**SECTION 7.** ORS 238.015 is amended to read:

238.015. (1) No person may become a member of the system unless that person is in the service of a public employer and has completed six months' service uninterrupted by more than 30 consecutive working days during the six months' period. Every employee of a participating employer shall become a member of the system at the beginning of the first full pay period of the employee following the six months' period. Contributions for new members shall first be made for those wages that are attributable to services performed by the employee during the first full pay period following the six months' period, without regard to when those wages are considered earned for other purposes under this chapter. All public employers participating in the Public Employees Retirement System established by chapter 401, Oregon Laws 1945, as amended, at the time of repeal of that chapter, and all school districts of the state, shall participate in, and their employees shall be members of, the system, except as otherwise specifically provided by law.

(2) Any active member of the Public Employees Retirement System who, through the annexation of a political subdivision employing the member or by change of employment, becomes the employee of another political subdivision which is participating in the Public Employees Retirement System and has also a separate retirement system for its employees, shall remain an active member of the Public Employees Retirement System unless, within 60 days after the effective date of the annexation or change of employment or April 8, 1953, the member shall by written notice to the Public Employees Retirement Board and to the administrative body of the new public employer elect to relinquish membership in the Public Employees Retirement System and become a member of the separate retirement system of the employer, if eligible for membership in that retirement system, and the member shall be so carried by the new employer. Immediately upon such annexation of any political subdivision or such change of employment, the new public employer shall inform such employee in writing of the right of the employee to exercise an election as in this section provided.

(3) A political subdivision (other than a school district) not participating in the retirement system established by chapter 401, Oregon Laws 1945, as amended, which employs one or more employees, each of whose position requires 600 hours of service per year, or an agency created by two or more political subdivisions to provide themselves governmental services, which employs one or more employees, each of whose position requires 600 hours of service per year, may, through its governing body, notify the board in writing, that it elects to include its employees in the system hereby established. Such public employer may request the board to make a study and estimate of the cost of including it and its eligible employees, other than volunteer firefighters, in the system, which the board thereupon shall cause to be made and the cost of which the employer shall bear. Upon completion of the study and estimate the employer may apply for admission to the system, whereupon it shall begin to participate therein and its eligible employees other than volunteer firefighters shall become members of the system. If the employer is an agency created by two or more political subdivisions to provide themselves governmental services and ceases thereafter to transmit to the board contributions for any of its eligible employees, the benefits based upon employer contributions to which such employees would otherwise be entitled shall be reduced accordingly.

(4) No adult in custody in a state institution or [*an alien*] **a noncitizen** on a training or educational visa working for any participating employer, even though the adult in custody or [*alien*] **noncitizen** received compensation from a participating employer, shall be eligible to become a

member of the system. No person employed by a participating employer and defined by such employer as a student employee is eligible to become a member of the system for such student employment.

(5) A person holding an elective office or an appointive office with a fixed term or an office as head of a department to which the person is appointed by the Governor may become a member of the system by giving the board written notice of desire to do so within 30 days after taking the office or, in the event that the officer is not eligible to become a member of the system at the time of taking the office, within 30 days after becoming so eligible. Membership so established shall not be discontinued during the appointive or elective term of the officer except upon separation of the officer from service.

(6) A public employer employing volunteer firefighters may apply to the board at any time for them to become members of the system. Upon receiving the application the board shall fix a wage at which, for purposes of this chapter only, they shall be considered to be employed and which shall be the basis for computing the amounts of the contributions, if any, which they pay into, and of the benefits which they and their beneficiaries receive from, the fund; and if the wage so fixed is satisfactory to the employer, shall include the firefighters in the system.

(7)(a) In the event that an employee enters the service of a public employer which is participating in or later begins to participate in the system and in the event that at the time of entering that service or at the time that the employer begins to participate in the system the employee has commenced to purchase and is continuing to purchase a retirement annuity, if the employer deems the annuity adequate for the purposes of this chapter, it may enter into an agreement with the employee and the board pursuant to which the employee may be exempted from contributing to the Public Employees Retirement Fund, and, if no public funds are being used to purchase the annuity or a corresponding pension, the employer, in lieu of the contributions which it otherwise would make to the fund on account of the employee, may make contributions toward the cost of purchasing the annuity. Such employee otherwise shall be subject to the provisions of this chapter, except that neither the employee nor any person claiming under the employee shall receive any payments from the retirement fund as service or disability allowance.

(b) An employee who enters into an agreement under paragraph (a) of this subsection may elect at any time thereafter to start to participate in the system by giving written notice of desire to participate to the board and to the employer. The employee shall receive no retirement credit for the period during which the employee was exempted from contributing to the fund under the agreement, but the employee shall be considered to have completed the six months' service required for membership in the system. When the employee starts to participate in the system the employer shall start to contribute to the fund on account of the employee in the same manner as the employer contributes on account of other employees who are active members of the system and the employer shall stop making contributions toward the cost of purchasing the retirement annuity.

(8)(a) All new appointees in the Federal Cooperative Extension Service or in any other service in which participation in the Federal Civil Service retirement program is mandatory, who receive a federal appointment on or after July 1, 1955, may participate in the Public Employees Retirement System only by giving written notice of their election to so participate to the Public Employees Retirement Board within six months after the effective date of their appointment.

(b) All persons employed by the Federal Cooperative Extension Service or by any other service in which participation in the Federal Civil Service retirement program is mandatory, who are under federal appointment as of July 1, 1955, and who are members of the state retirement system, shall continue such membership unless, prior to February 1, 1956, they give written notice to the Public Employees Retirement Board of their desire to cancel their membership.

(c) Any person who is an active member of the Public Employees Retirement System, who, on or after July 1, 1955, is employed by the Federal Cooperative Extension Service or by any other service in which participation in the Federal Civil Service retirement program is mandatory, and who is given a federal appointment, shall continue such membership in the Public Employees Re-

tirement System unless, within six months after the effective date of the appointment, the person gives written notice to the Public Employees Retirement Board of the desire to cancel membership.

(d) A cancellation of membership under paragraph (b) or (c) of this subsection terminates membership in the Public Employees Retirement System and cancels the right to any benefits from, or claims against, that system. Such cancellation prevents the withdrawing member from claiming thereafter any retirement credit for any period of employment before the cancellation. Upon receipt of a notice of cancellation, the Public Employees Retirement Board shall refund the member account of the withdrawing member, regardless of the age of the withdrawing member.

(9) Employees, including managers, of foreign trade offices of the Oregon Business Development Department who live and perform services in foreign countries under the provisions of ORS 285A.075 (1)(g) shall not be members of the system. However, any person who is an active member of the system immediately before becoming an employee of a foreign trade office shall continue to be a member of the system during the period of time the person serves as an employee of the foreign trade office.

(10) An employee who is participating in an alternative retirement program established pursuant to ORS 353.250 or an optional retirement plan established pursuant to ORS 341.551 may not be an active member of the Public Employees Retirement System.

(D) A member of the Armed Forces who performs active service as defined in 10 U.S.C. 101(d)(3), other than annual training duty or inactive-duty training, if the member's residency as reflected in the payroll records of the Defense Finance and Accounting Service is outside this state.

(2) For purposes of subsection (1)(a)(B) of this section, a fraction of a calendar day shall be counted as a whole day.

**SECTION 9.** ORS 316.567 is amended to read:

316.567. (1) Except as provided in subsection (2) of this section, spouses in a marriage may make a single declaration jointly under ORS 316.557 to 316.589. The liability of the spouses making such a declaration shall be joint and several.

(2) Spouses may not make a joint declaration:

(a) If either spouse is a nonresident [*alien*] **noncitizen**;

(b) If the spouses are separated under a judgment of divorce or of separate maintenance; or

(c) If the spouses have different taxable years.

(3) If spouses make a joint declaration but not a joint return for the taxable year, the spouses may, in such manner as they may agree, and after giving notice of the agreement to the Department of Revenue:

(a) Treat the estimated tax for the year as the estimated tax of either spouse; or

(b) Divide the estimated tax between them.

(4) If the spouses fail to agree, or fail to notify the department of the manner in which they agree, to the treatment of estimated tax for a taxable year for which they make a joint declaration but not a joint return, the payments shall be allocated between them according to rules adopted by the department. Notwithstanding ORS 314.835, 314.840 or 314.991, the department may disclose to either spouse the information upon which an allocation of estimated tax was made under this section.

**SECTION 10.** ORS 316.695 is amended to read:

316.695. (1) In addition to the modifications to federal taxable income contained in this chapter, there shall be added to or subtracted from federal taxable income:

(a) If, in computing federal income tax for a tax year, the taxpayer deducted itemized deductions, as defined in section 63(d) of the Internal Revenue Code, the taxpayer shall add the amount of itemized deductions deducted (the itemized deductions less an amount, if any, by which the itemized deductions are reduced under section 68 of the Internal Revenue Code).

(b) If, in computing federal income tax for a tax year, the taxpayer deducted the standard deduction, as defined in section 63(c) of the Internal Revenue Code, the taxpayer shall add the amount of the standard deduction deducted.

(c)(A) From federal taxable income there shall be subtracted the larger of (i) the taxpayer's itemized deductions or (ii) a standard deduction. Except as provided in subsection (8) of this section, for purposes of this subparagraph, "standard deduction" means the sum of the basic standard deduction and the additional standard deduction.

(B) For purposes of subparagraph (A) of this paragraph, the basic standard deduction is:

(i) \$3,280, in the case of joint return filers or a surviving spouse;

(ii) \$1,640, in the case of an individual who is not a married individual and is not a surviving spouse;

(iii) \$1,640, in the case of a married individual who files a separate return; or

(iv) \$2,640, in the case of a head of household.

(C)(i) For purposes of subparagraph (A) of this paragraph for tax years beginning on or after January 1, 2003, the Department of Revenue shall annually recompute the basic standard deduction for each category of return filer listed under subparagraph (B) of this paragraph. The basic standard deduction shall be computed by dividing the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year by the average U.S. City Average Consumer Price Index for the second quarter of 2002, then multiplying that quotient by the amount listed under subparagraph (B) of this paragraph for each category of return filer.

(ii) If any change in the maximum household income determined under this subparagraph is not a multiple of \$5, the increase shall be rounded to the next lower multiple of \$5.

(iii) As used in this subparagraph, "U.S. City Average Consumer Price Index" means the U.S. City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of Labor Statistics of the United States Department of Labor.

(D) For purposes of subparagraph (A) of this paragraph, the additional standard deduction is the sum of each additional amount to which the taxpayer is entitled under subsection (7) of this section.

(E) As used in subparagraph (B) of this paragraph, "surviving spouse" and "head of household" have the meanings given those terms in section 2 of the Internal Revenue Code.

(F) In the case of the following, the standard deduction referred to in subparagraph (A) of this paragraph shall be zero:

(i) One of the spouses in a marriage filing a separate return where the other spouse has claimed itemized deductions under subparagraph (A) of this paragraph;

(ii) A nonresident [*alien individual*] **noncitizen**;

(iii) An individual making a return for a period of less than 12 months on account of a change in the individual's annual accounting period;

(iv) An estate or trust;

- (v) A common trust fund; or
- (vi) A partnership.

(d) For the purposes of paragraph (c)(A) of this subsection, the taxpayer's itemized deductions are the amount of the taxpayer's itemized deductions as defined in section 63(d) of the Internal Revenue Code (reduced, if applicable, as described under section 68 of the Internal Revenue Code) minus the deduction for Oregon income tax (reduced, if applicable, by the proportion that the reduction in federal itemized deductions resulting from section 68 of the Internal Revenue Code bears to the amount of federal itemized deductions as defined for purposes of section 68 of the Internal Revenue Code).

(2)(a) There shall be subtracted from federal taxable income any portion of the distribution of a pension, profit-sharing, stock bonus or other retirement plan, representing that portion of contributions which were taxed by the State of Oregon but not taxed by the federal government under laws in effect for tax years beginning prior to January 1, 1969, or for any subsequent year in which the amount that was contributed to the plan under the Internal Revenue Code was greater than the amount allowed under this chapter.

(b) Interest or other earnings on any excess contributions of a pension, profit-sharing, stock bonus or other retirement plan not permitted to be deducted under paragraph (a) of this subsection may not be added to federal taxable income in the year earned by the plan and may not be subtracted from federal taxable income in the year received by the taxpayer.

(3)(a) Except as provided in subsection (4) of this section, there shall be added to federal taxable income the amount of any federal income taxes in excess of the amount provided in paragraphs (b) to (d) of this subsection, accrued by the taxpayer during the tax year as described in ORS 316.685, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(b) The limits applicable to this subsection are:

(A) \$5,500, if the federal adjusted gross income of the taxpayer for the tax year is less than \$125,000, or, if reported on a joint return, less than \$250,000.

(B) \$4,400, if the federal adjusted gross income of the taxpayer for the tax year is \$125,000 or more and less than \$130,000, or, if reported on a joint return, \$250,000 or more and less than \$260,000.

(C) \$3,300, if the federal adjusted gross income of the taxpayer for the tax year is \$130,000 or more and less than \$135,000, or, if reported on a joint return, \$260,000 or more and less than \$270,000.

(D) \$2,200, if the federal adjusted gross income of the taxpayer for the tax year is \$135,000 or more and less than \$140,000, or, if reported on a joint return, \$270,000 or more and less than \$280,000.

(E) \$1,100, if the federal adjusted gross income of the taxpayer for the tax year is \$140,000 or more and less than \$145,000, or, if reported on a joint return, \$280,000 or more and less than \$290,000.

(c) If the federal adjusted gross income of the taxpayer is \$145,000 or more for the tax year, or, if reported on a joint return, \$290,000 or more, the limit is zero and the taxpayer is not allowed a subtraction for federal income taxes under ORS 316.680 (1) for the tax year.

(d) In the case of spouses in a marriage filing separate tax returns, the amount added shall be in the amount of any federal income taxes in excess of 50 percent of the amount provided for individual taxpayers under paragraphs (a) to (c) of this subsection, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(e) For purposes of this subsection, the limits applicable to a joint return shall apply to a head of household or a surviving spouse, as defined in section 2(a) and (b) of the Internal Revenue Code.

(f)(A) For a calendar year beginning on or after January 1, 2008, the Department of Revenue shall make a cost-of-living adjustment to the federal income tax threshold amounts described in paragraphs (b) and (d) of this subsection.

(B) The cost-of-living adjustment for a calendar year is the percentage by which the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year exceeds the monthly averaged index for the period beginning September 1, 2005, and ending August 31, 2006.

(C) As used in this paragraph, "U.S. City Average Consumer Price Index" means the U.S. City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of Labor Statistics of the United States Department of Labor.

(D) If any adjustment determined under subparagraph (B) of this paragraph is not a multiple of \$50, the adjustment shall be rounded to the next lower multiple of \$50.

(E) The adjustment shall apply to all tax years beginning in the calendar year for which the adjustment is made.

(4)(a) In addition to the adjustments required by ORS 316.130, a full-year nonresident individual shall add to taxable income a proportion of any accrued federal income taxes as computed under ORS 316.685 in excess of the amount provided in subsection (3) of this section in the proportion provided in ORS 316.117.

(b) In the case of spouses in a marriage filing separate tax returns, the amount added under this subsection shall be computed in a manner consistent with the computation of the amount to be added in the case of spouses in a marriage filing separate returns under subsection (3) of this section. The method of computation shall be determined by the Department of Revenue by rule.

(5) Subsections (3)(d) and (4)(b) of this section shall not apply to married individuals living apart as defined in section 7703(b) of the Internal Revenue Code.

(6)(a) For tax years beginning on or after January 1, 1981, and prior to January 1, 1983, income or loss taken into account in determining federal taxable income by a shareholder of an S corporation pursuant to sections 1373 to 1375 of the Internal Revenue Code shall be adjusted for purposes of determining Oregon taxable income, to the extent that as income or loss of the S corporation, they were required to be adjusted under the provisions of ORS chapter 317.

(b) For tax years beginning on or after January 1, 1983, items of income, loss or deduction taken into account in determining federal taxable income by a shareholder of an S corporation pursuant to sections 1366 to 1368 of the Internal Revenue Code shall be adjusted for purposes of determining Oregon taxable income, to the extent that as items of income, loss or deduction of the shareholder the items are required to be adjusted under the provisions of this chapter.

(c) The tax years referred to in paragraphs (a) and (b) of this subsection are those of the S corporation.

(d) As used in paragraph (a) of this subsection, an S corporation refers to an electing small business corporation.

(7)(a) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A) and (D) of this section, of \$1,000:

(A) For the taxpayer if the taxpayer has attained age 65 before the close of the taxpayer's tax year; and

(B) For the spouse of the taxpayer if the spouse has attained age 65 before the close of the tax year and an additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes under section 151(b) of the Internal Revenue Code.

(b) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A) and (D) of this section, of \$1,000:

(B) For the spouse of the taxpayer if the spouse is blind as of the close of the tax year and an additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes under section 151(b) of the Internal Revenue Code. For purposes of this subparagraph, if the spouse dies during the tax year, the determination of whether such spouse is blind shall be made immediately prior to death.

(c) In the case of an individual who is not married and is not a surviving spouse, paragraphs (a) and (b) of this subsection shall be applied by substituting "\$1,200" for "\$1,000."

(d) For purposes of this subsection, an individual is blind only if the individual's central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or if the individual's visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

(8) In the case of an individual with respect to whom a deduction under section 151 of the Internal Revenue Code is allowable for federal income tax purposes to another taxpayer for a tax year beginning in the calendar year in which the individual's tax year begins, the basic standard deduction (referred to in subsection (1)(c)(B) of this section) applicable to such individual for such individual's tax year shall equal the lesser of:

(a) The amount allowed to the individual under section 63(c)(5) of the Internal Revenue Code for federal income tax purposes for the tax year for which the deduction is being claimed; or
