1 may submit an application for early release to the Medical Release
2 Advisory Committee established under section 2 of this 2022 Act. The
3 committee shall also receive direct referrals of adults in custody from
4 the Department of Corrections under section 6 of this 2022 Act.

5 “(2)(a) After receipt of an application, a panel of the committee
6 shall determine whether the application is complete.

7 “(b) If an application is complete, the panel shall notify the appli-
8 cant that the application has been accepted and shall forward the ap-
9 plication to the full committee for consideration. The notice to the
10 applicant must include the date on which the application was deter-
11 mined to be complete.

12 “(c) If an application is incomplete, the panel shall promptly notify
13 the applicant concerning what additional information is needed to re-
14 view the application, including necessary medical records, and allow
15 the applicant an opportunity to provide the additional information.

16 “(d) If the panel determines that an applicant or a referred adult
17 in custody is not eligible for early medical release under section 1 of
18 this 2022 Act, the panel shall notify the applicant or referred adult in
19 custody and cease any further review of the application or direct re-
20 ferral.

21 “(e) Upon acceptance of an application to be considered by the
22 committee, or upon receipt of a direct referral from the Department
23 of Corrections, the committee shall assign a release navigator to assist
24 the applicant or referred adult in custody with reentry planning and
25 ensuring continuity of care in the community. The release navigator
26 shall assist the applicant or referred adult in custody with planning
27 for obtaining housing and medical care in the community.

28 “(3)(a) Except as provided in paragraphs (b) and (c) of this sub-
29 section, the committee shall make a recommendation decision on a
30 regular application or direct referral within 45 calendar days, and a

1 recommendation decision on an expedited application or a direct re-
2 ferral concerning an adult in custody with a terminal illness with a
3 prognosis of 12 months or less to live, within 14 calendar days.

4 “(b) The committee may, for good cause, make a decision on an
5 application or direct referral up to 14 days after the time requirements
6 described in paragraph (a) of this subsection.

7 “(c) Upon the request of an applicant or referred adult in custody,
8 the time requirements described in paragraph (a) of this subsection
9 are tolled until the applicant or referred adult in custody subsequently
10 requests that the panel proceed with considering the application or
11 direct referral.

12 “(4)(a) The committee shall review each application or direct refer-
13 ral to determine whether the applicant or referred adult in custody
14 meets one or more of the criteria described in subsection (6) of this
15 section. The committee will evaluate the application or direct referral
16 and the criteria by assessing considerations including, but not limited
17 to, the balance between time the applicant or referred adult in custody
18 has left to serve, the quality of life living with the medical condition
19 and whether continued care in a custodial setting is no longer appro-
20 priate. If the committee determines, by a vote of the majority of the
21 committee, that the applicant or referred adult in custody meets one
22 or more of the criteria described in subsection (6) of this section, the
23 committee shall recommend early release from custody of the appli-
24 cant or referred adult in custody based on medical need and com-
25 passion.

26 “(b) A committee member may consult with an outside expert or
27 specialist concerning an application or direct referral under consider-
28 ation before the panel. Upon request by the committee, the State
29 Board of Parole and Post-Prison Supervision shall authorize funds for
30 consultation with an expert or specialist that is necessary for the

1 committee to carry out the duties described in this section, contingent
2 upon appropriation by the Legislative Assembly to the board of funds
3 for such consultations.

4 “(c) The committee shall make a written recommendation decision,
5 including written findings, when recommending or declining to re-
6 commend release.

7 “(d) Each month, the committee shall review no more than five
8 applications to decide whether to recommend early medical release.
9 Direct referrals from the Department of Corrections do not count to-
10 ward the five-application limit. The committee shall give priority to
11 applications based on the applicant’s having a terminal illness with a
12 prognosis of 12 months or less to live, but shall otherwise consider
13 applications in the order in which the panel accepted the applications
14 as complete under subsection (2) of this section.

15 “(e) The limit on applications considered by the committee de-
16 scribed in paragraph (d) of this subsection may be exceeded during any
17 month that a state of emergency has been declared under ORS 401.165
18 or is ongoing, or a public health emergency has been declared under
19 ORS 433.441 or is ongoing, and the committee determines that the
20 emergency presents a serious risk to the health or safety of adults in
21 custody at the specific correctional facility in which the applicant is
22 housed, but the committee shall continue to prioritize the consider-
23 ation of applications based on the applicant’s having a terminal illness
24 with a prognosis of 12 months or less to live.

25 “(5) If committee recommends release under subsection (4) of this
26 section:

27 “(a) Pursuant to ORS 151.216 and 151.219, the Public Defense Ser-
28 vices Commission shall provide for the representation of financially
29 eligible applicants and referred adults in custody at all subsequent
30 proceedings, including hearings before the board under section 4 of

1 **this 2022 Act and before the court on motions for resentencing under**
2 **section 5 of this 2022 Act. If the commission determines that the ap-**
3 **plicant or referred adult in custody is not financially eligible for ap-**
4 **pointed counsel at state expense, the applicant or referred adult in**
5 **custody may request review of the determination as provided in ORS**
6 **144.337.**

7 **“(b) The release navigator assigned by the committee may coordi-**
8 **nate with the department or any other outside agency or organization**
9 **in order to continue to assist the applicant or referred adult in custody**
10 **with reentry planning and ensuring continuity of care in the commu-**
11 **nity.**

12 **“(c) The committee shall submit the application or direct referral**
13 **and recommendation to the board for review as provided under section**
14 **4 of this 2022 Act.**

15 **“(6) An applicant or referred adult in custody may be recommended**
16 **for early medical release if the applicant or referred adult in custody**
17 **meets one or more of the following criteria, as further defined in the**
18 **rules of the committee:**

19 **“(a) The applicant or referred adult in custody has a terminal ill-**
20 **ness with a prognosis of 12 months or less to live;**

21 **“(b) The applicant or referred adult in custody is unable to inde-**
22 **pendently complete the activities of eating, toileting, grooming,**
23 **dressng, bathing or physical transfers or is unable to independently**
24 **move from place to place, even with the use of a mobility device; or**

25 **“(c)(A) The applicant or referred adult in custody has an underlying**
26 **condition that places the applicant or referred adult in custody at in-**
27 **creased risk of serious medical complications or death if the applicant**
28 **or referred adult in custody is exposed to disease;**

29 **“(B) A state of emergency has been declared under ORS 401.165 or**
30 **a public health emergency has been declared under ORS 433.441; and**

1 “(C) The committee determines that the emergency presents a se-
2 rious risk to the health or safety of adults in custody at the specific
3 correctional facility in which the applicant or referred adult in custody
4 is housed.

5 “(7) If the committee declines to recommend an applicant for early
6 medical release, the applicant may reapply for release provided that
7 the applicant can show that:

8 “(a) There has been a substantial change in the medical condition
9 or other circumstances, as defined in rules adopted by the committee,
10 since the previous application; or

11 “(b) New information has been obtained regarding the medical
12 condition or other circumstance since the previous application.

13 “(8) An early medical release recommendation decision, or a deter-
14 mination under subsection (2) of this section that an applicant or re-
15 ferred adult in custody is not eligible for early medical release, is not
16 subject to judicial review under ORS 144.335 or 183.480 to 183.497.

17 “SECTION 4. (1) Except as otherwise provided in this section, the
18 State Board of Parole and Post-Prison Supervision shall review rec-
19 ommendations for early medical release of applicants and referred
20 adults in custody from the Medical Release Advisory Committee under
21 section 3 of this 2022 Act to determine whether to accept the recom-
22 mendation for early medical release as provided in this section.

23 “(2)(a) The board shall hold a hearing within 45 days of receiving
24 the recommendation, unless the board finds good cause to postpone
25 the hearing, the board proceeds under paragraph (c) of this subsection
26 or no hearing is required, as described in subsection (3) of this section.

27 “(b) The board may require a psychological evaluation or risk as-
28 sessment of an applicant or referred adult in custody before proceeding
29 on a recommendation from the advisory committee.

30 “(c) The board may accept a committee recommendation without a

1 hearing, and shall provide the decision in writing and promptly notify
2 the applicant or referred adult in custody.

3 “(d) The board shall accept the committee recommendation, ad-
4 vance the release date and order the release of the applicant or re-
5 ferred adult in custody unless the board finds, by clear and convincing
6 evidence, that the applicant or referred adult in custody poses a dan-
7 ger to the safety of another person or the public and the danger out-
8 weighs any compassionate reasons for the release.

9 “(3) If the board determines that an applicant or referred adult in
10 custody is serving one or more sentences that require the sentencing
11 court to authorize early medical release, the board shall first conduct
12 the hearing described in subsection (2) of this section for any sen-
13 tences that the board determines do not require the sentencing court
14 to authorize early medical release. After completing the board hear-
15 ing, or if no board hearing is required, the board shall notify the ap-
16 plicant or referred adult in custody concerning the need to appear
17 before the sentencing court, and shall provide the applicant or referred
18 adult in custody with:

19 “(a) A certified copy of any committee recommendation provided
20 to the board under section 3 of this 2022 Act;

21 “(b) A certified copy of any board decision accepting or declining
22 to accept an early medical release recommendation under subsection
23 (2) of this section; and

24 “(c) A statement identifying the sentences that the board has de-

26 lease.

27 “(4) If a victim has requested notification of the release of the ap-
28 plicant or referred adult in custody, the board shall notify the victim
29 immediately upon receiving a recommendation under this section. If
30 the victim so requests, the victim shall have the opportunity to be

1 heard during the hearing either by submitting a written statement or
2 by addressing the board. Nothing in this section is to be construed as
3 limiting any rights a victim has under the Oregon Constitution or any
4 other law.

5 “(5) A decision by the board to accept or not accept a recommen-
6 dation under this section is not subject to judicial review under ORS
7 144.335 or 183.480 to 183.497.

8 **“SECTION 5. (1) If an applicant under section 3 of this 2022 Act or**
9 **adult in custody referred under section 6 of this 2022 Act receives no-**
10 **tification from the Board of Parole and Post-Prison Supervision under**
11 **section 4 (3) of this 2022 Act that the board has determined that the**
12 **applicant or referred adult in custody is serving one or more sentences**

23 **the hearing described in subsection (2) of this section.**

24 “(2)(a) The court shall hold a hearing within 30 calendar days of the
25 filing of a motion described in subsection (1) of this section, unless the

27 under paragraph (c) of this subsection.

28 “(b) Upon the request of either party, the court may order a psy-
29 chological evaluation or risk assessment of the applicant or referred
30 adult in custody before proceeding on a motion for early medical re-

1 lease under this section. The requesting party is responsible for the
2 costs of the evaluation or assessment.

3 “(c) The court may grant the motion and enter a supplemental

18 weighs any compassionate reasons for the release.

19 “(b) If the court grants the motion, the court shall enter a supple-

28 since the previous application; or

29 “(b) New information has been obtained regarding the medical
30 condition or other circumstance since the previous application.

1 “(5)(a) The grant or denial by the court of a motion for resentencing
2 under this section is not appealable.

3 “(b) Notwithstanding ORS 138.035 and 138.045, a supplemental judg-

5 or extend any right to appellate or collateral review of any decision
6 or judgment previously entered in the case.

22 2022 Act, shall assist the applicant or referred adult in custody with

8 of any hearing conducted by the board. The board shall send written notice
9 to the current addresses of the district attorney and the victim no later than
10 30 days before the hearing.

11 “(b) The victim, personally or by counsel, and the district attorney of the

16 “(c) The victim, personally or by counsel, and the district attorney of the

17 “(c) If an application is incomplete, the panel shall promptly notify the

18 *and the committee determines that the emergency presents a serious risk to the*
19 *health or safety of adults in custody at the specific correctional facility in*
20 *which the applicant is housed, but the committee shall continue to prioritize*
21 *the consideration of applications based on the applicant’s having a terminal*

6 order to continue to assist the applicant or referred adult in custody with
7 reentry planning and ensuring continuity of care in the community.

8 “[*c*] (C) The committee shall submit the application or direct referral
9 and recommendation to the board for review as provided under section 4 of
10 this 2022 Act.

11 **“(b) Notwithstanding paragraph (a) of this subsection, if the com-
