SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Prescribes information that district school board must ensure is provided on school district's website related to courses of study offered by school district. Takes effect July 1, 2022.

A BILL FOR AN ACT

Relating to the provision of information for courses of study offered by school districts; amending ORS 336.035; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 336.035 is amended to read:

336.035. (1)(a) A district school board shall ensure that the courses of study prescribed by law and by the rules of the State Board of Education are carried out.

(b) The district school board may establish supplemental courses that are not inconsistent with the prescribed courses and may adopt courses of study in lieu of state courses of study upon approval by the Superintendent of Public Instruction.

(c)(A) For each course of study offered by a school district, the district school board shall ensure that the following information is made available to the public on the school district's website:

(i) The title of, or other descriptive information for, any textbooks and instructional materials used for the course and, when available, a link for the textbook or instructional materials;

(ii) A syllabus for, or written summary of, the course; and

(iii) When applicable, identification of the state academic content standards that are being satisfied by the course.

(B) The district school board shall ensure that any changes to the information described in subparagraph (A) of this paragraph are reflected on the school district's website within 30 days of the change.

(2) Any district school board may establish a course of education concerning sexually transmitted infections including recognition of causes, sources and symptoms, and the availability of diagnostic and treatment centers. Any such course established may be taught to adults from the community served by the individual schools as well as to students enrolled in the school. The board shall cause the parents or guardians of minor students to be notified in advance that the course is to be taught. Any such parent or guardian may direct in writing that the minor child in the care of the parent or guardian be excused from any class within the course. Any parent or guardian may inspect the instructional materials to be used before or during the time the course is taught.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted.
New sections are in boldfaced type.

LC 215
(3) The district school board shall coordinate the course provided in subsection (2) of this section with the officials of the local health department and the Superintendent of Public Instruction. Teachers holding endorsements for health education shall be used where available. A teacher may not be subject to discipline or removal for teaching or refusing to teach courses concerning sexually transmitted infections.

SECTION 2. This 2022 Act takes effect on July 1, 2022.
