“(f) Evidence of the applicant's or licensee's rehabilitation or treatment since the crime or the offense underlying the qualifying juvenile adjudication occurred; and

“(g) Any other consideration the licensing board, commission or agency deems relevant.

“[(3) (4) Except as otherwise prohibited under this section or as provided in ORS 329A.030, 342.143 (3) and 342.175 (3) or 443.004, a licensing board, commission or agency may [deny an occupational or professional license or] impose discipline on a licensee based on conduct that is not undertaken directly in the course of the licensed activity, but that is substantially related to the fitness and ability of the [applicant or] licensee to engage in the activity for which the license is required. In determining whether the conduct is substantially related to the fitness and ability of the [applicant or] licensee to engage in the activity for which the license is required, the licensing board, commission or agency shall consider the relationship of the facts with respect to the conduct and all intervening circumstances to the specific occupational or professional standards. There is a rebuttable presumption as to each individual [applicant or] licensee that an existing or prior conviction for conduct that has been classified or reclassified as a Class E violation is not related to the fitness and ability of the [applicant or] licensee to engage in the activity for which the license is required.

“(5) Notwithstanding any other provision of law to the contrary, a licensing board, commission or agency may not deny an occupational or professional license because of:

“(a) An arrest or charge that did not result in a criminal conviction, unless charges are pending;

“(b) An adjudication by a juvenile court that a youth is within the juvenile court's jurisdiction, unless a law of this state explicitly authorizes the denial; or

“(c) A conviction that was pardoned, sealed or set aside.

“(6) A person who was convicted of a crime may at any time petition a licensing board, commission or agency for a determination as to whether a criminal conviction will prevent the person from receiving an occupational or professional license. The petition may specifically address the considerations set forth in subsection (3) of this section. The licensing board, commission or agency may charge a reasonable fee to pay the costs of making the determination. The licensing board's, commission's or agency's final determination is binding upon the licensing board, commission or agency unless, at the time the person submits a complete application, the person has criminal charges pending, has failed to disclose a previous criminal conviction or has been convicted of another crime during the period between the determination and the person's application. The licensing board, commission or agency is not bound by, and may reconsider, a previous determination if an applicant submits a petition for another determination.

“(7) Before a licensing board, commission or agency makes a final determination that a criminal conviction will result in a denial of an occupational or professional license, the licensing board, commission or agency shall notify the petitioner or applicant in writing of:

“(a) The specific conviction that is the basis for the determination;

“(b) The reasons the licensing board, commission or agency determined that the con-
viction was substantially related to the specific duties and responsibilities for which the li-

cense is required, including reasons that address each of the considerations listed in
subsection (3) of this section; and
“(c) The petitioner's right to submit within 30 days after the date of the notice additional

evidence related to each of the considerations listed in subsection (3) of this section for the
licensing board's, commission's or agency's evaluation.
“(8) A licensing board, commission or agency shall issue in writing any final determi-
nation that a criminal conviction will result in a denial of an occupational or professional
license. The written determination must also include notice of any right the petitioner or
applicant has to appeal, notice of the earliest date on which the petitioner or applicant can
reapply for a determination under subsection (6) of this section or apply for a license after
a denial and notice that the licensing board, commission or agency may consider evidence
of rehabilitation in a new application. The written determination may also advise a petitioner
or applicant of any action that may remedy a previous disqualification.
“(9) Every licensing board, commission and agency shall include in any application form
for a license, and post on the licensing board's, commission's or agency's website, a notice
that states:
“(a) Whether a criminal conviction is a possible basis for denying the license;
“(b) The considerations set forth in subsection (3) of this section; and
“(c) That applicants have a right to petition for a determination under subsection (6) of
this section before submitting a completed application for a license.
“(10) A licensing board, commission or agency may adopt rules necessary to implement
the provisions of this section.
“(11) An applicant’s or petitioner's criminal history that a licensing board, commission
or agency obtains and uses to make a determination under this section is exempt from re-
quired disclosure under ORS 192.311 to 192.478.
“(12) This section does not apply to:
“(a) A denial, revocation or suspension of a license, certificate, permit or registration
required for a program or service listed under ORS 409.010 or discipline of a licensee, registr-
ant or certificate or permit holder in connection with a program or service listed under
ORS 409.010; or
“(b) A board’s, commission’s or agency’s consideration of an applicant’s or licensee’s
criminal history if the board, commission or agency must comply with a provision of federal
law or if federal law requires the board, commission or agency to consider the history as a
condition of receiving federal moneys.

SECTION 2. ORS 670.290 is amended to read:

cluding the Oregon State Bar, [to] may not:

“(2) This section does not apply to or affect:
