DECOUPLING ELLIOTT STATE FOREST

SECTION 24. ORS 530.450 is added to and made a part of sections 1 to 21 of this 2022 Act.

SECTION 25. ORS 530.450 is amended to read:

530.450. Any lands in the national forests on February 25, 1913, selected by, and patented to, the State of Oregon, for the purpose of establishing a state forest, hereby are withdrawn from sale except as provided in [ORS 530.510] section 14 of this 2022 Act. The state forest formerly known as the Elliott State Forest shall be known as the Elliott State Research Forest and managed as described in sections 1 to 21 of this 2022 Act.

SECTION 26. ORS 530.480 is amended to read:

530.480. As the Common School Forest Lands are determined as required by ORS 530.450 to 530.520, such lands shall be described by legal subdivision. The State Land Board and the State Board of Forestry, respectively in their regular meetings, shall by separate board resolutions designate and set aside such lands as a part of the Common School Forest Lands; lands in the Elliott State Forest, as determined by ORS 530.450, shall be similarly described and reserved. A copy of each board resolution certified by the Director of the Department of State Lands or the State Forester, respectively, together with the description of the lands involved, shall be filed with the Secretary of State, who shall keep such copies and descriptions in conjunction with the auditing records of the State Forestry Department Account.

SECTION 27. ORS 530.490 is amended to read:

530.490. (1) Notwithstanding the provisions of any other law, or authority granted thereunder, after the State Board of Forestry and State Land Board resolutions and legal descriptions are filed with the Secretary of State as required by ORS 530.480, the State Forester hereby shall be authorized, under the supervision of the State Board of Forestry and the regulations of that board, to manage, control and protect the Common School Forest Lands. [Also, notwithstanding the provisions of any other law, or authority granted thereunder, the State Forester hereby is authorized, under the supervision of the State Board of Forestry and the regulations of that board, to manage, control and protect the Elliott State Forest Lands. In each instance] The State Forester shall manage, control and protect such forests and forestlands so as to secure the greatest permanent value of the lands to the whole people of the State of Oregon, particularly for the dedicated purposes of the lands and the common schools to which the resources of the lands are devoted.

(2) Easements on, over and across the Common School Forest Lands [and the Elliott State Forest Lands] may be granted as follows:
(a) Permanent easements determined by the State Forester and State Board of Forestry as nec-
ecessary to accomplish the dedicated purposes of such lands may be granted by the Department of
State Lands.

(b) Easements other than permanent may be granted by the State Forester under joint rules of
the State Board of Forestry and Department of State Lands.

(3) The authority granted the State Forester in this section shall not supersede the authority
of the Department of State Lands to grant easements on or leases for the Common School Forest
Lands [and Elliott State Forest Lands] for grazing purposes or for the exploration and development
of minerals, oil or gas, and any consideration received by the Department of State Lands therefor
shall be excepted from the provisions of ORS 530.520. However, the Department of State Lands shall
cooperate with the forestry program of the State Forester in granting such easements and leases
and make provisions therein for continuing the primary purposes for which such land has been
dedicated.

SECTION 28. ORS 530.510 is amended to read:
530.510. (1) The State Forester may propose and initiate any exchange of [land of the Elliott
State Forest or] Common School Forest Lands, or propose and initiate any exchange of timber on
such lands, for land of approximately equal aggregate value, when any such exchange is in the
furtherance of the purposes of ORS 530.450 to 530.520. However:
[(1) Any exchange of land of the Elliott State Forest must be for the consolidation of the forest;]
[(2)] (a) The State Land Board and the State Board of Forestry shall, each separately, approve
such exchanges by resolutions of the respective boards; and
[(3)] (b) The county court or board of county commissioners of the county, or counties, in which
such land is situated, shall approve such exchange, and after such approval the exchanges shall be
consummated by legal conveyance from the Department of State Lands.
[(4)] (2) Under the authority granted in this section, in addition to land to be exchanged, a
monetary consideration may be provided or received where necessary to make the values comply
with this section. No exchange shall be made until title to the lands to be received has been ap-
proved by the Attorney General. All lands received in exchange shall have the same status and be
subject to the same provisions of law as the lands given in exchange therefor.

SECTION 29. ORS 530.520 is amended to read:
530.520. (1) Excepting receipts from the easements and leases designated in ORS 530.490 (3), all
receipts from [the Elliott State Forest and] the Common School Forest Lands shall be paid into the
Common School Fund and are continuously appropriated to the Department of State Lands for the
purposes for which other moneys in the Common School Fund may be used and to reimburse the
Common School Forest Revolving Fund as provided in subsection (2) of this section.

(2)(a) The Common School Forest Revolving Fund, in an amount not exceeding $300,000, is es-
established as a fund, separate and distinct from the General Fund, in the State Treasury. Interest
earned by the fund shall be credited to the fund. The revolving fund is continuously appropriated
to the State Forester for the payment of administrative expenses incurred by the State Forester in
the management, control and protection of [the Elliott State Forest and] the Common School Forest
Lands and in processing the sale of forest products and the disposal of privileges under ORS 530.500.
The revolving fund shall be reimbursed at least once each month by submission to the Department
of State Lands of a claim for payment approved by the State Forester and payment of the claim to
the revolving fund out of the Common School Fund, that payment representing a portion of receipts
paid into the Common School Fund under subsection (1) of this section.

[14]
(b) As used in paragraph (a) of this subsection, “administrative expenses” means a classification of expenses incurred by the State Forester in performing functions referred to in paragraph (a) of this subsection as a whole, rather than expenses incurred in performing any specific function that is a part of the whole; and it means expenditures recognized as operating costs of a current or past period, including refund of overpayments in the sale of forest products, and capital expenditures for buildings, furniture, fixtures or equipment.

(3) After the end of each six-month period the State Forester shall submit to the Department of State Lands a statement of capital asset account balances as of the end of that period for buildings, furniture, fixtures and equipment held by the State Forester in performing functions referred to in subsection (2)(a) of this section and in which the Common School Fund has a vested interest, showing the amount of that interest.

A court shall award a plaintiff prevailing under this section reasonable attorney fees and costs.
(3) If the contract between the private entity and the department provides for the private entity to perform forest practices in a defined area of state forestland that lies in more than one county, venue for a cause of action under this section is proper in any county containing part of the area of state forestland defined by the contract terms in effect on the date the cause of action arose.
(4) An action under this section must be commenced within two years after the date of the act giving rise to the cause of action.
