OACCD SUPPORTS HB 4098

OACCD supports the concept of robust collaboration among stakeholders to successfully implement important initiatives like Oregon's Strategic Plan for substance use services.

HB 4098 promotes partnering state agencies to consistently report progress toward Oregon's Strategic Plan to address addiction, promote prevention, increase treatment engagement and healing through recovery.

As Oregon reduces barriers for people struggling with addiction to get the proper help and support, it will be valuably important to have all state systems operating harmoniously through state partnerships, and work toward the same goals and strategies outlined in Oregon's Strategic Plan to address the addiction crisis in our State.
