

Submitter: Kurt Kremers

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: HB4130

I personally have had a collision with a buck deer on OR Hwy. 126 and a near miss on Hwy. 97. I find it hard to believe that Oregon is way behind compared to our neighboring states getting wildlife safe passage across our highways. Please support HB 4130 and make our highways safer for wildlife and the people that travel our highways.

Thank You, Kurt Kremers
